1 April 2005

MOL closed Shell Romania acquisition

MOL Hungarian Oil and Gas Company hereby announces that following the receipt of necessary regulatory approvals, it has closed the Shell Romania acquisition transaction, announced in November 2004. The deal includes a network of 59 retail service stations geographically spread throughout Romania, and Lubricants, Aviation and Commercial business activities.

The re-branding and selective modernization of the acquired filling stations will be completed by the end of September 2005.

Through this transaction the total number of MOL-operated filling stations in Romania exceeds 130 stations and MOL's retail market share will reach approximately 10%. In line with MOL's strategy to reach a national market share of 15%, the company is continuing its green-field filling station development program in Romania.

MOL and INA submitted binding bid for the acquisition of Energopetrol

MOL Hungarian Oil and Gas Company hereby informs capital market participants that on 11 April 2005 it submitted a binding offer together with INA for the acquisition of controlling stake in Bosnian Energopetrol. Energopetrol has 15% market share and operates 65 filling stations in Bosnia-Herzegovina. In 2003, the Company sold 124 thousand tons of oil products, reaching an annual turnover of EUR 84 million. Expansion on the South-Eastern-European markets is a strategic objective for both INA and its 25% owner, MOL. The potential acquisition of Energopetrol fits well into this strategy. Rights and liabilities are shared on a 50-50% basis within the Consortium formed by MOL and INA.
