SUPPL

Dear Ladies and Gentlemen,

In the past KRONES AG have availed themselves of the services of several business providers and banks to supply their shareholders with the quarterly and annual reports. The marked rise in the acceptance of electronic media has resulted in an ever-increasing number of shareholders and other interested people downloading the reports from our homepage. Merely a dwindling few still resort to printed copies.

For this reason, in the future, we will be sending the reports to shareholders and anyone asking for printed copies ourselves. They can be ordered via our homepage at www.krones.com.

Please allow us to sincerely thank you for services rendered in the past.

Kind Regards,

PROCESSED
