Award from the League of American Communications Professionals

Henkel again wins Platinum Award for its Annual Report

In the competition for the world's best annual report, initiated by the
American Communications Professionals (LACP), Henkel took a

“Consumer and Retail” category. In the overall ranking Henkel is also among the Top 50 of a total of 1,223 publications evaluated by the jury.

Düsseldorf/San Diego – As in the past two years, the League of American Communications Professionals (<http://www.lacp.com>) rated the Henkel Annual Report as the number one financial publication in the “Consumer and Retail” category. The LACP evaluated a total of 1,223 annual reports. The judges awarded Henkel the maximum 10 points to two of the evaluation criteria, Report Narrative and Creativity. The other evaluation criteria, namely Report Cover, Letter to Shareholders, Report Financials, Message Clarity and Information Accessibility, each scored 9 out of 10 points. First Impression gained 29 out of 30 points.

“This again very good placing is a great success and shows that in addition to our brands and branded technologies also our publications meet the highest quality standards“, states Ernst Primosch, Vice President Corporate Communications of the Henkel Group. „This award spurs our ambition to produce another first-class annual report next year.”
