This financial statement is the responsibility of the Partnership's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. NOTES TO FINANCIAL STATEMENT

1. Nature of operations and summary of significant accounting policies

Nature of Operations

Strome Securities, L.P. (the Partnership) is organized as a limited partnership pursuant to the provisions of the Delaware Revised Uniform Limited Partnership Act. The Partnership is a registered broker-dealer under the Securities Exchange Act of 1934 and is a member of the National Association of Securities Dealers, Inc. (NASD). The Partnership clears its securities transactions on a fully disclosed basis with a clearing broker and, accordingly, is exempt from Rule 15c3-3 of the Securities and Exchange Commission (SEC), under paragraph (k)(2)(ii).

The term of the Partnership will continue until December 31, 2025, as provided for in the Partnership agreement (the Agreement), unless sooner terminated. The Partnership is managed by SSS Securities, Inc. (the General Partner).

Securities Owned, at market

All securities owned are valued at market and unrealized gains and losses are reflected in revenues.

Valuation of Investments in Securities at Fair Value

The Partnership values its investments in securities for which there is no ready market at fair value as determined by management in accordance with the Agreement. Those estimated values do not necessarily represent the amounts that may be ultimately realized due to the occurrence of future circumstances that cannot be reasonably determined. Because of the inherent uncertainty of valuation, those estimated values may be materially higher or lower than the values that would have been used had a ready market for the securities existed.

Revenues and Expense Recognition from Securities Transactions

Securities transactions are accounted for on a trade-date basis. Realized gains and losses from securities transactions are reported on a first-in, first-out basis. Dividends are recorded on the ex-dividend date and interest is recognized on the accrual basis.

Property and Equipment

Property and equipment, consisting of computers and office furniture, are recorded at cost and are depreciated over their estimated useful lives (generally five years) using the straight-line method.

Depreciation expense for the year ended December 31, 2004 amounted to \$17,098.

Income Taxes

The Partnership is not subject to federal or state income taxes and, accordingly, no provision for income taxes has been made in the accompanying financial statement. The partners are required to report their proportional share of gains, losses, credits and deductions on their respective income tax returns.

NOTES TO FINANCIAL STATEMENT

1. Nature of operations and summary of significant accounting policies (continued)

Use of Estimates

The preparation of the financial statement in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts disclosed in the financial statement. Actual results could differ from those estimates.

2. Due from broker

In the normal course of business, all of the Partnership's securities transactions, money balances and security positions are transacted with brokers. The Partnership is subject to credit risk to the extent any broker with which it conducts business is unable to fulfill contractual obligations on its behalf. The Partnership monitors the financial condition of such brokers and does not anticipate any losses from these counterparties.

3. Securities owned

Details of securities owned at market value and fair value at December 31, 2004 are as follows:

Market Value

Bonds	<u>\$ 300,000</u>
-------	-------------------

Fair Value

Equity securities	<u>\$ 15,000</u>
-------------------	------------------

4. Employee benefit plan

The Partnership maintains a qualified employee benefit retirement plan under Internal Revenue Code Section 401(k) covering substantially all full-time employees. Participants may contribute a percentage of their compensation up to the maximum allowed.

5. Off-balance-sheet risk

Pursuant to clearance agreements, the Partnership introduces all of its securities transactions to clearing brokers on a fully disclosed basis. All of the customers' money balances and long and short security positions are carried on the books of the clearing brokers. In accordance with the clearance agreements, the Partnership has agreed to indemnify the clearing brokers for losses, if any, that the clearing brokers may sustain from carrying securities transactions introduced by the Partnership and to maintain certain minimum balances. In accordance with industry practice and regulatory requirements, the Partnership and the clearing brokers monitor collateral on the customers' accounts.

STROME SECURITIES, L.P.

NOTES TO FINANCIAL STATEMENT

6. Net capital requirements

The Partnership is subject to the SEC Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and requires a ratio of aggregate indebtedness to net capital, both as defined, not to exceed 15 to 1. At December 31, 2004, the Partnership had net capital of \$1,081,787 which was \$981,787 in excess of its required minimum net capital of \$100,000. The Partnership's ratio of aggregate indebtedness to net capital was 0.20 to 1.

There are no material differences between the computation of net capital and the computation of net capital in the Partnership's unaudited Form X-17A-5, Part II-A filing as of December 31, 2004.

7. Related-party transactions

Certain partners of the Partnership are affiliated with various general partners of, and investment advisers to, various investment funds (the Funds).

The Partnership earns commissions on the Funds' securities transactions. For the year ended December 31, 2004, the Partnership earned approximately \$ 1,180,500 in net commissions on such transactions.
