Mr. Patrick D. O'Brien, President of Novawest Resources Incorporated (“the Company” – symbol NVE on the TSX Venture Exchange and NWM on the Frankfurt Exchange) is pleased to report that the company has arranged the acquisition of the following properties:

1. The purchase of eight mining titles located in the Province of Quebec to be known as the Homer Property.
2. The purchase of 24 mining titles located in the Province of Quebec to be known as the Iliad Property.

In each case these properties are subject to a 2% Net Smelter Royalty, one-half of which the company may, at its discretion, purchase for \$500,000. All shares issued relative to the above purchases will be subject to resale restrictions applicable under the BC Securities Act and the policies of the TSX Venture Exchange. All terms are subject to regulatory approval.

3. An option to purchase 35 mining titles in the Province of Quebec to be described as the Odyssey Property.

This property is subject to a 3% Net Smelter Royalty, two-thirds of which the Company may, at its discretion, purchase for \$1,000,000. Additionally, Novawest has the right of first refusal to acquire the remaining one-third of the NSR. All shares issued relative to this option agreement will be subject to resale restrictions applicable under the BC Securities Act and the policies of the TSX Venture Exchange. All terms are subject to regulatory approval.

The company intends to carry out preliminary exploration programs on these properties over the next six months following which results and further information will be released.

Novawest invites the public to visit its website at <http://www.novawest.com> or e-mail us at [novawest@novawest.com](mailto:novawest@novawest.com) to be added to the Company's e-mail list for press releases and updates.
