1. Summary of Significant Accounting Policies:

Description of business

Fourth Street Financial Group, Inc. is an Ohio corporation operating as a securities broker and dealer in Cincinnati, Ohio. The Company does not carry securities accounts for customers, perform custodial functions relating to customer securities, or clear customer transactions. The Company also provides management and other services to Fourth Street Financial Advisors, Inc. and Alpha Investment Management, registered investment advisors, and Fourth Street Financial Agency, Inc., an insurance agency (See Note 4 for more details).

Furniture, equipment and improvements

Furniture, equipment and improvements are stated at cost and are being depreciated over estimated useful lives of five to seven years using accelerated methods.

Income taxes

The Company, with the consent of its stockholders, has elected to be taxed as an S corporation. The stockholders are personally liable for their proportionate share of the Company's taxable income; therefore, no provision or liability for federal and state income taxes is reflected in this financial statement.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Lease Commitment:

The Company leases its office space from one of its stockholders. The Company entered into a lease agreement that expired June 30, 2004, and allows ten (10) additional one-year renewals. The Company renewed this lease under one of the renewal options until June 30, 2005. The Company pays rent of \$1,000 per month during this period. Rent for any renewal period must be agreed to by the Company and lessor.

3. Retirement Plan:

The Company has a simplified employee pension-individual retirement account (SEP-IRA) plan covering substantially all employees.

4. Related Party Transactions:

The Company shares offices and employees with Fourth Street Financial Agency, Inc. and Fourth Street Financial Advisors, Inc., companies with common officers and stockholders.

Also, see Note 2 for the description of a lease agreement with one of the Company's stockholders.

5. Net Capital Requirements:

Pursuant to the net capital provision of rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. As of December 31, 2004, the Company's net capital requirement was \$5,000, and its defined net capital and aggregate indebtedness to net capital ratio was \$50,789 and .16 to 1, respectively.
