## SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned thereunto duly authorized.

Dated: Feb 7, 2005

FINANCIAL ASSET SECURITIES CORP.

By: Frank Skibo

Name: FRANK SKIBO

Title: MANAGING DIRECTOR

**IN ACCORDANCE WITH RULE 202 OF REGULATION S-T, THIS EXHIBIT IS BEING FILED IN PAPER PURSUANT TO A CONTINUING HARDSHIP EXEMPTION.**

**EXHIBIT INDEX**

<u>Exhibit No.</u>	<u>Description</u>	<u>Format</u>
4.1	Mortgage Loan Schedule	P*

---

\* The Mortgage Loan Schedule has been filed on paper pursuant to a continuing hardship exemption from certain electronic filing requirements.

Table with multiple columns and rows, containing dense text and numbers. The table is oriented vertically on the page. The columns contain various alphanumeric codes and identifiers, while the rows contain descriptive text and numerical values. The data is organized into several distinct sections, likely representing different categories or time periods. The text is small and difficult to read due to the high density and orientation.

Table with multiple columns containing alphanumeric codes, numbers, and text. The data is organized in a grid-like format with dashed lines separating sections.

Table with multiple columns and rows, containing dense text and numbers. The table is oriented vertically on the page. It appears to be a ledger or data record with various fields, possibly including names, dates, and numerical values. The text is small and difficult to read due to the high resolution and orientation.

Table with multiple columns containing alphanumeric data, likely a ledger or inventory list. The table is oriented vertically on the page.

Table with multiple columns containing numerical data and text labels, possibly representing a ledger or account book. The text is extremely small and difficult to read.

Table with multiple columns and rows, containing dense text and numerical data. The table is oriented vertically on the page. It appears to be a detailed ledger or record book with various entries and columns of numbers.

Table with multiple columns containing alphanumeric data, possibly a ledger or index. The text is extremely small and difficult to read, but appears to be organized in a structured grid format.

Table with multiple columns containing alphanumeric data, possibly a ledger or inventory list. The text is extremely small and difficult to read.

Table with multiple columns and rows, containing dense text and numbers. The table is oriented vertically on the page. The text is extremely small and difficult to read, but appears to be a list of items or data points. The table is divided into several sections by horizontal lines. The top section contains a list of items, followed by a section with numerical data, and a final section with more text. The table is oriented vertically on the page.

Table with multiple columns containing alphanumeric codes and text. The table is oriented vertically on the page. It contains numerous rows of data, including alphanumeric strings and descriptive text. The text is partially obscured by a large, dark, irregular shape in the center of the page.

Table with multiple columns and rows, containing dense text and numbers. The text is mostly illegible due to high contrast and scan quality. The table appears to be a ledger or a data record with columns for identification, description, and numerical values.

Table with multiple columns containing numerical data and text labels, possibly representing a financial or statistical report. The table is oriented vertically on the page.

Table with multiple columns containing alphanumeric codes and text. The table is oriented vertically on the page. The columns contain various alphanumeric strings, likely identifiers or codes, and some text descriptions. The data is organized in a grid-like structure with multiple rows and columns.

Table with multiple columns and rows, containing dense text and numbers. The table is oriented vertically on the page. The columns contain various alphanumeric codes and numerical values, while the rows represent individual data entries. The text is highly repetitive and appears to be a technical or administrative record.

Table with multiple columns containing numerical data and text labels, possibly representing a financial or statistical report. The table is oriented vertically on the page.

Table with multiple columns containing numerical data and text labels, possibly representing a financial or statistical report. The text is extremely small and difficult to read.

1099	1099-0000	99000.00			99000.00
1100	1100-0000	100000.00			100000.00

Table with multiple columns containing alphanumeric data, possibly a ledger or inventory list. The text is extremely small and difficult to read.

Table with multiple columns and rows, containing data organized in a grid format. The table is oriented vertically on the page. The columns contain various alphanumeric identifiers and numerical values. The rows represent individual data entries. The table is divided into sections by vertical dashed lines.

Table with multiple columns containing alphanumeric codes and numerical values. The table is organized into several vertical sections separated by dashed lines. The data appears to be a list of items or transactions with associated identifiers and quantities.

Table with multiple columns containing numerical data and text labels, possibly representing a financial or statistical report. The table is oriented vertically on the page.

Table with multiple columns containing numerical data and text labels. The table is oriented vertically on the page. The columns include numerical values and text descriptions, possibly representing a list of items or data points. The text labels are small and difficult to read due to the high resolution and orientation of the image.
