The parties hereto acknowledge that the Initial Unitholder has paid, concurrently with the execution of the Initial Trust Indenture, the Initial Contribution to Computershare Trust Company of Canada, in its capacity as trustee of the Trust and one Trust Unit in the Trust has been issued in consequence thereof.

2.2 Declaration of Trust

The Trustee hereby agrees and declares that it holds and will hold the Trust Fund in trust for the use and benefit of the Unitholders, their permitted assigns and personal representatives upon the trusts and subject to the terms and conditions set forth in this Indenture, such trust to constitute the Trust hereunder.

2.3 Name

The name of the Trust is "Trilogy Energy Trust" and, whenever practicable, lawful and convenient, the property of the Trust shall be held, the affairs of the Trust shall be conducted and transacted, documents shall be executed and legal proceedings shall be taken under that name. If the Trustee determines that the use of such name is not practicable, legal or convenient, the Trustee may use such other designation or may adopt such other name for the Trust as the Trustee deems appropriate and the Trust may hold property and conduct its activities under such other designation or name.

2.4 Nature of the Trust

The Trust is an open-ended unincorporated investment trust established for the purposes specified in Section 4.1 hereof. The Trust is not, is not intended to be, and shall not be deemed to be, and shall not be treated as a general partnership, limited partnership, syndicate, association, joint venture, company, corporation or joint stock company, nor shall the Trustee or the Unitholders or any of them or any other person be, or be deemed to be, treated in any way whatsoever as, or liable or responsible hereunder as, partners or joint venturers. The Trustee shall not be, or be deemed to be, an agent of the Unitholders. The relationship of the Unitholders in their capacity as such to the Trustee shall be solely that of beneficiaries of the Trust and their rights shall be limited to those conferred upon them by this Indenture and applicable laws.

2.5 Legal Entitlements and Restrictions on Unitholders

- (a) The rights of each Unitholder in their capacity as such to call for a distribution or division of assets, monies, funds, income and capital gains held, received or realized by the Trustee are limited to those contained herein.
- (b) Subject to the terms and conditions of this Indenture, no Unitholder or Unitholders shall be entitled to interfere or give any direction to the Trustee or the Administrator with respect to the affairs of the Trust or in connection with the exercise of any powers or authorities conferred upon the Trustee or the Administrator under this Indenture.
- (c) The legal ownership of the property and assets of the Trust and the right to conduct the affairs of the Trust (subject to the limitations contained herein) are vested exclusively in the Trustee and the Unitholders shall have no interest therein and they shall have no right to compel or call for any partition, division, dividend or distribution of the Trust Fund or any of the assets of the Trust. The Trust Units shall be personal property and shall confer upon the holder thereof only the interest and rights specifically set forth in this Indenture. No Unitholder has or is deemed to have any right of ownership in any of the property or assets of the Trust.

2.6 Liability of Unitholders

No Unitholder in its capacity as such shall incur or be subject to any liability, direct or indirect, absolute or contingent, in contract or in tort or of any other kind to any person in connection with the Trust Fund or the obligations or the affairs of the Trust or with respect to any act performed by the Trustee or by any other person pursuant to this Indenture or with respect to any act or omission of the Trustee or any other person in the performance or exercise, or purported performance or exercise, of any obligation, power, discretion or authority conferred upon the Trustee or such other person hereunder or with respect to any transaction entered into by the Trustee or by any other person pursuant to this Indenture, and no Unitholder shall be liable to indemnify the Trustee or any other person with respect to any such liability or liabilities incurred by the Trustee or by any such other person or persons or with respect to any taxes payable by the Trust or by the Trustee or any other person on behalf of or in connection with the Trust; provided, however, to the extent any Unitholder is held by a court of competent jurisdiction to be subject to any such liability, such liability shall be enforceable only against, and shall be satisfied only out of, the Trust Fund and the Trust (to the extent of the Trust Fund) is liable to, and shall indemnify and save harmless such Unitholder against any costs, damages, liabilities, expenses, charges or losses suffered by such Unitholder from or arising as a result of such Unitholder not having any such limited liability.

2.7 Contracts of the Trust

In respect of any obligations or liabilities being incurred by the Trust, or the Trustee or the Administrator on behalf of the Trust, the Trustee, the Administrator and the Trust shall make all reasonable efforts to ensure that every contract entered into by or on behalf of the Trust, whether by the Trustee, the Administrator or otherwise, shall (except as the Trustee or the Administrator may otherwise expressly agree in writing with respect to their own personal liability) include a provision substantially to the following effect:

The parties hereto acknowledge that [the Trustee] [the Administrator] is entering into this agreement solely [in its capacity as Trustee] [on behalf] of the Trust and the obligations of the Trust hereunder shall be binding upon [the Trustee,] [the Administrator] only in such capacity, provided that recourse to [the Trustee] [the Administrator] in such capacity or against any of the Unitholders of the Trust or in any manner in respect of any indebtedness, obligation or liability of [the Trustee] [the Administrator] arising hereunder or arising in connection herewith or from the matters to which this agreement relates, if any, including without limitation claims based on negligence or other tortious behaviour, shall be limited to, and satisfied only out of, the Trust Fund as defined in the Trust Indenture dated as of February 25, 2005, as amended from time to time;

The omission of such a provision from any such written instrument shall not operate to impose personal liability on the Trustee, the Administrator or any Unitholder. If, notwithstanding this provision, the Trustee, the Administrator or any Unitholder shall be held liable to any person by reason of the omission of such statement from any such agreement, undertaking or obligation such Trustee, the Administrator or Unitholder shall be entitled to indemnity and reimbursement out of the Trust Fund to the full extent of such liability.

2.8 Head Office of Trust

The head office of the Trust shall be located at 4100, 350 - 7th Avenue S.W., Calgary, Alberta, T2P 3N9, or at such other place in Canada as the Trustee may from time to time designate. The Province of Alberta is the place of administration of the Trust and the affairs of the Trust shall be managed and the administration of the Trust shall be directed by the Trustee by and through its offices located in the Province of Alberta.

2.9 Unitholders Bound

This Indenture shall be binding upon all persons who become Unitholders from time to time, including holders of Special Voting Units. By acceptance of a Unit Certificate representing any Units the Unitholder thereof shall be deemed to have agreed to be bound, and shall be so bound, by this Indenture.

ARTICLE 3 TRUST UNITS

3.1 Designation of Trust Units

- (a) The beneficial interest in the Trust is divided into interests of one class, described and designated as Trust Units, which are entitled to the rights and subject to the limitations, restrictions and conditions set out herein, and the interest of each Unitholder shall be determined by the number of Trust Units registered in the name of the Unitholder.
- (b) Each Trust Unit represents an equal fractional undivided beneficial interest in any distribution from the Trust (whether of net income, net realized capital gains or other amounts) and in any net assets of the Trust in the event of termination or winding-up of the Trust. All Trust Units shall rank among themselves equally and rateably without discrimination, preference or priority.

3.2 Special Voting Rights

In addition to Trust Units, there may be issued Special Voting Rights entitling the holders thereof to attend at meetings of Unitholders and to such number of votes at meetings of Unitholders as may be prescribed by the Board of Directors in the resolution authorizing the issuance of any such Special Voting Rights. Except for the right to attend and to vote at meetings of the Unitholders, the Special Voting Rights shall not confer upon the holders thereof any other rights; and for greater certainty, the holders of Special Voting Rights shall not be entitled to any distributions of any nature whatsoever from the Trust or have any beneficial interest in any property or assets of the Trust on termination or winding-up of the Trust.

3.3 Authorized Number of Trust Units and Special Voting Rights

- (a) The aggregate number of Trust Units which are authorized and may be issued hereunder is unlimited.
- (b) The aggregate number of Special Voting Rights which are authorized and may be issued hereunder is unlimited.

3.4 Issue of Trust Units, Special Voting Rights and Indebtedness

- (a) Trust Units shall be issued pursuant to and in accordance with the Plan;

- (b) The Trust is authorized to issue Trust Units and Special Voting Rights on such terms as the Board of Directors may determine. The Trust is further authorized to create, issue, sell and deliver any rights, warrants (including so called "special warrants" or "subscription receipts" which may be exercisable for no additional consideration), options or other securities to purchase, convert into or exchange into Trust Units, on such terms and conditions as the Board of Directors may determine, including without limitation, instalment receipts or similar securities.
- (c) The Administrator may authorize the creation and issuance of debentures, notes and other evidences of indebtedness of the Trust which debentures, notes or other evidences of indebtedness may be created and issued from time to time on such terms and conditions, to such persons and at such consideration as the Board of Directors may determine.

3.5 Trust Units Fully Paid and Non-Assessable

A Trust Unit shall be issued only when fully paid in money, property (including indebtedness), or past services and the Unitholder shall not thereafter be required to make any further contribution to the Trust with respect to such Trust Unit; provided however that the Trust Units to be issued under an Offering may be issued for consideration payable in instalments and that the Trust may take security over such Trust Units to be issued under such an Offering as security for the payment of unpaid instalments.

3.6 No Pre-Emptive Rights

No person shall be entitled, as a matter of right, to subscribe for or purchase any Trust Unit or Special Voting Right. There are no pre-emptive rights attaching to any Trust Unit or Special Voting Right.

3.7 No Fractional Trust Units

Fractions of Trust Units shall not be issued, except pursuant to distributions of additional Trust Units to all Unitholders pursuant to Section 5.7. Fractions of Trust Units will not be entitled to vote at meetings of Unitholders.

3.8 Re-Purchase of Initial Trust Unit by Trust

Immediately after the Effective Date, the Trust shall purchase the initial Trust Unit from the Initial Unitholder, and the Initial Unitholder shall sell the initial Trust Unit to the Trust, for a purchase price of \$20.00 and, upon the completion of such purchase and sale, the initial Trust Unit shall be cancelled and shall no longer be outstanding for any of the purposes of this Indenture.

3.9 Consolidation of Trust Units

Immediately after any pro rata distribution of additional Trust Units to all Unitholders pursuant to Section 5.7, the number of outstanding Trust Units will be consolidated such that each Unitholder will hold after the consolidation the same number of Trust Units as the Unitholder held before the distribution of additional Trust Units. In each case, each Certificate representing a number of Trust Units prior to the distribution of additional Trust Units is deemed to represent the same number of Trust Units after the distribution of additional Trust Units and the consolidation. Notwithstanding the foregoing, where tax is required to be withheld in respect of a Unitholder's share of the distribution: (i) the consolidation of the Trust Units held by such Unitholder will result in such Unitholder holding that number of Trust Units equal to the number of Trust Units held by such Unitholder prior to the distribution minus the number of Trust Units withheld on account of withholding taxes payable by the Unitholder in respect of the distribution; and (ii) the consolidation shall not apply to any Trust Units so withheld. Any Trust Units so withheld shall either be delivered to the appropriate taxation authority or sold, in which case the net proceeds shall be remitted to the appropriate taxation authority. Such Unitholder will be required to surrender the Certificates, if any, representing such Unitholder's original Trust Units, in exchange for a Certificate representing such Unitholder's post-consolidation Trust Units.

