News Release

SingTel enters Bangladesh mobile market

US\$118 million investment in PBTL enhances SingTel's regional footprint

Singapore, 2 June 2005 -- Singapore Telecommunications Limited (SingTel) today announced that it has invested US\$118 million for a 45 per cent equity stake in Pacific Bangladesh Telecom Limited (PBTL). Of this investment, US\$90 million will be applied towards the subscription of new shares.

In addition, SingTel has a call option to increase its equity interest in PBTL to 60 per cent for an additional US\$65 million. The option can be exercised between 1 April and 30 June 2007.

Bangladesh has a population of approximately 140 million with low tele-density. The country has been enjoying real GDP growth of between 4.4 per cent and 6.1 per cent per annum over the last five years. There are currently around 5.4 million mobile phone users, representing about 3.9 per cent mobile penetration rate, while fixed-line penetration is under one per cent.

PBTL, a member of the Pacific Group, operates a nation-wide CDMA network in Bangladesh. It has approximately 320,000 customers representing about six per cent market share. With SingTel's investment, the company plans to embark on a US\$100 million expansion programme to meet increasing customer demand.

Mr Lee Hsien Yang, SingTel's President and CEO, said: "SingTel believes that there will be rapid telecommunications growth in Bangladesh for years to come, as has been experienced in other regional markets which SingTel has invested in. PBTL is a company with strong growth prospects. With a well-known and established local partner like the Pacific Group and the expertise of SingTel, I am confident that PBTL can make a significant impact and contribution to the development of the telecommunications market in Bangladesh."

Mr Faisal Khan, representative of the Pacific Group and Vice Chairman of PBTL, said: "We are proud to welcome SingTel, the leading communications group in Asia, as our strategic investor. This investment by SingTel will place PBTL in a strong position to expand its network and will bring a host of products and services to the customers in Bangladesh at even more affordable prices."

**PURCHASE AND SUBSCRIPTION OF SHARES IN PACIFIC BANGLADESH
TELECOM LIMITED**

Singapore Telecommunications Limited ("SingTel") wishes to announce that SingTel Asia Pacific Investments Pte Ltd ("STAPI"), a wholly-owned subsidiary of Singapore Telecom Mobile Pte Ltd, has invested US\$118 million for a 45 per cent equity stake in Pacific Bangladesh Telecom Limited ("PBTL"). Of this investment, US\$90 million will be applied towards the subscription of new shares.

The investment comprises both new and existing shares of PBTL, whereby STAPI has:

1. subscribed for 1,527,273 ordinary shares of par value Tk. 100 (or "Taka", the lawful currency of Bangladesh) each for a cash consideration of US\$90 million in PBTL or US\$58.93 per share; and
2. purchased a further 1,680,000 ordinary shares of par value Tk. 100 from Pacific Motors Limited ("PML") for a cash consideration of US\$28 million or US\$16.67 per share

The blended pre-investment equity valuation of PBTL is US\$206 million.

As at 31 December 2004, the audited net book value of the shares acquired was approximately US\$15 million⁽¹⁾. The consideration was arrived at on a willing-buyer willing-seller basis, taking into account PBTL's expected future cash flows.

In addition, STAPI has been granted a call option to increase its equity interest in PBTL to 60 per cent for an additional US\$65 million in accordance with the option agreement. The call option can be exercised between 1 April 2007 and 30 June 2007.

PBTL, a member of the Pacific Group, operates a nation-wide CDMA (code-division multiple access) network in Bangladesh.

Of the subscription monies of US\$90 million, approximately US\$35 million has been paid into an escrow account with an international bank in Bangladesh to meet potential warranty claims by STAPI. The monies will be released to PBTL from the escrow account in accordance with the terms of the share purchase and subscription agreement.
