Subject: Clarification of the news reports regarding the business in Myanmar of Shin
Satellite Public Company Limited

Sir:

Following reports in newspapers recently regarding the political changes taking place in Myanmar and comments on the business of Shin Satellite Plc in that country, the Company would like to clarify several of the points raised that were reported incorrectly:

1. Shin Satellite Public Company Limited has no concession in Myanmar.
2. The Company's current business involves leasing transponders and the sale of end-user equipment to the government and state enterprises only.
3. Regarding the loan extended by the Export-Import of Thailand to the Government of Myanmar, the contracting party is the Ministry of Posts and Telecommunications of Myanmar, not a private company as reported.
4. Shin Satellite Public Company Limited has received confirmation from all its customers that there will be no change to the execution of contractual obligations with Shin Satellite Public Company Limited.
