* The Fund will pay a management fee equal to a percentage of the aggregate limited partners' investments in the Fund. In addition, returns of and on investments are expected to be recycled for use in making subsequent investments. These estimates make certain assumptions as to the duration of the Fund and the amount of the aggregate investments in the Fund, both of which are variable, and they do not necessarily take into account the effect recycling will have on the aggregate management fees or on the aggregate amount of investments to be made from recycled proceeds.
