Integrated Resort; Hong Leong Group's comments:

"The Hong Leong Group – and its listed companies City Developments Limited and Millennium & Copthorne Hotels plc - firmly supports the Government's decision on allowing two world-class integrated resorts at the Marina Bay front and Sentosa sites. We know the Government reached its decision after carefully considering all views in great depth. From a business point of view, we believe the decision by the Government will help address the challenges Singapore faces in the field of tourism, GDP growth and employment.

Prior to today, as a Group, we held discussions with many of the major contenders for the integrated resorts. We did not enter into any exclusive agreement with parties at that stage. We are now in talks on partnership arrangements and will seriously consider viable proposals. The integrated resort concept compliments very well our overall expertise in property investment and development, and hotel owner and operator."

- Mr. Kwek Leng Beng, Executive Chairman, Hong Leong Group
