AB Lietuvos Telekomas to Participate in the Planned Acquisition of Microlink

For the purpose of development of cooperation relations between telecoms of the Baltic states AB Lietuvos Telekomas is planning to participate in the international transaction on acquisition of AS Microlink company.

On 16 May 2005 AB Lietuvos Telekomas signed the Forward Shares Purchase agreement with Estonian telecommunication company AS Elion Ettevotted and Latvian telecommunication operator SIA Lattelekom, according to which AB Lietuvos Telekomas acquired the right of option regarding the purchase of 100 per cent of shares of UAB Microlink Lietuva, UAB Baltijos Kompiuterių Akademija and UAB Fortek Information Technologies.

“The agreement reflects that all the three telecommunication operators’ strife for transition to closer cooperation. In this particular case we are talking about a common project, which will give all the three Baltic states’ telecoms the possibility to join their forces in the field of telecommunications and IT for the purpose of better serving of both domestic and pan-Baltic customers”, - states Arūnas Šikšta, General Manager of AB Lietuvos Telekomas - “Besides, to my opinion the merger of telecommunication companies with one of the region’s IT services market leaders would bring unquestionable benefit to all our customers, since it would allow for more efficient utilization of the tangible and intellectual resources of all the parties to the transaction for development of services”.

After signing of the agreement the telecoms will execute the due diligence of to be purchased company, after which the final decision regarding acquisition of the shares of Microlink and their price will be taken. The competition regulatory authorities of Baltic States will also analyze the transaction and present their opinion. In case of positive resolution of the Board of Lietuvos Telekomas the shares purchase process is foreseen to be completed within 3-4 months.

AB Lietuvos Telekomas is the company, having the largest experience in the telecommunications business in Lithuania and the leading provider of the Internet, public fixed telephone communication, networks, leased lines and network interconnection services in the country. The company is indirectly owned by TeliaSonera, one of the largest telecommunications corporations in the Nordic and Baltic countries, which holds 60 per cent of the shares of the company through its subsidiary Amber Teleholding A/S.
