44. Upon every transfer of shares the certificate held by the transferor shall be given up to be cancelled, and shall forthwith be cancelled accordingly, and a new certificate shall be issued without charge to the transferee in respect of the shares transferred to him, and if any of the shares included in the certificate so given up shall be retained by transferor a new certificate in respect thereof

shall be issued to him without charge. The Company shall also retain the transfer.

45. The registration of transfers may be suspended and the register closed at such times and for such periods as the Board may from time to time determine and either generally or in respect of any class of shares, provided always that such registration shall not be suspended or the register closed for more than thirty days in any year or, with the approval of the Company in general meeting, sixty days in any year.

When transfer books and register may be closed.

Transmission of Shares

46. In the case of the death of a member, the survivor or survivors where the deceased was a joint holder, and the legal personal representatives of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the Company as having any title to his interest in the shares; but nothing herein contained shall release the estate of a deceased holder (whether sole or joint) from any liability in respect of any share solely or jointly held by him.

Death of registered holder or of joint holder of shares.

47. Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a member may, upon such evidence as to his title being produced as may from time to time be required by the Board, and subject as hereinafter provided, elect either to be registered himself as holder of the share or to have some person nominated by him registered as the transferee thereof.

48. If the person so becoming entitled shall elect to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to have his nominee registered, he

shall testify his election by executing a transfer of such share to his nominee. All the limitations, restrictions and provisions of these presents relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death, bankruptcy or winding-up of the member had not occurred and the notice or transfer were a transfer executed by such member.

Retention of dividends, etc., until transfer or transmission of shares of a deceased or bankrupt member.

49. A person becoming entitled to a share by reason of the death, bankruptcy or winding-up of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 82 being met, such a person may vote at meetings.

Forfeiture of Shares

If call or instalment not paid notice may be given.

50. If a member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or instalment remains unpaid, without prejudice to the provisions of Article 34, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued and which may still accrue up to the date of actual payment.

Form of notice.

51. The notice shall name a further day (not earlier than the expiration of fourteen days from the date of the notice) on or before which the payment required by the notice is to be made, and it shall also name the place where

payment is to be made, such place being either the registered office of the Company, or some other place at which calls of the Company are usually made payable. The notice shall also state that, in the event of non-payment at or before the time appointed, the shares in respect of which the call was made will be liable to be forfeited.

52. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share and not actually paid before the forfeiture. The Directors may accept the surrender of any shares liable to be forfeited hereunder and in such cases reference in these Articles to forfeiture shall include surrender.

If notice not

53. Any share so forfeited shall be deemed to be the property of the Company, and may be sold or otherwise disposed of on such terms and in such manner as the Board thinks fit and at any time before a sale or disposition. The forfeiture may be cancelled on such terms as the Board thinks fit.

Company.

54. A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the shares, together with (if the Board shall in its discretion so require) interest thereon from the date of forfeiture until payment at such rate not exceeding twenty per cent. per annum as the Board may prescribe, and the Board may enforce the payment thereof if it thinks fit, and without any deduction or allowance for the value of the shares, at the date of forfeiture, but his liability shall cease if and when the

Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that that time has not yet arrived be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

Evidence of forfeiture and transfer of forfeited share.

55. A statutory declaration in writing that the declarant is a Director or the Secretary of the Company, and that a share in the Company has been duly forfeited or surrendered on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration, if any, given for the share on any sale or disposition thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.

Notice after forfeiture.

56. When any share shall have been forfeited, notice of the resolution shall be given to the member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.

57. Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any shares so forfeited shall have been sold, re-allotted or otherwise disposed of, cancel the forfeiture on such terms as the Board thinks fit or permit the shares so forfeited to be bought back or redeemed upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the shares, and upon such further terms (if any) as it thinks fit.

Power to redeem forfeited shares.

59. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

Forfeiture for non-payment of any sum due on shares.

60. The Company may by ordinary resolution convert any fully paid up shares into stock, and may from time to time by like resolution reconvert any stock into fully paid up shares of any denomination. After the passing of any resolution converting all the fully paid up shares of any class into stock any shares of that class which subsequently become fully paid up and rank *pari passu* in all other respects with such shares shall, by virtue of this Article and such resolution, be converted into stock transferable in the same units as the shares already converted.

