SingTel aligns ASX quotation arrangements to reflect Australian ownership levels

Singapore Telecommunications Limited (**SingTel**) today announced that it has been granted waivers by the Australian Stock Exchange Limited (**ASX**) relating to its quotation arrangements.

Currently, the number of SingTel CDIs (CHESS Depositary Interests) quoted on the ASX is based on the company's total "free float" (total issued share capital less shares held by Temasek Holdings (Private) Limited), being 6,213 million shares at 18 January 2005. The waivers mean that, effective 1 February 2005, the number of CDIs quoted on the ASX issued over SingTel shares at any time will be equal to the number of shares held in Australian-registered form as CDIs, being 526,717,910 at 18 January 2005. (The terms of the waivers are attached.)

As a result, the number of CDIs issued over SingTel shares which are quoted on the ASX will more closely reflect the level of Australian-based ownership of SingTel. Both the number of shares held in CDI form and trading volumes on the ASX more than doubled in the last quarter of 2004.

	2003	2004	Increase
Number of SingTel shares held as CDIs as at 31 December	241m	508m	+111%
Median daily trading of SingTel on ASX for three months ended 31 December	1.2m	2.8m	+133%

Under the new arrangements, SingTel will provide to the ASX a monthly update of the net change in the number of shares held in Australian-registered form as CDIs and the names and holdings of the 20 largest CDI holders.

SingTel has been listed on the ASX since September 2001, following its acquisition of Optus, which is now an important part of the SingTel group. For the three months ended 30 September 2004, Optus represented 68% of operating revenue, 57% of operational EBITDA, and 48% of staff numbers.

Arrangements for trading SingTel CDIs on the ASX, and subsequent settlement, will not change from those already in place. Neither will there be any change to the arrangements for converting Singapore-registered shares to CDIs (or vice versa). Singapore-registered shares converted to CDIs will continue to be immediately tradeable on the ASX. SingTel will apply for quotation of CDIs issued into the Australian market on a monthly basis.

**TERMS OF WAIVERS GRANTED TO SINGAPORE
TELECOMMUNICATIONS LIMITED
BY AUSTRALIAN STOCK EXCHANGE LIMITED**

“DECISION

1. *Based solely on the information provided, Australian Stock Exchange Limited (“ASX”) grants Singapore Telecommunications Limited (the “Company”) the following waivers.*
 - 1.1 *A waiver from listing rule 2.4 to the extent necessary to permit the Company to only apply for quotation of those CHESS Depository Interests (CDIs) issued over its fully paid ordinary shares into the Australian market.*
 - 1.2 *A waiver from listing rule 2.8 to the extent necessary to allow the Company not to apply for quotation of CDIs which are issued as a result of holders of ordinary shares in the Company converting their shares to CDIs, within 10 business days of issue of those CDIs.*
2. *The waivers in resolution 1.1 and 1.2 are on condition that:*
 - 2.1 *the Company applies for quotation of CDIs issued into the Australian market on a monthly basis and the Company provides to the market a monthly update of the net changes in the number of CDIs that are quoted on ASX; and*
 - 2.2 *the Company immediately releases details of these waivers to the market in a form acceptable to ASX.*
3. *ASX has considered listing rules 2.4 and 2.8 only and makes no statement as to the Company’s compliance with other listing rules.*

BASIS FOR DECISION

Listing rules 2.4 & 2.8

Underlying Policy

1. *Entity must be granted quotation of all securities in its main class – fungibility of securities – transparency and certainty as to number of securities available to trade in market – maintains integrity of ASX market.*

Present Application

2. *Dual-listed company – total number of shares on issue do not correlate to securities immediately tradeable on ASX market – quotation of CDIs on issue as distinct from total number of shares on issue more accurately reflects securities immediately tradeable on ASX market – participants in ASX market therefore fully informed of free float and depth and liquidity of ASX market for Company’s securities – monthly updates of CDIs on issue to be provided for maximum market transparency and certainty.”*
