## **Lawsuit filing by Rambus against Samsung Electronics**

On June 6, 2005, Rambus Inc. filed a lawsuit with the U.S. District Court for the Northern District of California-San Jose Division against Samsung Electronics for infringement of some of its patents on DDR and SDR.

Samsung Electronics respects the rights of other companies' intellectual properties & patents. However the Company has been taking legal actions against claims on invalid and/or unenforceable patents, and wrongful patent infringement claims.

Samsung Electronics will prove that Rambus' claims against the company are groundless and continue to provide a stable supply of the product to our customers.

\* Samsung Electronics discloses the above information as it submitted its answer to the complaint for patent infringement on June 22, 2005 (California local time) with the U.S. District Court for the Northern District of California-San Jose Division though it has yet to officially receive the complaint filed by Rambus Inc.

\*\* The above information is a follow-up disclosure at the request of the Korea Stock Exchange initially made on June 8, 2005.