Power to convert into stock.

61. The holders of stock may transfer the same or any part thereof in the same manner, and subject to the same regulations as and subject to which the shares from

which the stock arose might prior to conversion have been transferred or as near thereto as circumstances admit, but the Board may from time to time, if it thinks fit, fix the minimum amount of stock transferable and restrict or forbid the transfer of fractions of that minimum, but so that such minimum shall not exceed the nominal amount of the shares from which the stock arose. No warrants to bearer shall be issued in respect of any stock.

Rights of
stockholders.

62. The holders of stock shall, according to the amount of the stock held by them, have the same rights, privileges and advantages as regards dividends, participation in assets on a winding up, voting at meetings and other matters, as if they held the shares from which the stock arose, but no such rights, privileges or advantages (except participation in the dividends and profits and in the assets on winding up of the Company) shall be conferred by an amount of stock which would not, if existing in shares, have conferred such rights, privileges or advantages.

Interpreta-
tion.

63. Such of the provisions of these presents as are applicable to paid up shares shall apply to stock, and the words "share" and "shareholder" therein shall include "stock" and "stockholder".

each consolidated share, and if it shall happen that any person shall become entitled to fractions of a consolidated share or shares, such fractions may be sold by some person appointed by the Board for that purpose and the person so appointed may transfer the shares so sold to the purchaser thereof and the validity of such transfer shall not be questioned, and so that the net proceeds of such sale (after deduction of the expenses of such sale) may either be distributed among the persons who would otherwise be entitled to a fraction or fractions of a consolidated share or shares rateably in accordance with their rights and interests or may be paid to the Company for the Company's benefit;

- (ii) cancel any shares which at the date of the passing of the resolution have not been taken or agreed to be taken by any person, and diminish the amount of its share capital by the amount of the shares so cancelled; and
- (iii) sub-divide its shares or any of them into shares of smaller amount than is fixed by the Memorandum of Association, subject nevertheless to the provisions of the Companies Ordinance, and so that the resolution whereby any share is sub-divided may determine that, as between the holders of the shares resulting from such sub-division, one or more of the shares may have any such preferred or other special rights over, or may have such deferred rights or be subject to any such restrictions as compared with the others as the Company has power to attach to unissued or new shares.

(B) The Company may by special resolution reduce its share capital, any capital redemption reserve fund

The notice shall be exclusive of the day on which it is served or deemed to be served and of the day for which it is given, and shall specify the place, the day and the hour of meeting and, in case of special business, the general nature of that business, and shall be given, in manner hereinafter mentioned or in such other manner, if any, as may be prescribed by the Company in general meeting, to such persons as are, under these Articles, entitled to receive such

notices from the Company, provided that subject to the provisions of the Companies Ordinance, a meeting of the Company shall notwithstanding that it is called by shorter notice than that specified in this Article be deemed to have been duly called if it so agreed:-

- (i) in the case of a meeting called as the annual general meeting, by all the members entitled to attend and vote thereat; and

When if quorum not present meeting to be dissolved and when to be adjourned.

72. If within fifteen minutes from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of members, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week and at such time and place as shall be decided by the Board, and if at such adjourned meeting a quorum is not present within fifteen minutes from the time appointed for holding the meeting, the member or members present in person shall be a quorum and may transact the business for which the meeting was called.

Chairman of general meeting.

73. The Chairman (if any) of the Board or, if he is absent or declines to take the chair at such meeting, the Deputy Chairman (if any) shall take the chair at every general meeting, or, if there be no such Chairman or Deputy Chairman, or if at any general meeting neither of such Chairman or Deputy Chairman is present within fifteen minutes after the time appointed for holding such meeting, or both such persons decline to take the chair at such meeting, the members present shall choose another Director as Chairman, and if no Director be present or if all the Directors present decline to take the chair or if the Chairman chosen shall retire from the chair, then the members present shall choose one of their own number to be Chairman.