3.10 Non-Resident Unitholders

It is in the best interest of Unitholders that the Trust always qualify as a "mutual fund trust" under the Tax Act. Accordingly, in order to ensure the maintenance of such status:

- (a) In order to ensure that the Trust continues to qualify as a "mutual fund trust" at no time may Non-Residents or Non-Canadian Partnerships be the beneficial owners of more than 49% of all outstanding Trust Units:
- (b) The Administrator may, at any time and from time to time, in its sole discretion, request that the Trustee make reasonable efforts, as practicable in the circumstances, to obtain declarations as to beneficial ownership under Section 8.12, perform residency searches of Unitholder and beneficial Unitholder mailing address lists and take such other steps specified by the Administrator, at the cost of the Trust, to determine or estimate as best as is possible the residence of the beneficial owners of Trust Units.
- (c) If at any time the Board of Directors, in its sole discretion, determines that it is in the best interest of the Trust, the Administrator, may:
 - (i) require the Trustee to refuse to accept a subscription for Trust Units from, or issue or register a transfer of Trust Units to, a person unless the person provides a declaration to the Administrator pursuant to Section 8.12 that the Trust Units to be issued or transferred to such person will not when issued or transferred be beneficially owned by a Non-Resident or Non-Canadian Partnership;
 - (ii) to the extent practicable in the circumstances, send a notice to registered holders of Trust Units which are beneficially owned by Non-Residents or Non-Canadian Partnerships, chosen in inverse order to the order of acquisition or registration of such Trust Units beneficially owned by Non-Residents or Non-Canadian Partnerships or in such other manner as the Administrator may consider equitable and practicable, requiring them to sell their Trust Units which are beneficially owned by Non-Residents or Non-Canadian Partnerships or a specified portion thereof within a specified period of not less than 60 days. If the Unitholders receiving such notice have not sold the specified number of such Trust Units or provided the Administrator with satisfactory evidence that such Trust Units are not beneficially owned by Non-Residents or Non-Canadian Partnerships within such period, the Administrator may, on behalf of such registered Unitholder, sell such Trust Units and, in the interim, suspend the voting and distribution rights attached to such Trust Units and make any distribution in respect of such Trust Units by depositing such amount in a separate bank account in a Canadian chartered bank (net of any applicable taxes). Any sale shall be made on any stock exchange on which the Trust Units are then listed and, upon such sale, the affected holders shall cease to be holders of Trust Units so disposed of and their rights shall be limited to receiving the net proceeds of sale, and any distribution in respect thereof deposited as aforesaid, net of applicable taxes and costs of sale, upon surrender of the Certificates representing such Trust Units;
 - (iii) delist the Trust Units from any non-Canadian stock exchange; and
 - (iv) take such other actions as the Board of Directors determines, in its sole discretion, are appropriate in the circumstances that will reduce or limit the number of Trust Units held by Non-Resident Unitholders or Non-Canadian partnerships to ensure that not more than 49% of all outstanding Trust Units are beneficially owned by Non-Residents or Non-Canadian Partnerships.
- (d) The Trustee shall have no liability for amounts received pursuant to sales of Trust Units made pursuant to Section 3.10(b)(ii). Except as specifically set out herein, the Trustee shall not be

bound to do or take any proceeding or action with respect to this Section 3.10 by virtue of the powers conferred on it under this Indenture. The Trustee shall not be deemed to have notice of any violation of this Section 3.10 unless and until it has been given written notice of such violation and shall be required to act only as required by this Indenture and upon an indemnity satisfactory to the Trustee being provided by the Trust. The Trustee shall not be required to actively monitor the Non-Resident holdings of the Trust. It is acknowledged that the Trustee cannot monitor Non-Resident Unitholders given that the Trust Units will be registered in the name of depositories and other non-beneficial holders. The Trustee shall not be liable for any violation of the Non-Resident ownership restriction in this Section 3.10 which may occur during the term of the Trust.

- (e) Notwithstanding any other provision of the Indenture, Non-Residents or Non-Canadian Partnerships, whether registered holders or beneficial holders of Trust Units, shall not be entitled to vote in respect of any Special Resolutions to amend this Section 3.10.

3.11 Distribution Reinvestment and Trust Unit Purchase Plan

Subject to any required regulatory approvals (and any Unitholder approval imposed by regulatory requirements), the Trustee may, as directed by the Administrator, establish one or more Unitholder rights plans, distribution reinvestment plans, Trust Unit purchase plans, Trust Unit option plans, incentive option plans or other compensation plans at any time and from time to time.

 - (i) obtaining funds to conduct the activities described above, including raising funds for further acquisitions;

- (i) granting security in any form, over any or all of the Trust Fund to secure any or all of the obligations of the Trust;
- (j) repurchasing or redeeming securities of the Trust, including Trust Units, subject to the provisions of this Indenture and applicable law;

- (m) engaging in all activities ancillary or incidental to any of those activities set forth in paragraphs (a) through (l) above; and
- (n) undertaking such other activities or taking such other actions including investing in securities as shall be approved by the Administrator from time to time.

4.2 Permitted Investments

Subject to Section 4.3, any funds within the Trust Fund that are not required to be invested as provided in Sections 4.1, shall be used by the Trust only to acquire Permitted Investments or as permitted by Section 8.2(f) or Section 8.2(r).

4.3 Investment Restrictions

Notwithstanding anything contained in this Indenture, under no circumstances shall the Trust acquire any investment which:

- (a) would result in the Trust not being considered either a "unit trust" or a "mutual fund trust" for purposes of the Tax Act at the time such investment was acquired; or
- (b) would, as a direct consequence of such acquisition, cause a Trust Unit to be considered "foreign property" at such time as defined under the provisions of the Tax Act.

The Trustee may consult with and receive direction from the Administrator with respect to any investment to ensure compliance with this provision and may, prior to any investment, request that the Administrator obtain an opinion of Counsel confirming that such investment will not cause the Trust Units to become "foreign property" and that the Trust will continue to maintain its status as a "unit trust" or a "mutual fund trust" for the purposes of the Tax Act.

ARTICLE 5 DISTRIBUTIONS

5.1 Computation of Cash Flow of the Trust

The Cash Flow of the Trust, for, or in respect of, any Distribution Period, shall be equal to the sum of:

- (a) all cash amounts which are received by the Trust for, or in respect of, the Distribution Period, including, without limitation, interest, dividends, distributions, proceeds from the disposition of securities, returns of capital and repayments of indebtedness; and
- (b) the proceeds of any issuance of Trust Units or any other securities of the Trust, net of the expenses of issuance, and, if applicable, the use of proceeds of any such issuance for the intended purpose;

less the sum of:

- (c) all amounts which relate to the redemption or repurchase of Trust Units and which have become payable in cash by the Trust in such Distribution Period and any expenses and liabilities of the Trust in such Distribution Period; and
- (d) any other amounts (including taxes) required by law or hereunder to be deducted, withheld or paid by or in respect of the Trust in such Distribution Period.

5.2 Computation of Income and Net Realized Capital Gains

- (a) The "Income of the Trust" for any taxation year of the Trust shall be the net income for the year determined pursuant to the provisions of the Tax Act (other than subsection 104(6) and paragraph 82(1)(b)) having regard to the provisions thereof which relate to the calculation of income of a trust, and taking into account such adjustments thereto as are determined by the Trustee in respect of dividends received from taxable Canadian corporations, amounts paid or payable by the Trust to holders of Trust Units and such other amounts as may be determined in the discretion of the Trustee; provided, however, that capital gains and capital losses shall be excluded from the computation of net income.
- (b) The "Net Realized Capital Gains" of the Trust for any taxation year of the Trust shall be determined as the amount, if any, by which the aggregate of the capital gains of the Trust for the year exceeds (i) the aggregate of the capital losses of the Trust for the year, (ii) any capital gains which are realized by the Trust as a result of a redemption of Trust Units pursuant to Article 6, and

(iii) the amount determined by the Trustee in respect of any net capital losses for prior taxation years which the Trust is permitted by the Tax Act to deduct in computing the taxable income of the Trust for the year.

5.3 Distributions of Cash Flow of the Trust

The Administrator, on behalf of the Trustee, shall, subject to any limitations contained in any Offering Document and any limitations imposed by any agreements entered into with lenders to the Trust, Holding Trust or any Affiliate of the Trust, on or before each Distribution Record Date on or after May 2, 2005, declare payable to the holders of Trust Units on such Distribution Record Date all or any part of the Cash Flow of the Trust for the Distribution Period which includes such Distribution Record Date. The proportionate share for each Trust Unit of the amount of such Cash Flow of the Trust (or portion thereof declared payable) shall be determined by dividing such amount by the number of issued and outstanding Trust Units on such Distribution Record Date. The share of such Cash Flow of the Trust (or portion thereof declared payable) attributable to each holder of Trust Units shall be an amount equal to the proportionate share for each Trust Unit of the amount of such Cash Flow of the Trust (or portion thereof declared payable) multiplied by the number of Trust Units owned of record by each such holder of Trust Units on such Distribution Record Date. Subject to Sections 5.7 and 5.8, Cash Flow of the Trust which has been declared to be payable to holders of Trust Units in respect of a Distribution Period shall be paid in cash (by either cheque or wire transfer) on the Distribution Payment Date in respect of such Distribution Period.

5.4 Other Distributions

- (a) In addition to the distributions which are made payable to holders of Trust Units pursuant to Section 5.3, the Administrator, on behalf of the Trustee, may declare to be payable and make distributions to holders of Trust Units, from time to time, out of Income of the Trust, Net Realized Capital Gains, the capital of the Trust or otherwise, in any year, in such amount or amounts, and on such dates as the Administrator, on behalf of the Trustee, may determine.
- (b) Having regard to the present intention of the Trustee to allocate, distribute and make payable to holders of Trust Units all of the Income of the Trust, Net Realized Capital Gains and any other applicable amounts so that the Trust will not have any liability for tax under Part I of the Tax Act in any taxation year, the following amounts shall, without any further actions on the part of the Trustee, but subject to any limitations imposed by an agreements entered into with lenders to the Trust, Holding Trust or any Affiliates of the Trust, be due and payable to holders of Trust Units of record on December 31 in each such year:
 - (i) an amount equal to the amount, if any, by which the Income of the Trust for such year exceeds the aggregate of the portions, if any, of each distribution made by the Trust pursuant to Section 5.3 and Section 5.4(a) which have been determined by the Trustee, pursuant to Section 5.5, to have been payable by the Trust out of Income of the Trust for such year; and
 - (ii) an amount equal to the amount, if any, by which the Net Realized Capital Gains of the Trust for such year exceeds the aggregate of the portions, if any, of each distribution made by the Trust pursuant to Section 5.3 and Section 5.4(a) which have been determined by the Trustee, pursuant to Section 5.5, to have been payable by the Trust out of Net Realized Capital Gains for such year.
- (c) The proportionate share of each Trust Unit of the amount of any distribution made pursuant to either or both of Sections 5.4(a) and (b) shall be determined by dividing such amount by the number of issued and outstanding Trust Units on the applicable record date in respect of a distribution pursuant to Section 5.4(a) and on December 31 in respect of a distribution pursuant to Section 5.4(b). Each holder of Trust Units' share of the amount of any such distribution shall be an amount equal to the proportionate share of each Trust Unit of such amount multiplied by the number of Trust Units owned of record by each such holder of Trust Units on such applicable record date or December 31 in the year of such distribution, as the case may be. Subject to

Section 5.7, amounts which are payable to holders of Trust Units pursuant to either Section 5.4(a) or (b) shall be paid in cash on the Distribution Payment Date which immediately follows the applicable record date in respect of a distribution pursuant to Section 5.4(a) or December 31 in the applicable year in respect of a distribution pursuant to Section 5.4(b).

