## INDEPENDENT AUDITORS' REPORT

The Board of Directors of  
ViewTrade Financial Network, Inc.

We have audited the accompanying statement of financial condition of ViewTrade Financial Network, Inc. as of December 31, 2004, and the related statements of operations, changes in shareholder's equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ViewTrade Financial Network, Inc. as of December 31, 2004, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the financial statements taken as a whole. The information contained in the supplemental schedule listed in the accompanying index is presented for purposes of additional analysis and is not required for a fair presentation of the financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in our audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

A handwritten signature in cursive script that reads "Spicer Jeffries LLP".

VIEWTRADE FINANCIAL NETWORK, INC.

NOTES TO FINANCIAL STATEMENTS

**NOTE 1 - BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Organization and Business**

ViewTrade Financial Network, Inc.. (the "Company") was incorporated on January 28, 1999 as a Delaware Corporation. The Company operates as a securities broker-dealer registered with the Securities Exchange Commission and is a member of the National Association of Securities Dealers. The Company is a wholly-owned subsidiary of ViewTrade Holdings Corporation.

The Company, under Rule 15c3-3(k)(2)(ii), is exempt from the reserve and possession or control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts. Accordingly, all customer transactions are executed and cleared on behalf of the Company by its clearing broker on a fully disclosed basis. The Company's agreement with its clearing broker provides that as clearing broker, that firm will make and keep such records of the transactions effected and cleared in the customer accounts as are customarily made and kept by a clearing broker pursuant to the requirements of Rules 17a-3 and 17a-4 of the Securities and Exchange Act of 1934, as amended (the Act). It also performs all services customarily incident thereto, including the preparation and distribution of customers' confirmations and statements and maintenance margin requirements under the Act and the rules of the Self Regulatory Organizations of which the Company is a member.

**Securities Transactions**

The Company records securities transactions and related revenue and expenses on a trade date basis.

**Depreciation**

The Company provides for depreciation of furniture and equipment on the straight-line method based on the estimated lives of the assets ranging from three to five years.

**Income Taxes**

The Company files a consolidated income tax return with its parent and provides for income taxes as if the Company filed separately. The Company accounts for income taxes in accordance with Statement of Financial Accounting Standards No. 109, "Accounting for Income Taxes." Under the asset and liability method of Statement 109, deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax basis. Deferred tax assets and liabilities are measured using enacted tax rates in effect for the year in which those temporary differences are expected to be recovered or settled.

VIEWTRADE FINANCIAL NETWORK, INC.

NOTES TO FINANCIAL STATEMENTS

**NOTE 1 - BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the accounting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of cash flows, the Company considers highly liquid investments with a maturity of three months or less be cash equivalents.

**NOTE 2 - NET CAPITAL REQUIREMENTS**

Pursuant to the net capital provisions of rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. At December 31, 2004, the Company had net capital and net capital requirements of \$87,785 and \$50,000, respectively. The Company's net capital ratio (aggregate indebtedness to net capital) was 2.08 to 1. According to rule 15c3-1, the Company's net capital ratio shall not exceed 15 to 1.

**NOTE 3 - COMMITMENTS AND RELATED PARTY TRANSACTIONS**

The Company shares office space, personnel and equipment under an agreement with an affiliate. The Company is charged on a month to month basis for its portion of these expenses. Total rent expense of approximately \$50,000 was charged to operations during the year ended December 31, 2004.

In addition, at December 31, 2004, the Company had a receivable from its parent of \$648,451 and a payable to an affiliate of \$6,513.

**NOTE 4 - INCOME TAXES**

The Company has approximately \$5,100,000 of net operating losses expiring through 2025, which may be used to offset future taxable income. Due to a change of ownership in the Company, these net operating loss carryforwards are subject to substantial limitations annually in accordance with rules and regulations of the Internal Revenue Service. Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes.

VIEWTRADE FINANCIAL NETWORK, INC.

NOTES TO FINANCIAL STATEMENTS

**NOTE 4 - INCOME TAXES (continued)**

The Company has approximately \$1,740,000 in deferred tax benefit relating to these net operating loss carry forwards, but realization of this benefit is uncertain at the present time and accordingly a valuation allowance in the same amount has been recorded.