Save as aforesaid, no member shall be entitled to any notice of an adjournment or of the business to be transacted at any adjourned meeting. No business shall be transacted at any adjourned meeting other than the business which might have been transacted at the meeting from which the adjournment took place.

75. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) demanded:—

What is to be evidence of the passing of a resolution where poll not demanded.

- (i) by the Chairman of the meeting; or
- (ii) by at least three members present in person or by proxy for the time being entitled to vote at the meeting; or
- (iii) by any member or members present in person or by proxy and representing not less than one-tenth of the total voting rights of all the members having the right to vote at the meeting; or
- (iv) by a member or members present in person or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right.

Unless a poll be so demanded and not withdrawn, a

declaration by the Chairman that a resolution has on a show of hands been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book containing the minutes of the proceedings of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour or against such resolution.

76. If a poll is demanded as aforesaid, it shall (subject as provided in Article 77) be taken in such manner (including the use of ballot or voting papers or tickets) and at such time and place, not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded, as the Chairman directs. No notice need be given of a poll not taken immediately. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. In case of any dispute as to the admission or rejection of any vote the Chairman shall determine the same, and such determination shall be final and conclusive.

Business may

notwithstanding

79. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

Written
resolution.

80. A resolution in writing signed by all the members for the time being entitled to receive notice of and

to attend and vote at general meetings shall be as valid and effective as if the same had been passed at a general meeting of the Company duly convened and held. A written notice of confirmation of such resolution in writing signed by or on behalf of a member shall be deemed to be his signature to such resolution in writing for the purposes of this Article. Such resolution in writing may consist of several documents each signed by or on behalf of one or more members.

Votes of Members

81. Subject to any special rights, privileges or restrictions as to voting for the time being attached to any class or classes of shares, at any general meeting on a show of hands every member who (being an individual) is present in person or (being a corporation) is present by a representative duly authorised under Section 115 of the Companies Ordinance shall have one vote, and on a poll every member present in person or by proxy shall have one vote for every share of which he is the holder which is fully paid up or credited as fully paid up (but so that no amount paid up or credited as paid up on a share in advance of calls or instalments shall be treated for the purposes of this Article as paid up on the share). Where a member or a warrant holder is a recognised clearing house within the meaning of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong), it may authorise such person or persons as it thinks fit to act as its representative (or representatives) at any shareholders' and/or warrant holders' general meeting or any meeting of any class of members and/or of warrant holders provided that, if more than one person so authorised, the authorisation must specify the number and class of shares in respect of which such person so authorised. The person so authorised will be entitled to exercise the same power on behalf of the recognised clearing house as that clearing house (or its nominees) could exercise if it were an individual member and/or warrant holder of the Company. On a poll a member entitled to more than one vote need not use all his votes or cast all the votes he uses in the same way. Where any shareholder is, under the Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such shareholder in contravention of such requirement or restriction shall not be counted.

Votes of
members.

Votes in respect of deceased and bankrupt member.

82. Any person entitled under Article 47 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that at least 48 hours before the time of the holding of the meeting or adjourned meeting (as the case may be) at which he proposes to vote, he shall satisfy the Board of his right to be registered as the holder of such shares or the Board shall have previously admitted his right to vote at such meeting in respect thereof.

Joint holders.

83. Where there are joint registered holders of any share, any one of such persons may vote at any meeting, either personally or by proxy, in respect of such share as if he were solely entitled thereto: but if more than one of such joint holders be present at any meeting personally or by proxy, that one of the said persons so present whose name stands first on the register in respect of such share shall alone be entitled to vote in respect thereof. Several executors or administrators of a deceased member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.

Votes of members of unsound mind.

84. A member of unsound mind or in respect of whom an order has been made by any court having jurisdiction in lunacy may vote, whether on a show of hands or on a poll, by his committee, receiver, *curator bonis* or other person in the nature of a committee, receiver or *curator bonis* appointed by that court, and any such committee, receiver, *curator bonis* or other person may on a poll vote by proxy. Evidence to the satisfaction of the Board of the authority of the person claiming to exercise the right to vote shall be delivered to the registered office of the Company, or to such other place as is specified in accordance with these Articles for the deposit of instruments of proxy, not later than the last time at which a valid instrument of proxy could be so delivered.