5.5 Character of Distributions and Designations

In accordance with and to the extent permitted by the Tax Act, the Administrator, on behalf of the Trustee, in each year shall make designations in respect of the amounts payable to holders of Trust Units for such amounts that the Administrator considers to be reasonable in all of the circumstances, including, without limitation, designations relating to taxable dividends received by the Trust in the year on shares of taxable Canadian corporations (or designated in respect of the Trust where the Trust is a beneficiary of another trust), net capital gains realized by the Trust in the year (or designated in respect of the Trust where the Trust is a beneficiary of another trust) and foreign source income of the Trust for the year, as well as elect under subsections 104(13.1) and/or (13.2) of the Tax Act that income be taxed to the Trust, rather than to such Unitholders. Distributions payable to holders of Trust Units pursuant to this Article 5 shall be deemed to be distributions of Income of the Trust, Net Realized Capital Gains, trust capital or other items in such amounts as the Trustee shall, in its absolute discretion, determine. For greater certainty, it is hereby declared that any distribution of Net Realized Capital Gains shall include the non-taxable portion of the capital gains of the Trust which are encompassed in such distribution. Without limiting the generality of the foregoing and in addition to the distributions which are made payable to holders of Trust Units, the Trustee may designate any capital gain realized by the Trust as a result of the redemption of Units pursuant to Section 6.6, and any income attributable to interest accrued on Holding Trust Notes distributed, to the redeeming Unitholders in accordance with that Section.

5.6 Enforceability of Right to Receive Distributions

For greater certainty, it is hereby declared that each holder of Trust Units shall have the legal right to enforce payment of any amount payable to such Unitholder as a result of any distribution, which are payable to such Unitholder pursuant to this Article 5.

5.7 Method of Payment of Distributions

- (a) Where the Administrator, on behalf of the Trustee, determines that the Trust does not have available cash in an amount sufficient to make payment of the full amount of any distribution which has been declared to be payable pursuant to this Article 5 on the due date for such payment, the payment may, at the option of the Administrator, on behalf of the Trustee, include the issuance of additional Trust Units, or fractions of Trust Units, if necessary, having a value equal to the difference between the amount of such distribution and the amount of cash which has been determined by the Administrator, on behalf of the Trustee, to be available for the payment of such distribution.
- (b) The value of each Trust Unit which is issued pursuant to Section 5.7(a) shall be the closing market price (as defined in Section 6.3) of the Trust Units on the applicable Distribution Record Date in respect of a distribution pursuant to Section 5.3, on the applicable Distribution Record Date in respect of a distribution under Section 5.4(a) or December 31 in respect of a distribution under Section 5.4(b), provided that if the particular date is not a Business Day then the closing market price shall be determined on the last Business Day which precedes such particular date.

5.8 Withholding Taxes

The Administrator, on behalf of the Trustee, may deduct or withhold from distributions payable to any holder of Trust Units all amounts required by law to be withheld from such distribution. In addition, Non-Resident Unitholders will be required to pay all withholding taxes payable in respect of any distributions in the form of additional Trust Units under Section 5.7. In the event that withholding taxes are exigible on any distributions or redemption amounts distributed under this Trust Indenture and the Administrator, on behalf of the Trustee, is, or

was, unable to withhold taxes from a particular distribution to a Unitholder or has not otherwise withheld taxes on past distributions to the Unitholder, the Administrator, on behalf of the Trustee, shall be permitted to withhold amounts from other distributions to satisfy the withholding tax obligations.

5.9 Definitions

Unless otherwise specified or the context otherwise requires, any term in this Article 5 which is defined in the Tax Act shall have for the purposes of this Article 5 the meaning that it has in the Tax Act.

ARTICLE 6 REDEMPTION OF TRUST UNITS

6.1 Right of Redemption

Each Unitholder shall be entitled to require the Trust to redeem at any time or from time to time at the demand of the Unitholder all or any part of the Trust Units registered in the name of the Unitholder at the prices determined and payable in accordance with the conditions hereinafter provided.

6.2 Exercise of Redemption Right

- (a) To exercise a Unitholder's right to require redemption under this Article 6, a duly completed and properly executed notice, in a form approved by the Administrator, requiring the Trust to redeem Trust Units shall be sent to the Transfer Agent, together with the Certificate or Certificates representing the Trust Units to be redeemed. The Transfer Agent shall forthwith send such notice and Certificate or Certificates to the Administrator. No form or manner of completion or execution shall be sufficient unless the same is in all respects satisfactory to the Transfer Agent and the Administrator and is accompanied by any further evidence that the Transfer Agent and the Administrator may reasonably require with respect to the identity, capacity or authority of the person giving such notice.
- (b) Upon receipt by the Transfer Agent of the notice to redeem Trust Units, the Unitholder shall thereafter cease to have any rights with respect to the Trust Units tendered for redemption (other than to receive the redemption payment therefor) including the right to receive any distributions thereon which are declared payable to the Unitholders of record on a date which is subsequent to the date of receipt by the Transfer Agent of such notice. Trust Units shall be considered to be tendered for redemption on the date that the Transfer Agent has, to the satisfaction of the Transfer Agent and the Administrator, received the notice, Certificates and other required documents or evidence as aforesaid.

6.3 Calculation of Redemption Price Based on Market Price

Subject to Section 6.6, upon receipt by the Transfer Agent of the notice to redeem Trust Units in accordance with Section 6.2, the holder of the Trust Units tendered for redemption shall be entitled to receive a price per Trust Unit (hereinafter called the "Market Redemption Price") equal to the lesser of:

- (a) 90% of the market price of the Trust Units on the principal market on which the Trust Units are quoted for trading during the 10 trading day period commencing immediately after the date on which the Trust Units were tendered for redemption; and
- (b) the closing market price on the principal market on which the Trust Units are quoted for trading, on the date that the Trust Units were so tendered for redemption.

For the purposes of subsection 6.3(a), the market price shall be an amount equal to the simple average of the closing price of the Trust Units for each of the 10 trading days on the principal market on which the Trust Units are quoted for trading and on which there was a closing price; provided that if the applicable exchange or market

does not provide a closing price but only provides the highest and lowest prices of the Trust Units traded on a particular day, the market price shall be an amount equal to the simple average of the highest and lowest prices for that trading day if there was a trade; and provided further that if there was trading on the applicable exchange or market for fewer than five of the 10 trading days, the market price shall be the simple average of the following prices established for each of the 10 trading days: the average of the last bid and last ask prices for each day on which there was no trading; the closing price of the Trust Units for each day that there was trading if the exchange or market provides a closing price; and the average of the highest and lowest prices of the Trust Units for each day there was trading, if the market provides only the highest and lowest prices of Trust Units traded on a particular day.

For the purposes of subsection 6.3(b), the closing market price shall be an amount equal to the closing price of the Trust Units if there was a trade on the date; an amount equal to the average of the highest and lowest prices of Trust Units if there was trading and the exchange or other market provides only the highest and lowest trading prices of Trust Units traded on a particular day; and the average of the last bid and last ask prices of the Trust Units if there was no trading on the date.

6.4 Cash Payment of Market Redemption Price

Subject to Section 6.5, the Market Redemption Price payable by the Trust in respect of the Trust Units tendered for redemption during any calendar month shall be paid by cheque, drawn on a Canadian chartered bank or a trust company in lawful money of Canada, payable at par to or to the order of the Unitholder who exercised the right of redemption on the last day of the calendar month following the month in which the Trust Units were tendered for redemption. Payments of the Market Redemption Price made by the Trust are conclusively deemed to have been made upon the mailing of a cheque in a postage prepaid envelope addressed to the former Unitholder unless such cheque is dishonoured upon presentment. Upon such payment, the Trust shall be discharged from all liability to the former Unitholder in respect of the Trust Units so redeemed.

6.5 No Cash Redemption in Certain Circumstances

Section 6.4 shall not be applicable to Trust Units tendered for redemption by a holder of Trust Units, if:

- (a) the total amount payable by the Trust pursuant to Section 6.4 in respect of such Trust Units and all other Trust Units tendered for redemption in the same calendar month exceeds \$50,000 (the "Monthly Limit"); provided that the Administrator may, in its sole discretion, waive such limitation in respect of all Trust Units tendered for redemption in any calendar month. Trust Units tendered for redemption in any calendar month in which the total amount payable by the Trust pursuant to Section 6.4 exceeds the Monthly Limit will be redeemed for cash pursuant to Section 6.4 and, unless any applicable regulatory approvals are required, by a distribution *in specie* under Section 6.6 on a *pro rata* basis;
- (b) at the time such Trust Units are tendered for redemption, the outstanding Trust Units are not listed for trading on the Toronto Stock Exchange or traded or quoted on any stock exchange or market which the Administrator considers, in its sole opinion, provides representative fair market value prices for the Trust Units;
- (c) the normal trading of the Trust Units is suspended or halted on any stock exchange on which the Trust Units are listed for trading or, if not so listed, on any market on which the Trust Units are quoted for trading, on the date that such Trust Units tendered for redemption were tendered to the Trust for redemption or for more than five trading days during the 10 day trading period prior to the date on which such Trust Units were tendered for redemption; or
- (d) the redemption of Trust Units will result in the delisting of the Trust Units on the principal stock exchange on which the Trust units are listed.

6.6 In Specie Redemption

If, pursuant to Section 6.5, Section 6.4 is not applicable to Trust Units tendered for redemption by a holder of Trust Units, then such holder of Trust Units shall, instead of the Market Redemption Price per Trust Unit specified in Section 6.3, to be entitled to receive a price per Trust Unit (the "in specie Redemption Price") equal to the fair market value of a Trust Unit as determined by the Administrator in its sole discretion, and the in specie Redemption Price shall, subject to all necessary regulatory approvals, be paid and satisfied by way of a distribution *in specie* of assets from the Trust Fund which may include Series 3 Holding Trust Notes or other assets held by the Trust (other than Holding Trust Units), as determined in the sole discretion of the Administrator. In the event of distributions of Holding Trust Notes, each Holding Trust Note so distributed to the redeeming holder of Trust Units shall be in the principal amount of \$100. No fractional Holding Trust Notes shall be distributed and where the number of Holding Trust Notes to be received upon redemption by a holder of Trust Units would otherwise include a fraction, that number shall be rounded down to the next lowest whole number.

The in specie Redemption Price payable in respect of the Trust Units tendered for redemption during any calendar month shall be paid by the transfer, to or to the order of the holder of Trust Units who exercised the right of redemption, within five Business Days after the end of the calendar month in which the Trust Units were tendered for redemption, of assets from the Trust Fund determined as aforesaid. In respect of any assets from the Trust Fund being transferred in payment of the in specie Redemption Price, the Trust shall be entitled to all interest paid or accrued and unpaid in respect of such assets (including Holding Trust Notes and any other instruments on which interest is accruing), to and including the date of transfer thereof. Payments by the Trust of the in specie Redemption Price are conclusively deemed to have been made upon the mailing of the documents evidencing ownership of the property so distributed by registered mail in a postage prepaid envelope addressed to the former holder of Trust Units. Upon such payment, the Trust shall be discharged from all liability to the former holder of Trust Units in respect of Trust Units so redeemed.

