Press Release

Jardine Strategic Holdings Ltd acquires interest in Rothschilds Continuation Holdings AG

22 June 2005: Jardine Strategic Holdings Limited (“Jardine Strategic”) and Rothschilds Continuation Holdings AG (“RCH”) today announced that Jardine Strategic has agreed to purchase from Royal & Sun Alliance Insurance plc a 20% shareholding in RCH for US\$185 million, subject to regulatory consents.

RCH is a major holding company within the Rothschild Group and, together with Rothschild & Cie Banque in France, owns the Rothschild international banking business. RCH is the parent company of N M Rothschild & Sons Limited. In addition to its core investment banking business, the Rothschild Group is involved in commercial banking, private banking and in the private equity sector.

Jardine Strategic’s investment in RCH is in line with its policy of taking significant stakes in multinational businesses, and supporting their development. Jardine Strategic is investing in RCH for the long-term and intends to utilise its knowledge and network of relationships in Asia to promote RCH’s growth in the region. Jardine will have two representatives on the Board of RCH.

Jardine Strategic will be the only non-Rothschild shareholder in RCH. For their part the Rothschild Family are committed to RCH remaining independent and under their control.

David de Rothschild, Chairman of RCH, commented, “*Royal & Sun Alliance has been closely aligned with the Rothschild Group since my ancestors sponsored one of its predecessor businesses in the 19th century. I appreciate that today its policy is to focus on general insurance and that it wishes to dispose of non-core investments.*”

I welcome Jardine’s investment and look forward to building a long and successful relationship.”

Henry Keswick, Chairman of the Jardine Matheson Group, said, “*Rothschild’s independence and clear business focus has created a banking model which clients are finding increasingly attractive. In making this strategic investment our Group is renewing a relationship that began in 1838 when we first acted as agents for Rothschild in China. We look forward to being a supportive shareholder and assisting in Rothschild’s development.*”