Qualification for voting.

85. (A) Save as expressly provided in these Articles, no person other than a member duly registered and

who shall have paid everything for the time being due from him payable to the Company in respect of his shares shall be entitled to be present or to vote (save as proxy for another member) either personally or by proxy, or to be reckoned in a quorum, at any general meeting.

(B) No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairman, whose decision shall be final and conclusive.

Objections to votes.

86. Any member of the Company entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. On a poll votes may be given either personally or by proxy. A proxy need not be a member of the Company. A member may appoint more than one proxy to attend on the same occasion.

Proxies.

87. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing, or if the appointor is a corporation, either under seal or under the hand of an officer or attorney duly authorised.

Instrument appointing proxy to be in writing.

88. The instrument appointing a proxy and the power of attorney or other authority, if any, under which it is signed or a notarially certified copy of that power or authority shall be deposited at the registered office of the Company or at such other place as is specified in the notice of meeting or in the instrument of proxy issued by the Company not less than forty-eight hours before the time for holding the meeting or adjourned meeting or poll (as the case may be) at which the person named in such instrument proposes to vote, and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after expiration of twelve months from

Appointment of proxy must be deposited.

the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve months from such date. Delivery of an instrument appointing a proxy shall not preclude a member from attending and voting in person at the meeting or poll concerned and, in such event, the instrument appointing a proxy shall be deemed to be revoked.

Form of
proxy.

89. Every instrument of proxy, whether for a specified meeting or otherwise, shall be in such form as the Board may from time to time approve.

Authority
under
instrument
appointing
proxy.

90. The instrument appointing a proxy to vote at a general meeting shall: (i) be deemed to confer authority upon the proxy to demand or join in demanding a poll and to vote on any resolution (or amendment thereto) put to the meeting for which it is given as the proxy thinks fit Provided that any form issued to a member for use by him for appointing a proxy to attend and vote at an extraordinary general meeting or at an annual general meeting at which any business is to be transacted shall be such as to enable the member, according to his intention, to instruct the proxy to vote in favour of or against (or, in default of instructions, to exercise his discretion in respect of) each resolution dealing with any business; and (ii) unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates.

When vote
by proxy
valid though
authority
revoked.

91. A vote given in accordance with the terms of an instrument of proxy or power of attorney or by the duly authorised representative of a corporation shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or power of attorney or other authority under which the proxy was executed or the transfer of the share in respect of which the proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer as aforesaid shall have been received by the Company at its registered office, or at such

other place as is referred to in Article 88, at least two hours before the commencement of the meeting or adjourned meeting at which the proxy is used.

92. Any corporation which is a member of the Company may, by resolution of its directors or other governing body or by power of attorney, authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of members of the Company, and the person so authorised shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual member of the Company. References in these Articles to a member present in person at a meeting shall, unless the context otherwise requires, include a corporation which is a member represented at the meeting by such duly authorised representative.

95. The Board shall have power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy or as an addition to the Board. Any Director so appointed shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election, but shall not be taken into account in determining the Directors who are to retire by rotation at such meeting.

Board may fill vacancies.

**Alternate
Directors.**

96. (A) A Director may at any time, by notice in writing signed by him delivered to the registered office of the Company or at a meeting of the Board, appoint any person (including another Director) to act as alternate Director in his place during his absence and may in like manner at any time determine such appointment. If such person is not another Director, such appointment, unless previously approved by the Board, shall have effect only upon and subject to being so approved.

(B) The appointment of an alternate Director shall determine on the happening of any event which, were he a Director, would cause him to vacate such office or if his appointor ceases to be a Director.