6.7 Purchase for Cancellation

The Trust may from time to time purchase for cancellation some or all of the Trust Units (or other securities of the Trust which may be issued and outstanding from time to time) in the market or upon any recognized stock exchange on which such Trust Units are traded or pursuant to tenders received by the Trust upon request for tenders addressed to all holders of record of Trust Units, provided in each case that the Trustee has determined that such purchases are in the best interests of the Trust.

6.8 Cancellation of Certificates for all Redeemed Trust Units

All Certificates representing Trust Units which are redeemed under this Article 6 shall be cancelled and such Trust Units shall no longer be outstanding and shall not be reissued.

6.9 Withholdings by the Trustee

The Trustee may deduct or withhold from all payments or other distributions payable to any Unitholder pursuant to this Article 6 all amounts required by law to be so withheld.

Any such reappointment or appointment shall be made either by an Ordinary Resolution at such meeting of Unitholders or in the manner set out in Section 7.4. Notwithstanding the foregoing, if the Trustee is

not re-appointed at the meeting of Unitholders held immediately before the term of office of the Trustee expires and if no successor to the Trustee is appointed at that meeting, the Trustee shall continue to hold the office of trustee under this Indenture until such Trustee is reappointed in the manner set out in this Section 7.1 or a successor has been appointed under Section 7.4.

7.2 Resignation of Trustee

The Trustee may resign from the office of trustee hereunder on giving not less than 60 days' notice in writing to the Administrator; provided that no such resignation shall be effective until: (i) a new Trustee has been appointed in the place of the Trustee in the manner set out in Section 7.4; and (ii) the new Trustee has accepted such appointment and has legally and validly assumed all obligations of the Trustee hereunder.

No notice to remove the Trustee under this Section 7.3 shall become effective until: (i) the removal of the Trustee has been approved by a Special Resolution at a meeting of Unitholders duly called for that purpose; (ii) a new Trustee has been appointed in the place of the Trustee in the manner set out in Section 7.4; and (iii) the new Trustee has accepted such appointment and has legally and validly assumed all obligations of the Trustee hereunder.

Subject to Section 7.6, the Administrator may appoint a successor to any Trustee which has been removed under Section 7.3, which has given a notice of resignation under Section 7.2 or which has not been re-appointed under Section 7.1, if the Unitholders fail to do so at the relevant meeting.

No appointment of any successor trustee shall be effective until such successor trustee shall have accepted such appointment and shall have legally and validly assumed all obligations of the Trustee hereunder.

7.5 Failure to Appoint Successor

In the event that no successor Trustee to a Trustee who has delivered a notice of resignation in accordance with Section 7.2 or who has received notice of removal in accordance with Section 7.3, has accepted an appointment within 60 days after the receipt by the Administrator of the notice of resignation or 60 days after the receipt by the Trustee of the notice of removal, the Trustee, the Administrator or any Unitholder may apply to a court of competent jurisdiction for the appointment of a successor to the Trustee. The appointment of such successor by such court shall not require the approval of Unitholders. The Trustee shall be reimbursed by the Trust for all reasonable costs and expenses of the Trustee relating to obtaining court approval of a successor.

7.6 Qualifications of Trustee

The Trustee and any successor to the Trustee or any new Trustee appointed under this Article 7 shall be a corporation incorporated under the laws of Canada or of a province thereof and shall be a resident of Canada for the purposes of the Tax Act. Such corporation must at all times when it is the Trustee be registered under the laws of the

Such rights shall vest in the Trustee whether or not conveyancing or transfer documents have been executed and delivered pursuant to Section 7.7 or otherwise.

7.10 Compensation and Other Remuneration

The Trustee shall be paid by the Trust such fees as may be agreed upon in writing from time to time by the Administrator and the Trustee, and if any such fees are not paid by the Trust within 30 days of the date of any invoice in respect thereof, the Trustee shall be entitled to have such fees paid out of the Trust Fund. Notwithstanding anything to the contrary contained in this Indenture, the obligation of the Trustee to call any meeting pursuant to Article 11 or to commence to wind up the affairs of the Trust pursuant to Article 13 shall be conditional upon the Administrator, Unitholders or any other person furnishing sufficient funds to commence or continue such act, action or proceeding and furnishing an indemnity (to the extent sufficient funds for such purpose are not available in the Trust Fund) reasonably satisfactory to the Trustee to protect and hold harmless the Trustee against the costs, charges, expenses and liabilities to be incurred thereby and any loss and damage it may suffer by reason thereof, and the obligation of the Trustee to commence or continue any act, action or proceeding for the purpose of enforcing the rights of the Trustee and of the Unitholders shall, if required by notice in writing by the Trustee, be subject to the same conditions as to funding and indemnity. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers unless it is indemnified as aforesaid.

8.14 Survival of Indemnities

The indemnities, all limitations of liability and all other provisions for the protection of the Trustee provided for in this Indenture shall survive the termination of this Indenture under Article 13 and the removal or resignation of the Trustee under Article 7.

ARTICLE 9 DELEGATION OF POWERS

9.1 The Administrator

Except as expressly prohibited by law, the Trustee may grant or delegate to the Administrator such authority as the Trustee may in its sole discretion deem necessary or desirable to effect the actual administration of the duties of the Trustee under this Indenture, without regard to whether such authority is normally granted or delegated by trustees. The Trustee may grant broad discretion to the Administrator to administer and manage the day-to-day operations of the Trust, to act as agent for the Trust, to execute documents on behalf of the Trust and to make executive decisions which conform to the general policies and general principles set forth herein or previously established by the Trustee. The Administrator shall have the powers and duties expressly provided for herein and in any other agreement providing for the management or administration of the Trust (including the Administration Agreement) including, without limitation, the power to retain and instruct such appropriate experts or advisors to assist it to perform its duties and obligations (and the Administrator shall notify the Trustee of the name of the person or persons retained or instructed and the terms and conditions thereof). The Trustee is authorized to enter into the Administration Agreement with the Administrator pursuant to the authority provided for hereunder, contemporaneously with this Indenture.

Without limiting the foregoing, the Trustee hereby delegates to the Administrator the power, authority and responsibility for any and all matters in relation to:

- (a) any Offering including:
- (i) all matters concerning the terms of and the sale or issuance of: (i) Trust Units or any rights, warrants (including so called "special warrants" or "subscription receipts" which may be exercisable for no additional consideration), options or other securities to purchase, convert into or exchange into Trust Units on such terms and conditions as the Board of Directors may determine, including without limitation, instalment receipts or similar securities; (ii) Special Voting Rights; or (iii) any debentures, notes or evidences of indebtedness of the Trust.
 - (ii) the terms of and all matters concerning any Underwriting Agreement;
 - (iii) the filing of documents or obtaining of permission from any governmental or regulatory authority or the taking of any other step under federal or provincial law to enable securities which a Unitholder is entitled to receive to be properly and legally delivered and thereafter traded;
 - (iv) ensuring compliance with all applicable laws;
 - (v) all matters relating to the content of any Offering Documents, the accuracy of the disclosure contained therein, and the certification thereof; and
 - (vi) the listing and maintaining of the listing of the Trust Units on the Toronto Stock Exchange or such other or additional stock exchanges;
- (b) the consideration of, or response to, an offer for Trust Units or for all or substantially all of the property and assets of the Trust or any other Subsidiary of the Trust (an "Offer") including:
- (i) any Unitholder rights protection plan (or amendment or waiver thereof) either prior to or during the course of any Offer;
 - (ii) any defensive action either prior to or during the course of any Offer, the consideration of alternatives to any Offer which shall include continuing the Trust in its current form;
 - (iii) the preparation of any "Directors' Circular" in response to any Offer;
 - (iv) consideration on behalf of Unitholders and recommendations to Unitholders in response to any Offer;
 - (v) any regulatory or court action in respect of any related matters; and
 - (vi) the carriage of all related and ancillary matters,
- provided that notwithstanding the foregoing, the Trustee shall not be required to execute any "Directors' Circular" or similar public disclosure document. For greater certainty, the Trustee shall have no liability whatsoever for any of such actions, as they shall be exclusively within the authority of the Administrator;
- (c) the Arrangement, the Arrangement Agreement, the Plan and any amendments thereto; and
- (d) the powers and authorities of the Trust that are necessary or desirable to enable the Administrator to fully implement each decision made by it within the scope of the power, authority and responsibility delegated to it hereunder or pursuant to the Administration Agreement including, without limitation, the power to further delegate from time to time, such powers and authorities, or any of them and the ability to execute documents or instruments on behalf of the Trust, to such

person or persons the Administrator determines appropriate and qualified to exercise such power and authorities,

The Administrator accepts such delegation and agrees that, in respect of such matters hereby delegated or subsequently delegated (and which the Administrator accepts), it shall carry out its functions honestly, in good faith and in the best interests of the Trust and, in connection therewith, shall exercise that degree of care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances.

The Administrator (or any of its agents, servants, employees, contractors or delegates) may execute any agreements on behalf of the Trust as the Administrator shall have authorized within the scope of any authority delegated to it hereunder or under the Administration Agreement.

9.2 Public Disclosure Documents

Notwithstanding anything to the contrary contained herein, the Trustee shall have all power and authority with respect to the matters set forth in this Section 9.2, however, the Trustee shall not have any liability or responsibility in respect of prospectuses, offering memoranda, rights offering circulars, financial statements, management's discussion and analysis, annual information forms, proxy or information circulars, takeover bid or issuer bid circulars, material change reports, press releases or other public disclosures or filings required by law or the rules or policies of securities regulatory authorities or stock exchanges, or any agreements related thereto (including, without limitation, stock exchange related matters, underwriting and indemnity agreements and ancillary matters). Such matters shall be the sole and exclusive responsibility of the Administrator, not by way of a delegation but by way of an allocation of responsibilities under this Indenture. In furtherance thereof, where certification is required under securities laws, the Administrator (which may authorize any directors or officers of the Administrator to do so) shall execute such certification on behalf of the Trust, and shall seek not to have any certification on behalf of the Trust by the Trustee, and in addition shall sign prospectuses as a promoter if requested by the Trustee (and provide an issuer-like right of action and waive any available due diligence defences).

9.3 Liability of Trustee

The Trustee shall have no liability or responsibility for any matters delegated to the Administrator or to the Board of Directors hereunder or under the Administration Agreement, and the Trustee, in relying upon the Administrator and in entering into the Administration Agreement, shall be deemed to have complied with its obligations under Section 8.6 and shall be entitled to the benefit of the indemnities, limitations of liability and other protection provisions provided for herein.

9.4 Compliance

The Administrator shall be required to notify the Trustee of any defaults hereunder or under the Administration Agreement of which it becomes aware, and to provide an annual compliance certificate in form and substance satisfactory to the Trustee, acting reasonably, with respect to the satisfaction of its obligations under this Indenture and the Administration Agreement.

ARTICLE 10 AMENDMENT

10.1 Amendment

Except as specifically provided otherwise herein, the provisions of this Indenture may only be amended by the Trustee with the consent of the Unitholders by Special Resolution.

