Rentokil Initial plc

James Wilde steps down as Chief Executive

James Wilde, Chief Executive of Rentokil Initial plc, is to leave the company with immediate effect, by mutual consent. Whilst a new Chief Executive is being sought, Brian McGowan, Chairman, will step into the role of Executive Chairman, supported by the Finance Director and the four sector Managing Directors who will continue to be responsible for the day to day management of the businesses.

Brian McGowan said "The Board wishes James well. He initiated a number of much needed changes and the Board is committed to continuing and indeed accelerating the good work that he started.

"As announced at the Company's annual general meeting on 27th May, I continue to lead the review of the business. It remains the Board's intention to present the outcome of that review at the time of the company's interim results, which will be announced, as planned, on 26th August. In the meantime we have no reason to change the statement we made at the AGM regarding the outlook for the full year."