Significant components of the Company's deferred tax liabilities and assets as of December 31, 2004 are as follows:

Deferred tax liabilities	\$ -
Deferred tax assets:	
Net operating loss carry forward	\$ 1,740,000
Valuation allowance for deferred tax assets	<u>(1,740,000)</u>
	<u>\$ -</u>

The valuation allowance increased approximately \$50,000 for the year ending December 31, 2004.

**NOTE 5 - FINANCIAL INSTRUMENTS WITH OFF-BALANCE SHEET RISK AND CONTINGENCIES**

In the normal course of business, the Company's activities through its clearing broker involve the execution, settlement and financing of various customer securities transactions. These activities may expose the Company to off-balance sheet risk. In the event a customer fails to satisfy its obligations, the Company may be required to purchase or sell financial instruments at prevailing market prices in order to fulfill the customer's obligations.

The Company has a deposit with and receivable from its clearing broker. If the clearing broker should cease business, these amounts could be subject to forfeiture. In addition, the Company has deposits in banks in excess of the FDIC insured amount of \$100,000. The amounts in excess of \$100,000 are subject to loss, should the bank cease business.

The Company's financial instruments, including cash, deposit with and receivable from clearing broker, other assets, payables and other liabilities are carried at amounts that approximate fair value due to the short term nature of those instruments.

**SUPPLEMENTARY INFORMATION**

VIEWTRADE FINANCIAL NETWORK, INC.

COMPUTATION OF NET CAPITAL  
PURSUANT TO NET CAPITAL RULE 15c3-1  
DECEMBER 31, 2004

**CREDIT:**

Shareholder's equity \$ 778,068

**DEBITS:**

Nonallowable assets:

Receivable from parent 649,142

Furniture and equipment, net 26,273

Other assets 14,868

*Total debits* 690,283

**NET CAPITAL** 87,785

Minimum requirements of 6-2/3% of aggregate indebtedness of  
\$183,019 or \$50,000, whichever is greater

50,000

*Excess net capital* \$ 37,785

**AGGREGATE INDEBTEDNESS:**

Accounts payable and accrued expenses \$ 61,678

Commissions payable 121,341

**TOTAL AGGREGATE INDEBTEDNESS** \$ 183,019

**RATIO OF AGGREGATE INDEBTEDNESS TO NET CAPITAL** 2.08 to 1

NOTE: There are no material differences between the above computation of net capital and the corresponding computation as submitted by the Company with the unaudited Form X-17A-5 as of December 31, 2004.

**INDEPENDENT AUDITORS' REPORT ON  
INTERNAL ACCOUNTING CONTROL REQUIRED BY SEC RULE 17a-5**

The Board of Directors of  
ViewTrade Financial Network, Inc.

In planning and performing our audit of the financial statements and supplementary information of ViewTrade Financial Network, Inc. (the "Company") for the year ended December 31, 2004, we considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by Rule 17a5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by ViewTrade Financial Network, Inc. that we considered relevant to the objectives stated in Rule 17a-5(g), (i) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and the procedures for determining compliance with the exemptive provisions of Rule 15c3-3; and (ii) for safeguarding the occasional receipt of securities and cash until promptly transmitted to the Company's clearing brokers. We did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13 or complying with the requirements for prompt payment for securities under section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate. This report recognizes that it is not practicable in an organization the size of ViewTrade Financial Network, Inc. to achieve all the divisions of duties and cross-checks generally included in a system of internal accounting control and that alternatively greater reliance must be placed on surveillance by management.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure, including procedures for safeguarding securities, that we consider to be material weaknesses as defined above.

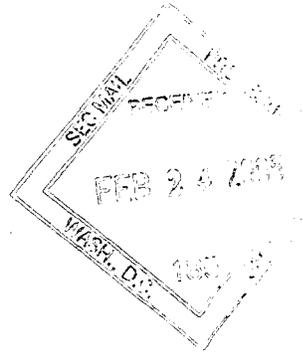

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2004, to meet the SEC's objectives.

In addition, our review indicated that ViewTrade Financial Network, Inc. was in compliance with the conditions of exemption from Rule 15c3-3 pursuant to paragraph k(2)(ii) as of December 31, 2004, and no facts came to our attention to indicate that such conditions had not been complied with during the year.

This report is intended solely for the use of management, the Securities and Exchange Commission, the New York Stock Exchange, Inc. and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 and should not be used for any other purpose.