(C) An alternate Director shall (except when absent from Hong Kong) be entitled to receive notices of meetings of the Board and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all the functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these presents shall apply as if he (instead of his appointor) were a Director. If he shall be himself a Director or shall attend any such meeting as an alternate for more than one Director his voting rights shall be cumulative. If his appointor is for the time being absent from Hong Kong or otherwise not available or unable to act, his signature to any resolution in writing of the Directors shall be as effective as the signature of his appointor. To such extent as the Board may from time to time determine in relation to any committee of the Board, the foregoing provisions of this paragraph shall also apply *mutatis mutandis* to any meeting of any such committee of which his appointor is a member. An alternate Director shall not, save as aforesaid, have power to act as a Director nor shall he be deemed to be a Director for the purposes of these Articles.

(D) An alternate Director shall be entitled to

contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent *mutatis mutandis* as if he were a Director, but he shall not be entitled to receive from the Company in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the Company from time to time direct.

(H) A Director shall not vote or be counted in the quorum present at the meeting in respect of any contract or arrangement or proposal in which he or his associate(s) is/are materially interested, and if he shall do so his vote shall not be counted, but this prohibition shall not apply to:

(J) Where a company in which a Director together with any of his associates hold 5 per cent. or more is materially interested in a transaction, then that Director shall also be deemed materially interested in such transaction.

(K) If any question shall arise at any meeting of the Board as to the materiality of the interest of a Director (other than the Chairman of the meeting) or as to the entitlement of any Director (other than such Chairman) to vote or be counted in the quorum and such question is not resolved by his voluntarily agreeing to abstain from voting or not to be counted in the quorum, such question shall be referred to the Chairman of the meeting and his ruling in relation to such other Director shall be final and conclusive except in a case where the nature or extent of the interest of the Director concerned as known to such Director has not been fairly disclosed to the Board. capitalise.

(B) Whenever such a resolution as aforesaid shall have been passed the Board shall make all appropriations and applications of the reserves or profits and undivided profits resolved to be capitalised thereby, and all allotments and issues of fully paid shares, debentures, or other securities and generally shall do all acts and things required to give effect thereto. For the purpose of giving effect to any resolution under this Article, the Board may settle any difficulty which may arise in regard to a capitalisation issue as it thinks fit, and in particular may determine that cash payments shall be made to any members in respect of fractional entitlements or that fractions of such value (as the Board may determine) may be disregarded in order to adjust the rights of all parties or that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the members concerned. The provisions of the Ordinance in relation to the filing of contracts for allotment shall be observed and the Board may appoint any person to sign on behalf of the persons entitled to share in a capitalisation issue and such appointment shall be effective and binding upon all concerned, and the contract may provide for the acceptance by such persons of the shares, debentures or other securities to be allotted and distributed to them respectively in satisfaction of their claims in respect of the sum so capitalised.

Subscription
Right
Reserve.

146. (A) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares

of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions applicable under the terms and conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:—

- (i) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the “Subscription Right Reserve”) the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (iii) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Right Reserve in paying up in full such difference in respect of such additional shares as and when the same are allotted;
- (ii) the Subscription Right Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account and capital redemption reserve fund) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
- (iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on

exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:-

- (aa) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
- (bb) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par,

and immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and

- (iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right

Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account and capital redemption reserve fund) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

(B) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (A) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.

(C) A certificate or report by the auditors for

the time being of the Company as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.

declare
dividends.

147. The Company in general meeting may declare dividends in any currency but no dividends shall exceed the amount recommended by the Board.

Board's
power to
pay interim
dividends.

148. (A) The Board may from time to time pay to the members such interim dividends as appear to the Board to be justified by the position of the Company and, in particular (but without prejudice to the generality of the foregoing), if at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non-preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board acts *bona fide* the Board shall not incur any responsibility to the holders of shares conferring any preference for any damage that they may suffer by reason of the payment of an interim dividend on any shares having deferred or non-preferential rights.

(B) The Board may also pay half-yearly or at other suitable intervals to be settled by them any dividend

which may be payable at a fixed rate if the Board is of the opinion that the profits justify the payment.

149. No dividend shall be payable except out of the profits of the Company. No dividend shall carry interest.

Dividends not to be paid out of capital.