The provisions of this Indenture may be amended by the Trustee at any time or times, without the consent, approval or ratification of any of the Unitholders, for the purpose of:

- (a) ensuring that the Trust will comply with any applicable laws or requirements of any governmental agency or authority of Canada or of any province;
- (b) ensuring that the Trust will satisfy the provisions of each of subsections 108(2) and 132(6) of the Tax Act, as from time to time amended or replaced;
- (c) ensuring that such additional protection is provided for the interests of Unitholders as the Trustee may consider expedient;
- (d) removing or curing any conflicts or inconsistencies between the provisions of this Indenture or any supplemental indenture and any other agreement of the Trust or any Offering Document, or any applicable law or regulation of any jurisdiction, provided that in the opinion of the Trustee the rights of the Trustee and of the Unitholders are not materially prejudiced thereby;
- (e) curing, correcting or rectifying any ambiguities, defective or inconsistent provisions, errors, mistakes or omissions, provided that in the opinion of the Trustee the rights of the Trustee and of the Unitholders are not materially prejudiced thereby;
- (f) making such other amendments which in the opinion of the Trustee are necessary or desirable as a result of changes or proposed changes in taxation or other laws or the administration or enforcement thereof; or
- (g) to change the *situs* of, or the laws governing, the Trust which, in the opinion of the Trustee is desirable in order to provide Unitholders with the benefit of any legislation limiting their liability.

Notwithstanding the foregoing, no amendment shall reduce the percentage of votes required to be cast at a meeting of the Unitholders for the purpose of amending this Section 10.1 without the consent of the holders of all of the Trust Units then outstanding.

10.2 Notification of Amendment

As soon as shall be practicable after the making of any amendment pursuant to Section 10.1 and in any event not later than the date the Trust is required to provide the financial disclosure in Section 17.3, the Trustee shall furnish written notification of the substance of such amendment to each Unitholder.

10.3 Amendments Prior to the Effective Date

Notwithstanding Sections 11.5 and 14.1, on or before the Effective Date, the Trustee shall execute and deliver such indentures or instruments supplemental hereto or in restatement hereof, which may add to, delete, amend, vary or change any of the provisions hereof, as the Administrator may direct in writing and as may be necessary to give proper effect to the intent and purpose of the Arrangement.

ARTICLE 11 MEETINGS OF UNITHOLDERS

11.1 Annual and Special Meetings of Unitholders

- (a) Annual meetings of the Unitholders shall be called by the Trustee commencing in 2006, on a day, at a time and at a place to be set by the Administrator. The business transacted at an annual meeting shall include:
 - (i) the election of the Board of Directors;
 - (ii) the appointment of the Auditors for the Trust, Holding Trust and the Partnership to hold office until the next annual meeting;

- (iii) the placing before the Unitholder of the financial statements of the Trust for the previous financial period;

 - (v) such other business as the Trustee may decide.
- (b) Special meetings of the Unitholders may be called at any time by the Trustee.
- (c) Unitholders and Special Unitholders holding in the aggregate not less than 5% of all votes entitled to be voted at a meeting of Unitholders may requisition the Trustee to call a special meeting of Unitholders for the purposes stated in the requisition. The requisition shall (A) be in writing, (B) set forth the name and address of, and number of Trust Units and Special Voting Rights (and votes attached thereto which, in the aggregate, must not be less than 5% of all votes entitled to be voted at a meeting of Unitholders) held by, each person who is supporting the requisition, and (C) shall state in reasonable detail the business to be transacted at the meeting and shall be sent to the Trustee. Upon receiving a requisition complying with the foregoing, the Trustee shall call a meeting of Unitholders to transact the business referred to in the requisition, unless:
- (i) a record date for a meeting of Unitholders has been fixed and notice thereof has been given to each stock exchange in Canada on which the Trust Units are listed for trading;
 - (ii) the Trustee has called a meeting of Unitholders and has given notice thereof pursuant to Section 11.2; or
 - (iii) in connection with the business as stated in the requisition:
 - (A) it clearly appears that a matter covered by the requisition is submitted by the Unitholder or Special Unitholder primarily for the purpose of enforcing a personal claim or redressing a personal grievance against the Trust, the Trustee, the Administrator (or any Associate or Affiliate of the Administrator), or the Unitholders, or primarily for the purpose of promoting general economic, political, religious, social or similar causes or primarily for a purpose that does not relate in a significant way to the business or affairs of the Trust;
 - (B) the Trust, at the Unitholder's or Special Unitholder's request, had previously included a matter substantially the same as a matter covered by the requisition in an information circular relating to a meeting of Unitholders held within 30 months preceding the receipt of such requisition and the Unitholder or Special Unitholder failed to present the matter, in person or by proxy, at the meeting;
 - (C) substantially the same matter covered by the requisition was submitted to Unitholders in an information circular relating to a meeting of Unitholders held within 30 months preceding the receipt of such requisition and the matter covered by the requisition was defeated; or
 - (D) the rights conferred by subsection 11.1(c) are being abused to secure publicity.
- (d) If the Trustee does not, within 21 days after receiving the requisition, call a meeting (except where the grounds for not calling the meeting are one or more of those set forth in subsection 11.1(c) above), any Unitholder or Special Unitholder who signed the requisition may call the meeting in accordance with the provisions of Article 11, mutatis mutandis.

- (e) Meetings of Unitholders shall be held in Calgary, Alberta, or at such other place as the Trustee shall designate.
- (f) The chairman of any annual or special meeting shall be a person designated by the Trustee for the purpose of such meeting except that, on the motion of any Unitholder or Special Unitholder, any person present at such meeting may be elected as chairman by a majority of the votes cast at the meeting instead of such designated person or in the event that no person shall be designated by the Trustee.
- (g) The Trustee shall place before any annual meeting to consider the election of directors, as nominee for election as a director, those persons it considers appropriate which shall include those persons designated by the Board of Directors.

11.2 Notice of Meetings

Notice of all meetings of Unitholders shall be given by unregistered mail postage prepaid addressed to each Unitholder and Special Unitholder at his registered address, mailed at least 21 days and not more than 50 days before the meeting. Such notice shall set out the time when, and the place where, such meeting is to be held and shall specify the nature of the business to be transacted at such meeting in sufficient detail to permit a Unitholder to form a reasoned judgement thereon, together with the text of any special resolution in substantially the final form proposed to be passed. Any adjourned meeting may be held as adjourned without further notice. The accidental omission to give notice to or the non-receipt of such notice by the Unitholders and Special Unitholders shall not invalidate any resolution passed at any such meeting.

11.3 Quorum

At any meeting of Unitholders, subject as hereinafter provided, a quorum shall consist of two or more persons either present in person or represented by proxy and representing in the aggregate not less than 5% of the votes attaching to outstanding Trust Units. For the purposes of determining such quorum, the holders of any issued Special Voting Rights who are present at the meeting shall be regarded as representing outstanding Trust Units equivalent in number to the votes attaching to such Special Voting Rights. If a quorum is not present at the appointed place on the date for which the meeting is called within one-half hour after the time fixed for the holding of such meeting, the meeting, if convened on the requisition of Unitholders, shall be dissolved, but in any other case it shall stand adjourned to such day being not less than 21 days later and to such place and time as may be appointed by the chairman of the meeting. If at such adjourned meeting a quorum as above defined is not present, the Unitholders present either personally or by proxy shall form a quorum, and any business may be brought before or dealt with at such an adjourned meeting which might have been brought before or dealt with at the original meeting in accordance with the notice calling the same.

11.4 Voting Rights of Unitholders

Only Unitholders and Special Unitholders of record shall be entitled to vote at any meeting of the Unitholders. Each Trust Unit shall entitle the holder or holders of that Trust Unit to one vote; each Special Voting Right shall entitle the holder thereof to such number of votes as may be prescribed in the resolution of the Board of Directors authorizing the issuance of such Special Voting Right. Every question submitted to a meeting, other than a Special Resolution, shall, unless a poll vote is demanded, be decided by a show of hands vote, on which every person present and entitled to vote shall be entitled to one vote. At any meeting of Unitholders, any holder of Trust Units entitled to vote thereat may vote by proxy and a proxy need not be a Unitholder, provided that no proxy shall be voted at any meeting unless it shall have been placed on file with the Trustee, or with such agent of the Trustee as the Trustee may direct, for verification at least 24 hours prior to the commencement of such meeting. If approved by the Trustee, proxies may be solicited in the name of the Trustee. When any Trust Unit is held jointly by several persons, any one of them may vote at any meeting in person or by proxy in respect of such Trust Unit, but if more than one of them shall be present at such meeting in person or by proxy, and such joint owners or their proxies so present disagree as to any vote to be cast, the joint owner present or represented whose name appears first in the register maintained pursuant to Section 12.3 shall be entitled to cast such vote.

11.5 Resolutions

- (a) The Trustee shall in accordance with an Ordinary Resolution passed by the Unitholders and Special Unitholders change the Auditors as provided in Section 16.3.
- (b) The Trustee shall in accordance with a Special Resolution passed by Unitholders and Special Unitholders:
 - (i) subject to Section 10.1, amend this Indenture;
 - (ii) subdivide or consolidate Trust Units other than as provided for in Section 3.9;
 - (iii) sell, lease or otherwise dispose of all or substantially all of the assets of the Trust;
 - (iv) resign if removed pursuant to Section 7.3; and
 - (v) commence to wind-up and wind-up the affairs of the Trust if requested pursuant to Section 13.2.

Except with respect to the matters set out in this Section 11.5 and the matters set forth in Sections 7.3, 7.4, 8.3 and 13.2 hereof, no action taken by the Unitholders and Special Unitholders and no resolution of the Unitholders and Special Unitholders at any meeting shall in any way bind the Trustee. Any action taken or resolution passed in respect of any matter pursuant to this Indenture at a meeting of Unitholders and Special Unitholders shall be by Special Resolution unless the contrary is otherwise expressly provided under any specific provision of this Indenture.

11.6 Meaning of "Special Resolution"

The expression "Special Resolution" means, subject as hereinafter in this section provided, a resolution proposed to be passed as a special resolution passed by not less than 66 2/3% of the votes cast, either in person or by proxy, at a meeting of Unitholders (including an adjourned meeting) duly convened for the purpose of approving such resolution and held in accordance with the provisions of this Indenture at which two or more holders of at least 5% of the aggregate number of Trust Units then outstanding are present in person or represented by proxy, or approved in writing by the holders of not less than 66 2/3% of the Trust Units entitled to be voted on such resolution. For the purposes of determining such percentage, the holders of any issued Special Voting Right who are present at the meeting or who sign such approval in writing shall be regarded as representing outstanding Trust Units equivalent in number to the votes attaching to such Special Voting Rights.

If, at any such meeting, the holders of 5% of the aggregate number of Trust Units outstanding are not present in person or represented by proxy within 30 minutes after the time appointed for the meeting, then the meeting, if convened by or on the requisition of Unitholders, shall be dissolved; but in any other case it shall stand adjourned to such date, being not less than 21 nor more than 60 days later, and to such place and time as may be appointed by the chairman. Not less than 10 days' prior notice shall be given of the time and place of such adjourned meeting in the manner provided in Section 11.2. Such notice shall state that at the adjourned meeting the Unitholders present in person or represented by proxy shall form a quorum but it shall not be necessary to set forth the purposes for which the meeting was originally called or any other particulars. At the adjourned meeting, the Unitholders present in person or represented by proxy shall form a quorum and may transact the business for which the meeting was originally convened, and a resolution proposed at such adjourned meeting and passed by the requisite vote as provided in this Section 11.6 shall be a Special Resolution within the meaning of this Indenture, notwithstanding that the holders of less than 5% of the aggregate number of Trust Units then outstanding are present in person or represented by proxy at such adjourned meeting.

