Attention Business/Financial Editors:  
NQL Drilling Tools Inc. Announces Upward Revision in Guidance for the  
Second Quarter of 2005

NISKU, AB, July 7 /CNW/ -NQL Drilling Tools Inc. (TSX - NQL.A) announces increased expectations related to its second quarter 2005 results.

As a result of better than expected results from its downhole mud motor business in the United States, NQL announces today that it anticipates exceeding its previous guidance of a breakeven second quarter. NQL now expects its second quarter net earnings to be in the range of \$0.04 per common share to \$0.06 per common share. The Company anticipates an upward revision in its guidance for the full year 2005 after it has the opportunity to gather all information required to complete its estimates. NQL anticipates releasing the details of its full year 2005 guidance in conjunction with the announcement of the Company's second quarter results which is expected on August 12, 2005.

Statements in this press release relating to matters that are not historical facts are forward-looking statements. Such forward-looking statements involve known and unknown risks and uncertainties which may cause the actual results, performances or achievements of NQL to be materially different from any future results implied by such forward-looking statements. Such factors include fluctuations in the market for oil and gas related products and services, demand for products and services in the drilling industry generally, political and economic conditions in countries in which NQL does business, the ability of NQL to attract and retain key personnel, technological change, the demand for services and products provided by NQL and other factors which are described in further detail in NQL's continuous disclosure filings.

NQL Drilling Tools Inc. is an industry leader in providing downhole tools, technology and services used primarily in drilling applications in the oil and gas, environmental and utility industries on a worldwide basis. NQL trades on the Toronto Stock Exchange under the symbol NQL.A.
