Announcement to Shareholders Regarding Restructuring

NABI BUS INDUSTRIES RT.

On May 26, 2005 NABI Autobuszipari Rt. (NABI Rt.) announced that with its wholly owned subsidiary NABI, Inc. (together "NABI") they had entered into a Master Support Agreement ("MSA") with their Financiers which provided for both a temporary conditional waiver for NABI's events of default then existing under their financing agreements for the term of the MSA and the restructuring of NABI's secured debt. Since that date NABI has been working towards the objectives and subsequent implementation of the agreements set out in the MSA.

As a precondition of the implementation of the MSA, the Annual General Meeting of the Shareholders of NABI Rt. held on May 27, 2005 authorized the Board of Directors to issue new shares in exchange for a part of NABI's debt. This authorization was valid until November 30, 2005. As part of this agreement with the Financiers, NABI undertook to continue with the restructuring efforts with a view to reducing its debt.

On July 28, 2005 as previously announced NABI Inc sold all of its shares in Optare Holdings Ltd. to a UK based Company, the proceeds from which were used to reduce NABI's debt.

NABI, Inc. has solicited offers and received a term sheet from a proposed lender for the provision of additional working capital for its US operations and is currently considering the terms of the offer.

The Board of Directors of NABI Rt. together with the Company's restructuring advisers Conway, Del Genio, Gries and Co. LLC and Vantis Numerica LLP, have examined offers for the purchase of a part or whole of NABI's assets and businesses and continue to consider proposals from prospective buyers.

At the present time NABI is proceeding with a transaction which is aimed at implementing the restructuring consistent with the MSA (the "Restructuring"). As the authorization of the Board of Directors to issue new NABI Rt. shares has not been used any new share issuance by NABI Rt. is therefore subject to further shareholder approval.

Under its terms the MSA would have expired on November 30, 2005. However, since the restructuring has not been completed by this date and to support the continuation of the restructuring process, the Financiers and NABI have agreed to extend the expiry date of the MSA

from November 30 to December 31, 2005. If the Restructuring is not completed or a further extension is not agreed with the Financiers by December 31, 2005, the waivers granted by the Financiers in the MSA will terminate.

The Board of Directors remains committed and continues to work diligently so as to achieve the implementation of the Restructuring and appreciates the understanding of the shareholders. Further information will be communicated as the Restructuring proceeds.