Votes on any Special Resolution shall always be given on a poll and no demand for a poll on any Special Resolution shall be necessary. No Special Resolution changing or amending any provision hereof relating to or affecting: (i) the Trustee, including the qualification, powers, authorities, appointment, removal or resignation

thereof; or (ii) the provisions of Articles 10, 11 or 13, shall be effective prior to 60 days from the adoption thereof in accordance with the provisions hereof.

11.7 Record Date for Voting

For the purpose of determining the Unitholders and Special Unitholders who are entitled to receive notice of and vote or act at any meeting or any adjournment thereof, the Trustee may fix a date not more than 50 days and not less than 21 days prior to the date of any meeting of Unitholders as a record date for the determination of Unitholders and Special Unitholders entitled to receive notice of and vote at such meeting or any adjournment thereof, and any Unitholder or Special Unitholder who was a Unitholder or Special Unitholder at the time so fixed shall be entitled to receive notice of and vote at such meeting or any adjournment thereof even though such person has since that time disposed of his Trust Units, and no Unitholder or Special Unitholder becoming such after that time shall be entitled to receive notice of or vote at such meeting or any adjournment thereof. In the event that the Trustee does not fix a record date for any meeting of Unitholders and Special Unitholder, the record date for such meeting shall be the Business Day immediately preceding the date upon which notice of the meeting is given as provided under Section 11.2.

11.8 Binding Effect of Resolutions

Every Ordinary Resolution and every Special Resolution:

- (a) passed in accordance with the provisions of this Indenture at a meeting of Unitholders and Special Unitholders shall be binding upon all the Unitholders and Special Unitholders, if any, as the case may be, whether present at or absent from such meeting; or
- (b) approved in writing by Unitholders and Special Unitholders in accordance with the provisions of this Indenture shall be binding upon all the Unitholders and Special Unitholders, if any, as the case may be;

and each Unitholder and Special Unitholder, if any, as the case may be, shall be bound to give effect accordingly to every such Ordinary Resolution and Special Resolution.

11.9 Solicitation of Proxies

A Unitholder or Special Unitholder shall have the right to appoint a proxy, who need not be a Unitholder or Special Unitholder, to attend and act for the Unitholder at any meeting of Unitholders and Special Unitholders, if any, as the case may be. The Trustee shall solicit proxies from Unitholders and Special Unitholders in connection with all meetings of Unitholders and Special Unitholders. In connection therewith, the Trustee shall comply, to the extent possible, with all provisions of the *Business Corporations Act* (Alberta) and the requirements of Canadian securities legislation applicable to the solicitation of proxies.

11.10 No Breach

Notwithstanding any provision of this Indenture, neither the Unitholders nor Special Unitholders shall have the power to effect any amendment hereto which would require the Trustee to take any action or conduct the affairs of the Trust in a manner which would constitute a breach or default by the Trust or the Trustee under any agreement or obligation binding on the Trust or the Trustee.

ARTICLE 12 CERTIFICATES, REGISTRATION AND TRANSFER OF TRUST UNITS

12.1 Nature of Trust Units

The nature of a Trust Unit and the relationship of a Unitholder to the Trustee and the relationship of one Unitholder to another is as described in Sections 2.4 and 2.5 and the provisions of this Article 12 shall not in any

way alter the nature of Trust Units or the relationship of a Unitholder to the Trustee and of one Unitholder to another, but are intended only to facilitate the issuance of Certificates evidencing the ownership of Trust Units and the recording of all such transactions whether by the Trust, securities dealers, stock exchanges, transfer agents, registrars or other persons.

12.2 Certificates

The form of certificate evidencing Trust Units shall be substantially as set out in the Schedule hereto or such other form as is authorized from time to time by the Administrator for and on behalf of the Trustee. Each such certificate shall bear an identifying serial number and shall be signed by the Trustee or, if appointed by the Trustee, the Administrator, and shall be countersigned and registered by the Transfer Agent. Any signature by or on behalf of the Trustee or the Administrator appearing on such certificate may be printed, lithographed or otherwise mechanically reproduced thereon, and any Certificate so signed shall be as valid as if it had been signed manually. Any such certificate so signed, countersigned and registered shall be valid notwithstanding that one or more of the persons whose signature is printed, lithographed or otherwise mechanically reproduced no longer holds office at the date of issuance of such certificate. Certificates may be engraved, printed or lithographed, or partly in one form and partly in another, as the Trustee may determine.

12.3 Register of Unitholders

A register shall be maintained at the principal corporate trust office of the Transfer Agent in Calgary, Alberta, which register shall contain the names and addresses of the Unitholders, the respective numbers of Trust Units held by them, the numbers of the Certificates evidencing such Trust Units and a record of all transfers thereof. Branch transfer registers shall be maintained at an office of the Transfer Agent in Toronto, Ontario and at such other offices of the Transfer Agent as the Trustee may from time to time designate. Except in the case of the register required to be maintained at Calgary, Alberta, the Trustee shall have the power at any time to close any register of transfers and in that event shall transfer the records thereof to another existing register or to a new register.

Only Unitholders whose Trust Units are recorded in the register shall be entitled to receive distributions or to exercise or enjoy the rights of Unitholders hereunder. The Trustee shall have the right to treat the person registered as a Unitholder on the register of the Trust as the owner of such Trust Units for all purposes, including, without limitation, payment of any distribution, giving notice to Unitholders and determining the right to attend and vote at meetings of Unitholders, and the Trustee shall not be bound to recognize any transfer, pledge or other disposition of a Trust Unit or any attempt to transfer, pledge or dispose of a Trust Unit, or any beneficial interest or equitable or other right or claim with respect thereto, whether or not the Trustee shall have actual or other notice thereof, until such Trust Unit shall have been transferred on the register of the Trust as herein provided.

The register and branch transfer registers referred to in this Section 12.3 shall at all reasonable times be open for inspection by the Unitholders, the Administrator and the Trustee.

12.4 Transfer of Trust Units

Subject to the provisions of this Article 12 and Section 3.10, the Trust Units shall be fully transferable without charge as between persons, but no transfer of Trust Units shall be effective as against the Trustee or shall be in any way binding upon the Trustee until the transfer has been recorded on the register or one of the branch transfer registers maintained by the Transfer Agent. No transfer of a Trust Unit shall be recognized unless such transfer is of a whole Trust Unit.

Subject to the provisions of this Article 12 and Section 3.10, Trust Units shall be transferable on the register or one of the branch transfer registers only by the Unitholders of record thereof or their executors, administrators or other legal representatives or by their agents duly authorized in writing, and only upon delivery to the Trustee or to the Transfer Agent of the Certificate therefor, if Certificates are issued, properly endorsed or accompanied by a duly executed instrument of transfer and accompanied by all necessary transfer or other taxes imposed by law, together with such evidence of the genuineness of such endorsement, execution and authorization and other matters as may reasonably be required by the Trustee. Upon such delivery the transfer shall be recorded on

the register of Unitholders and a new Certificate for the residue thereof (if any) shall be issued to the transferor. Unless the Administrator agrees to assume liability for transfer and exchange fees, the Unitholders shall be responsible for such fees and expenses.

Any person becoming entitled to any Trust Units as a consequence of the death, bankruptcy or incompetence of any Unitholder or otherwise by operation of law shall be recorded as the holder of such Trust Units and shall receive a new Certificate therefor only upon production of evidence satisfactory to the Trustee thereof and delivery of the existing Certificate to the Trustee, and until such record is made the Unitholder of record shall continue to be and be deemed to be the holder of such Trust Units for all purposes whether or not the Trustee shall have actual or other notice of such death or other event.

12.5 Trust Units Held Jointly or in a Fiduciary Capacity

The Trustee may treat two or more persons holding any Trust Units as joint owners of the entire interest therein unless their ownership is expressly otherwise recorded on the register of the Trust, but no entry shall be made in the register or on any Certificate that any person is in any other manner entitled to any future, limited or contingent interest in any Units; provided, however, that any person recorded as a Unitholder may, subject to the provisions hereinafter contained, be described in the register or on any Certificate as a fiduciary of any kind and any customary words may be added to the description of the holder to identify the nature of such fiduciary relationship. Where any Certificate is registered in more than one name, the distributions (if any) in respect thereof may be paid to the order of all such holders failing written instruction from them to the contrary, and such payment shall be a valid discharge to the Trustee and any Transfer Agent. In the case of the death of one of more joint holders, the distributions (if any) in respect of any Trust Units may be paid to the survivor or survivors of such holders, and such payment shall be a valid discharge to the Trustee and any Transfer Agent.

12.6 Performance of Trust

The Trustee, the Unitholders and any director, officer, employee or agent of the Trustee shall not be bound to be responsible for or otherwise inquire into or ensure the performance of any trust, whether express, implied or constructive, or of any charge, pledge or equity to which any of the Trust Units or any interest therein are or may be subject, or to ascertain or enquire whether any transfer of any such Trust Units or interests therein by any such Unitholder or by his personal representatives is authorized by such trust, charge, pledge or equity, or to recognize any person as having any interest therein except for the person recorded as a Unitholder.

12.7 Lost Certificates

In the event that any Certificate is lost, stolen, destroyed or mutilated, the Trustee may authorize the issuance of a new Certificate for the same number of Trust Units in lieu thereof. The Trustee may in its discretion, before the issuance of such new certificate, require the owner of the lost, stolen, destroyed or mutilated Certificate, or the legal representative of the owner, to make an affidavit or statutory declaration setting forth such facts as to the loss, theft, destruction or mutilation as the Trustee may deem necessary, to surrender any mutilated Certificate, and to supply to the Trustee a "lost certificate bond" or a similar bond in such reasonable sum as the Trustee may direct indemnifying the Trustee and its agent for so doing. The Trustee shall have the power to require from an insurer or insurers a blanket lost security bond or bonds in respect of the replacement of lost, stolen, destroyed or mutilated Certificates. The Trustee shall pay all premiums and other funds of money payable for such purpose out of the Trust Fund with such contribution, if any, by those insured as may be determined by the Trustee in its sole discretion. If such blanket lost security bond is required, the Trustee may authorize and direct (upon such terms and conditions as the Trustee may from time to time impose) any agent to whom the indemnity of such bond extends to take such action to replace any lost, stolen, destroyed or mutilated Certificate without further action or approval by the Trustee.

12.8 Death of a Unitholder

The death of a Unitholder during the continuance of the Trust shall not terminate the Trust or any of the mutual or respective rights and obligations created by or arising under this Indenture, nor give such Unitholder's

personal representative a right to an accounting or to take any action in court or otherwise against other Unitholders, the Trust, the Trustee or the Trust Fund, but shall entitle the personal representatives of the deceased Unitholder to demand and receive, pursuant to the provisions hereof, a new Certificate for Trust Units in place of the Certificate held by the deceased Unitholder, and upon the acceptance thereof such personal representatives shall succeed to all rights of the deceased Unitholder under this Indenture.