150. Whenever the Board or the Company in general meeting have resolved that a dividend be paid or declared, the Board may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of the Company or any other company, or in any one or more of such ways, with or without offering any rights to shareholders to elect to receive such dividend in cash, and where any difficulty arises in regard to the distribution the Board may settle the same as they think expedient, and in particular may disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any members upon the footing of the value so fixed in order to adjust the rights of all parties, and may determine that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the members concerned, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend and such appointment shall be effective. Where requisite, a contract shall be filed in accordance with the provisions of the Companies Ordinance and the Board may appoint any person to sign such contract on behalf of the persons entitled to the dividend and such appointment shall be effective.

Dividend in specie.

151. (A) Whenever the Board or the Company in general meeting have resolved that a dividend be paid or declared on the share capital of the Company, the Board may further resolve:—

Scrip dividends.

either (i) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up on the basis that the shares so allotted shall be of the same class or classes as the class or classes already held by the allottee, provided that the shareholders entitled thereto will be entitled to elect to receive such dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:—

- (a) the basis of any such allotment shall be determined by the Board;
- (b) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to the shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
- (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
- (d) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("the non-elected shares") and in lieu and in satisfaction

thereof shares shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the non-elected shares on such basis.

- or* (ii) that shareholders entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Directors may think fit on the basis that the shares so allotted shall be of the same class or classes as the class or classes of shares already held by the allottee. In such case, the following provisions shall apply:—
- (a) the basis of any such allotment shall be determined by the Board;
 - (b) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to the shareholders of the right of election accorded to them and shall send with such notice forms of election and specify

the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

(c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and

(d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised ("the elected shares") and in lieu thereof shares shall be allotted credited as fully paid up to the holders of the elected share on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the elected shares on such basis.

(B) The shares allotted pursuant to the provisions of paragraph (A) of this Article shall rank *pari passu* in all respects with the shares then in issue save only as regards participation:-

- (i) in the relevant dividend (or the right to receive or to elect to receive an allotment of shares in lieu thereof as aforesaid); or
- (ii) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend

unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of subparagraph (i) or (ii) of paragraph (A) of this Article in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (A) of this Article shall rank for participation in such distribution, bonus or rights.

(C) the Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (A) of this Article with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the members concerned). The Board may authorise any person to enter into on behalf of all members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

(D) The Company may upon the recommendation of the Board by special resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (A) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.

(E) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (A) of this Article shall not be made available or made to any shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of shares would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.

Reserves.

152. The Board may, before recommending any dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (other than shares of the Company) as the Board may from time to time think fit, and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute by way of dividend.

Dividends to be paid in proportion to paid up capital.

153. Subject to the rights of persons, if any, entitled to shares with special rights as to dividend, all dividends

shall be declared and paid according to the amounts paid or credited as paid up on the shares in respect whereof the dividend is paid, but no amount paid up or credited as paid up on a share in advance of calls shall be treated for the purposes of this Article as paid up on the share.

Deduction of debts.

155. Any general meeting sanctioning a dividend may make a call on the members of such amount as the meeting fixes, but so that the call on each member shall not exceed the dividend payable to him, and so that the call shall be made payable at the same time as the dividend, and the dividend may, if so arranged between the Company and the member, be set off against the call.

Dividend and call together.

156. A transfer of shares shall not pass the right to any dividend or bonus declared thereon before the registration of the transfer.

Unless otherwise directed by the Board, any dividend or bonus may be paid by cheque or warrant sent through the post to the registered address of the member entitled, or, in case of joint holders, to the registered address of that one whose name stands first in the register in respect of the joint holding or to such person and to such

Every cheque or warrant so sent shall be made payable to the order of the person to whom it is sent, and the payment of any such cheque or warrant shall operate as a good discharge to the Company in respect of the dividend and/or bonus represented thereby, notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged.

Unclaimed dividend.

159. All dividends or bonuses unclaimed for one year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed and the Company shall not be constituted a trustee in respect thereof. All dividends or bonuses unclaimed for six years after having been declared may be forfeited by the Board and shall revert to the Company.

No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit.
