PETITION OF JAMES M. McCOY	§	
	§	COLLIN COUNTY, TEXAS
REQUESTING A DEPOSITION OF	§	
AIM ADVISORS, INC.	§	<u>416</u> JUDICIAL DISTRICT

VERIFIED PETITION REQUESTING RULE 202 DEPOSITION BEFORE SUIT

TO THE HONORABLE COURT:

James M. McCoy, Petitioner, requests authority to take the deposition by written questions of the corporate representative of AIM Advisors, Inc. ("AIM") in order to investigate a potential claim or suit as authorized by Texas Rule of Civil Procedure 202(b).

I.

Petitioner is an individual residing in Collin County, Texas. Petitioner seeks to investigate a potential claim in which Petitioner may be a party. In furtherance of this investigation, Petitioner desires to obtain the testimony of the corporate representative of AIM by a deposition on written questions. Service of process may be had on AIM by service on its registered agent, CT Corporation System, 1021 Main Street, Suite 1150, Houston, Texas, 77002.

II.

The subject matter of the claim being investigated is whether the AIM Value Fund which is a Mutual Fund invested in by Petitioner, and which is managed by AIM, failed to claim the available proceeds, to which it was entitled, of several securities class action lawsuit settlements.

Petitioner is investigating whether the AIM Value Fund (the "Fund") filed and/or sought to obtain recovery of such proceeds in those settlements because the Fund's failure to claim such proceeds would have lessened the value of the Fund, which was invested in by Petitioner and would have damaged Petitioner in an amount yet to be determined.

III.

The name(s), addresses and telephone numbers of certain persons who may have interests adverse to Petitioners cannot be ascertained through diligent inquiry as of this time.

IV.

Petitioner seeks to depose a corporate representative of AIM, which maintains its headquarters at P.O. Box 4333, Houston, Texas 77201-4333, and whose telephone number is (800) 347-4246. The substance of the testimony Petitioner expects to elicit from said corporate representative by deposition on written questions includes: (1) whether the Fund received notices of class action settlements in which it was entitled to participate; (2) the identity of class action settlements for which the Fund received such a notice; (3) and, of those settlements, in which of those settlements did said Fund make claims as to the proceeds of such settlements.

V.

Petitioner desires to obtain this testimony because there exists no alternative known ways to obtain this information. Written requests to AIM for this information have gone unanswered.

The requested deposition on written questions may prevent a failure and/or delay of justice in this investigation and/or claim.

FOR THE REASONS STATED, Petitioner requests that the Court set this matter for hearing and upon same find that allowing the Petitioner to take the requested deposition may

prevent a failure or delay of justice in the anticipated suit. Petitioner further requests that the Court issue an Order authorizing Petitioner to take the deposition on written questions of a corporate representative of AIM Advisors, Inc. as manager of the AIM Value Fund at a time and place to be specified by the Court or at a time and place to specified by the Petitioner in a deposition notice as required by the Texas Rules of Civil Procedure. Petitioner further requests such other and further relief to which Petitioner may be justly entitled.

Respectfully submitted,