12.9 Unclaimed Interest or Distribution

In the event that the Trustee shall hold any amount of interest or other distributable amount which is unclaimed or which cannot be paid for any reason, the Trustee shall be under no obligation to invest or reinvest the same. The Trustee shall, as and when required by law, and may at any time prior to such required time, pay all or part of such interest or other distributable amount so held to the Public Trustee (or other appropriate government official or agency) whose receipt shall be a good discharge and release of the Trustee.

12.10 Exchanges of Certificates

Certificates evidencing any number of Trust Units may be exchanged without charge for Certificates evidencing an equivalent number of Trust Units in the aggregate. Any exchange of Certificates may be made at the offices of the Trustee or at the offices of any Transfer Agent where registers are maintained for the Certificates pursuant to the provisions of this Article 12. Any Certificates tendered for exchange shall be surrendered to the Trustee or appropriate Transfer Agent and shall be cancelled.

12.11 Offer for Trust Units

- (a) In this Section 12.11:
- (i) **"Dissenting Unitholder"** means a Unitholder who does not accept an Offer referred to in subsection 12.11(b) and includes any assignee of the Trust Unit of a Unitholder to whom such an Offer is made, whether or not such assignee is recognized under this Indenture;

- (i) within the time provided in the Offer for its acceptance or within 45 days after the date the Offer is made, whichever period is the shorter, the Offer is accepted by Unitholders representing at least 90% of the outstanding Trust Units, other than the Offeror's Trust Units;

- (ii) the Offeror is bound to take up and pay for, or has taken up and paid for the Trust Units of the Unitholders who accepted the Offer; and
- (iii) the Offeror complies with subsections 12.11(c) and (e);

the Offeror is entitled to acquire, and the Dissenting Unitholders are required to sell to the Offeror, the Trust Units held by the Dissenting Unitholders for the same consideration per Trust Unit payable or paid, as the case may be, under the Offer.

- (c) Where an Offeror is entitled to acquire Trust Units held by Dissenting Unitholders pursuant to subsection 12.11(b), and the Offeror wishes to exercise such right, the Offeror shall send by registered mail within 30 days after the date of termination of the Offer a notice (the "Offeror's Notice") to each Dissenting Unitholder stating that:

and the Trustee is hereby appointed the agent and attorney of the Dissenting Unitholders for the purposes of giving effect to the foregoing provisions.

- (h) An Offeror cannot make an Offer for Trust Units unless, concurrent with the communication of the Offer to any Unitholder, a copy of the Offer is provided to the Trust.

ARTICLE 13 TERMINATION

13.1 Termination Date

Subject to the other provisions of this Indenture, the Trust shall continue for a term ending on the earlier of December 31, 2104 and the date which is the day prior to the date, if any, the Trust would otherwise be void by virtue of any applicable rule against perpetuities then in force in Alberta. For the purpose of terminating the Trust by such date, the Trustee shall commence to wind-up the affairs of the Trust on such date as may be determined by the Trustee, being not more than two years prior to the end of the term of the Trust.

13.2 Extension or Termination by Special Resolution of Unitholders

The Unitholders may vote by Special Resolution to extend the term of, or terminate, the Trust at any meeting of Unitholders duly called for the purpose; provided that a vote to terminate the Trust may be held only if it is requested in writing by the holders of not less than 25% of the outstanding Trust Units and a quorum of holders of not less than 50% of the outstanding Trust Units are present in person or represented by proxy at the meeting or any adjournment thereof at which the vote is taken. If the Unitholders vote to terminate the Trust, the Trustee shall commence to wind-up the affairs of the Trust.

13.3 Procedure Upon Termination

Forthwith upon being required to commence to wind-up the affairs of the Trust, the Trustee shall give notice thereof to the Unitholders, which notice shall designate the time or times at which Unitholders may surrender the Certificates evidencing their Trust Units for cancellation and the date at which the register of the Trust shall be closed.

13.4 Powers of the Trustee upon Termination

After the date on which the Trustee is required to commence to wind up the affairs of the Trust, the Trustee shall carry on no activities except for the purpose of winding-up the affairs of the Trust as herein provided and, for this purpose, the Trustee shall continue to be vested with and may exercise all or any of the powers conferred upon the Trustee under this Indenture.

13.5 Sale of Investments

After the date referred to in Section 13.4, the Trustee shall proceed to wind-up the affairs of the Trust as soon as may be reasonably practicable and for such purpose shall, subject to the terms of any agreements binding on or obligations of the Trust and the Trustee, sell and convert into money assets comprising the Trust Fund in one

transaction or in a series of transactions at public or private sale and do all other acts appropriate to liquidate the Trust Fund, and shall in all respects act in accordance with the directions, if any, of the Unitholders in respect of termination authorized under Section 13.2. Notwithstanding anything herein contained, in no event shall the Trust be wound up until all royalties acquired by the Trust shall have been disposed of, and under no circumstances shall any Unitholder come into possession of any interest in a royalty or net profits interest.

13.6 Distribution of Proceeds

After paying, retiring or discharging or making provision for the payment, retirement or discharge of all known liabilities and obligations of the Trust and providing for indemnity against any other outstanding liabilities and obligations, the Trustee shall distribute the remaining part of the proceeds of the sale of the assets together with any cash forming part of the Trust Fund among the Unitholders of record in accordance with their respective Pro Rata Shares.

13.7 Further Notice to Unitholders

If all of the Unitholders shall not have surrendered the Certificates evidencing their Trust Units for cancellation within six months after the time specified in the notice referred to in Section 13.3, the Trust Units evidenced by the Certificates that have not been surrendered shall be deemed to be cancelled without prejudice to the rights of the holders of such Trust Units to receive their Pro Rata Share of the amounts referred to in Section 13.6 and the Trustee may either take appropriate steps, or appoint an agent to take appropriate steps, to contact such Unitholders (deducting all expenses thereby incurred from the amounts to which such Unitholders are entitled as aforesaid) or, in the discretion of the Trustee, may pay such amounts into court.

13.8 Responsibility of Trustee after Sale and Conversion

The Trustee shall be under no obligation to invest the proceeds of any sale of the assets or cash forming part of the Trust Fund after the date referred to in Section 13.4, and after such sale, the sole obligation of the Trustee under this Indenture shall be to hold such proceeds in trust for distribution under Section 13.6.

13.9 Termination of Trust

The Trust shall terminate when all of the assets of the Trust have been sold, all known and other outstanding debts, liabilities and obligations of the Trust have been paid, retired, discharged or provided for and the amounts referred to in Section 13.6 have been distributed or paid into court as provided in this Article 13. In no event shall the winding-up of the affairs of the Trust exceed ten years.

ARTICLE 14 SUPPLEMENTAL INDENTURES

14.1 Provision for Supplemental Indentures

From time to time, the Trustee and the Administrator may, and they shall when so directed in accordance with the provisions hereof, execute and deliver by their proper officers indentures or instruments supplemental hereto, which thereafter shall form part hereof, for any one or more or all of the following purposes:

- (b) provide, or cause to be provided, all information as may be reasonably requested by the Administrator, and promptly notify the Administrator of any material facts or information of which it is aware, in relation to and which may affect the performance of the obligations, covenants or responsibilities of the Administrator pursuant to this Agreement, including any known material facts or material changes in the business, operations or capital of the Trust or the Holding Trust (as the case may be), or any known pending or threatened suits, actions, claims, proceedings or orders by or against the Trust, the Holding Trust or any of their affiliates before any court or administrative tribunal.

**ARTICLE 6
ACTIVITIES OF ADMINISTRATOR**

6.1 Standard of Care and Delegation

- (a) In exercising its powers and discharging its duties under this Agreement, the Administrator shall exercise the powers and discharge the duties conferred hereunder honestly, in good faith and in the best interests of the Trust and the Holding Trust and in connection therewith shall exercise that degree of care, diligence and skill that a reasonably prudent trustee having responsibilities of a similar nature would exercise in comparable circumstances.
- (b) Subject to the prior approval of the Trustee or the Holding Trust Trustee (as applicable) of the delegation of any material obligations, which approval will not be unreasonably withheld, the Administrator may delegate specific aspects of its obligations hereunder to any other person, provided that such delegation shall not relieve the Administrator of any of its obligations under this Agreement.
- (c) Notwithstanding subsection 6.1(b), the Administrator shall not in any manner, directly or indirectly, be liable or held to account for the activities or inactivity of any person to which any such obligations may have been delegated, provided that in making such specific delegation, the Administrator acted in accordance with this Section 6.1. Where possible, the Administrator will structure any delegation in a manner that will permit the Trustee on behalf of the Trust or the Holding Trust Trustee on behalf of Holding Trust (as the case may be), to bring an action directly against the delegates.

6.2 Reliance

In carrying out its duties hereunder, the Administrator and its delegates shall be entitled to rely on:

- (a) statements of fact of other persons (any of which may be persons with whom the Administrator is affiliated or associated) who are considered by the Administrator, acting reasonably, to be knowledgeable of such facts; and

- (b) statements, the opinion or advice of or information from any solicitor, auditor, valuator, engineer, surveyor, appraiser or other expert selected by the Administrator, provided that the Administrator exercised reasonable care and diligence in selecting such person to provide such statements, opinion, advice or information; and may employ such experts as may be necessary to the proper discharge of its duties.

The Administrator may rely, and shall be protected in acting, upon any instrument or other documents believed by it to be genuine and in force.

6.3 Liability of Administrator

The Administrator shall not be liable, answerable or accountable to the Trust, the Trustee or any Unitholder, or to Holding Trust, the Holding Trust Trustee or any holder of Holding Trust Units for any loss or damage resulting from, incidental to or relating to the provision of services hereunder by the Administrator, including any exercise or refusal to exercise a discretion or its refusal to exercise a discretion, any mistake or error of judgement or any act or omission believed by the Administrator to be within the scope of authority conferred on it by this Agreement, unless such loss or damage resulted from the fraud, wilful misconduct or gross negligence of the Administrator in performing its obligations hereunder or from the failure of the Administrator to satisfy the standard of care set forth in Section 6.1.

6.4 Additional Information

The Trustee and the Holding Trust Trustee acknowledge that undertaking by the Administrator of the activities contemplated herein may have the incidental effect of providing additional information with respect to or augmenting the value of properties in which the Administrator or its affiliates or associates have an interest and the Trustee and the Holding Trust Trustee agree that neither the Administrator nor its affiliates or associates shall be liable to account to the Trustee, the Trust or any Unitholder or the Holding Trust Trustee, the Holding Trust or any holder of a Holding Trust Unit, with respect to such activities or results; provided, however, that the Administrator shall not, in making any use of any such information, do so in any manner that the Administrator knew, or ought reasonably to have known, would cause or result in a breach of any confidentiality provision of agreements to which the Trustee or the Trust, the Holding Trust Trustee or the Holding Trust is a party or is bound.

ARTICLE 7 INDEMNIFICATION

7.1 Indemnification of the Administrator

The Administrator and any person who is serving or shall have served as a director, officer or employee of the Administrator (the "Administrator Indemnities") shall be indemnified and saved harmless by the Trust and by Holding Trust (in each case in relation to services provided in respect of or for the benefit of such party) from and against all losses, claims, damages, liabilities, obligations, costs and expenses (including judgements, fines, penalties, amounts paid in settlement and counsel and accountants' fees, including legal fees on a solicitor and own client basis) of whatsoever kind or nature incurred by, borne by or asserted against any of such indemnified parties in any way arising from or related in any manner to this Agreement or the provision of services hereunder, unless such indemnified party is found liable for or guilty of fraud, wilful misconduct or gross negligence or has failed to satisfy the standard of care set forth in Section 6.1. The foregoing right of indemnification shall not be exclusive of any other rights to which the Administrator or any person referred to in this Section 7.1 may be entitled as a matter of law or equity or which may be lawfully granted to such person.

7.2 Indemnification of the Trust and Holding Trust

The Trust, the Holding Trust, the Trustee, the Holding Trust Trustee and any person who is serving or shall have served as a director, officer, shareholder or employee of the Trustee, and/or the Holding Trust Trustee or an employee of The Toronto-Dominion Bank providing services to the Holding Trust Trustee (the "Trust Indemnities") shall be indemnified and saved harmless by the Administrator from and against all losses, claims, damages,

liabilities, obligations, costs and expenses (including judgements, fines, penalties, amounts paid in settlement and counsel and accountants' fees, including legal fees on a solicitor and own client basis) of whatsoever kind or nature incurred by, borne by or asserted against any of such indemnified parties in any way arising from or related in any manner to the failure of the Administrator to satisfy the standard of care set forth in Section 6.1 or the fraud, wilful misconduct or gross negligence of the Administrator in the performance of its obligations hereunder, except to the extent that such losses, breach, claims, damages, liabilities, obligations, costs and expenses (including judgements, fines, penalties, amounts paid in settlement and counsel and accountants' fees) arise principally and directly from the fraud, wilful misconduct or gross negligence of such indemnified party. The foregoing right of indemnification shall not be exclusive of any other rights to which the Trust, Holding Trust, the Trustee, the Holding Trust Trustee or any person referred to in this Section 7.2 may be entitled as a matter of law or equity or which may be lawfully granted to such person.

7.3 Method of Asserting Claims

If a party entitled to indemnification pursuant to the terms hereof (the "Indemnified Party") intends to seek indemnification under this Section 7.3 from the other party (the "Indemnifying Party"), the Indemnified Party shall give the Indemnifying Party notice of such claim for indemnification promptly following the receipt or determination by the Indemnified Party of actual knowledge or information as to the factual and legal basis of any claim which is subject to indemnification and, where such claim results from the commencement of any claim or action by a third party, promptly following receipt of written notice of such third party claim or action. The failure of or delay by an Indemnified Party to so notify the Indemnifying Party (as set forth above) shall not relieve the Indemnifying Party of its indemnification obligations hereunder to the Indemnified Party, however the liability which the Indemnifying Party has to the Indemnified Party pursuant to the terms of this Section 7.3 (and for which the Indemnifying Party will be obligated to indemnify the Indemnified Party in respect of) shall be reduced to the extent that any such delay in or failure to give notice as herein required prejudices the defence of any such action, suit, proceeding, investigation or claim, or otherwise results in any increase in the liability which the Indemnifying Party has under its indemnity provided for herein.

The Indemnifying Party, at its sole cost and the expense, shall have the right to assume the defence of any claim, action, suit, proceeding or investigation brought against the Indemnified Party with counsel designated by the Indemnifying Party and reasonably satisfactory to the Indemnified Party; provided that the Indemnifying Party will not, without the Indemnified Party's prior written consent (such consent not to be unreasonably withheld), settle, compromise, consent to the entry of any judgment in or otherwise seek to terminate any action, suit, proceeding, investigation or claim in respect of which indemnification may be sought hereunder (whether or not the Indemnified Party is a party thereto) unless such settlement, compromise, consent or termination includes a release of the Indemnified Party from all liabilities arising out of such action, suit, proceeding, investigation or claim. The Indemnified Party will give to the Indemnifying Party and its counsel reasonable access to all business records and other documents relevant to such defence or settlement, and shall permit them to consult with the employees and counsel (if any) of the Indemnified Party.

Notwithstanding the foregoing:

- (a) if the defendants in any such action, suit, proceeding or investigation include both the Indemnified Party and the Indemnifying Party, and the Indemnified Party is advised by counsel that there are legal defences available to the Indemnified Party that are additional to those available to the Indemnifying Party and that in such circumstances representation by the same counsel would be inappropriate; or
- (b) if the Indemnified Party shall have reasonably concluded that the Indemnifying Party is not taking or has not taken, all necessary steps to diligently defend such claim, action, suit, proceeding or investigation, the Indemnified Party has provided written notice of same to the Indemnifying Party, and the Indemnifying Party has not rectified the situation within a reasonable time;

then the Indemnified Party shall have the right to retain separate counsel, the reasonable costs of which shall be at the Indemnifying Party's expense, to represent the Indemnified Party and to otherwise participate in the defence of

such claim, action, suit, proceeding or investigation on behalf of such Indemnified Party. For further certainty, only one legal firm may be engaged at the expense of the Indemnifying Party.

Notwithstanding anything herein contained, an Indemnified Party shall have the right, at its sole cost and expense, to retain counsel to separately represent it in connection with the negotiation, settlement or defence of any claim, action, suit, proceeding or investigation brought by a third party provided, for further certainty, that such counsel shall not, unless agreed by the Indemnifying Party, assume control of the negotiation, settlement or defence.

Except to the extent expressly provided herein, no Indemnified Party shall settle any claim or action with respect to which it has sought or intends to seek indemnification pursuant to this Section 7.3 without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed.

If the Indemnifying Party does not assume the defence of any claim, action, suit, proceeding or investigation brought against the Indemnified Party, then the Indemnified Party shall have the right to do so on its own behalf and all such expense in so doing shall be added to the amount of the claim for indemnification hereunder by such Indemnified Party as against the Indemnifying Party.

7.4 Net Amount

In the event that an Indemnifying Party is obligated to indemnify and hold any Indemnified Party harmless under this Section 7.4, the amount owing to the Indemnified Party shall be the amount of such Indemnified Party's out-of-pocket losses (whether paid or payable), net of any such out-of-pocket losses recovered by the Indemnified Party from any other person; provided that the foregoing shall not be construed so as to obligate an Indemnified Party to pursue or seek recovery of any of its out-of-pocket losses from any other person whomsoever, including insurers.

7.5 Third Party Beneficiaries

Each of the parties hereby acknowledges and agrees that the rights of indemnification provided for in this Article 7 shall not only be enforceable by the parties hereto but shall be enforceable directly by each of the Administrator Indemnities and each of the Trust Indemnities, and in this respect:

- (a) each of the Trust and the Holding Trust appoints the Administrator to act as agent and trustee for the Administrator Indemnities as regards the covenants of indemnification by the Trust and the Holding Trust given in favour of the Administrator Indemnities pursuant to Section 7.1, and the Administrator accepts such appointment;
- (b) the Administrator appoints Holding Trust to act as agent and trustee for the Trust Indemnities as regards the covenants by the Administrator given in favour of the Trust Indemnities pursuant to Section 7.2, and Holding Trust accepts such appointment.

7.6 Subrogation Rights

If an Indemnified Party has a right against a person (other than as against one of the other parties to be indemnified by the Indemnifying Party) with respect to any damages or other amounts paid by the Indemnifying Party, then the Indemnifying Party shall, to the extent of such payment and to the extent permitted by Applicable law, be subrogated to the rights of such Indemnified Party as against such person. Notwithstanding the foregoing, no Indemnifying Party shall be subrogated to any insurance rights of any Indemnified Party.

ARTICLE 8 TERM

8.1 Term

8.2 Survival

Any obligation of the Parties pursuant to the terms hereof which accrued prior to the termination of the Agreement and was intended to continue after the termination of the Agreement shall survive the termination of the Agreement.

ARTICLE 9 TERMINATION

9.1 Events of Default

Any Party shall be in default ("Default") under this Agreement on:

- (a) such Party breaching or failing to observe or perform any of its material obligations under this Agreement and, within thirty (30) days after its receipt of a notice from any of the other Parties specifying the nature of such breach or failure (the "Initial Notice"), such Party failing to cure such breach or failure or provide evidence that is satisfactory to the Party providing the Initial Notice that such breach or failure will be cured or remedied within a reasonable period of time or after providing such satisfactory evidence thereafter failing to diligently pursue such cure or remedy, and in no event shall such cure or remedy, or failure to pursue such cure or remedy, exceed ninety (90) days after receipt of the Initial Notice; and
- (b) (i) becoming Insolvent; (ii) being subject to any proceeding, voluntary or involuntary, with a view to postponing or rescheduling its debts generally or of distributing its assets among its creditors under the provisions of the Bankruptcy and Insolvency Act (Canada), the Companies Creditors' Arrangement Act (Canada), or any other applicable laws for the benefit of creditors; (iii) being liquidated; (iv) being wound up either voluntarily or under an order of a court of competent jurisdiction; (v) making a general assignment for the benefit of its creditors; or (vi) otherwise taking any action that acknowledges its being Insolvent.

9.2 Remedies of the Administrator

Upon the occurrence of an event of default by any of the Trust or the Holding Trust that has not been remedied, the Administrator may, without recourse to legal process and without limiting any other rights or remedies which it may have at law or otherwise, immediately terminate this Agreement with respect to such Party in Default by delivery of a written notice of termination to the Trust or to the Holding Trust, as applicable.

9.3 Remedies of the Trust and the Holding Trust

Upon the occurrence of an event of default by the Administrator that has not been remedied, either the Trust or the Holding Trust may, without recourse to legal process and without limiting any other rights or remedies it may have at law or otherwise, immediately terminate this Agreement with respect to itself by delivery of a written notice of termination to the Administrator and the other Parties.

9.4 Post Termination Arrangements

In the event of a termination of this Agreement with respect to the Trust or the Holding Trust:

- (a) the Administrator shall deliver to such Party all books, records, accounts, documents, systems and manuals which the Administrator has developed and maintained relating to such Party pursuant to this Agreement;
- (b) the Administrator shall take all steps as may be reasonably required to complete any final accounting as between them and to provide, if applicable, for the completion of any other matter contemplated by this Agreement; and
- (c) the Administrator shall forthwith pay to the Trust or Holding Trust, as applicable, or to the order of the Trust or Holding Trust, as applicable, all monies collected and held for the Trust or Holding Trust, as applicable.

ARTICLE 10 FORCE MAJEURE

10.1 Consequences of Force Majeure

During the occurrence of an event of Force Majeure and provided that the Party claiming Force Majeure is making reasonable efforts to remedy the same, the obligations of the Party affected by such event of Force Majeure, to the extent and for the period that such obligations cannot be performed as a result of such event of Force Majeure, shall be suspended, and such Party shall not be considered to be in breach or default hereunder, for the period of such occurrence, except that the occurrence of an event of Force Majeure (i) affecting the Trust and/or the Holding Trust but not affecting the performance of the Administrator's obligations hereunder, shall not relieve any of the Parties hereto of its obligation to make payments of the expenses of the Administrator or (ii) affecting the Administrator but not affecting the performance of the obligations of the Trust and the Holding Trust hereunder, shall not relieve any of the Parties hereto of its obligation to make payments of the expenses of the Administrator incurred before the event of Force Majeure in respect of services performed by the Administrator prior to such event of Force Majeure. The suspension of performance shall be of no greater scope and of no longer duration than is required by the event of Force Majeure.
