INDEPENDENT AUDITORS' REPORT

Board of Directors and Stockholder  
Pinnacle Brokerage Service, Inc.  
Middletown, Ohio

We have audited the accompanying statements of financial condition of Pinnacle Brokerage Service, Inc. (a wholly owned subsidiary of Pinnacle Financial Advisors Inc.) as of December 31, 2004 and 2003, and the related statements of operations, stockholder's equity and cash flows for the years then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pinnacle Brokerage Service, Inc. as of December 31, 2004 and 2003, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the schedule presented on page 7 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

# PINNACLE BROKERAGE SERVICE, INC.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2004 and 2003

---

### **NOTE 1 - Summary of Significant Accounting Policies**

---

#### *Nature of Business*

Pinnacle Brokerage Service, Inc. (the Company) was incorporated in Ohio on August 14, 2000. The Company is registered as a broker-dealer under the Securities Exchange Act of 1934 and is a member of the National Association of Securities Dealers.

#### *Income Taxes*

The Company files consolidated tax returns with its parent, Pinnacle Financial Advisors Inc. and its subsidiaries. The consolidated group had a net operating loss for the years ended December 31, 2004 and 2003 and incurred no income taxes. The Company has recorded a current tax provision based on its income from operations, and reduced the amount due from parent company.

#### *Management's Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

---

### **NOTE 2 - Due From Parent Company**

---

Due from parent company consists of revenues received on behalf of the Company, net of expenses paid. The balance is non-interest bearing, unsecured and due on demand.

---

### **NOTE 3 - Net Capital Requirements**

---

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Net capital and the related net capital ratio fluctuate on a daily basis. At December 31, 2004 and 2003, the Company had net capital of \$9,554 and \$9,212 which was \$4,554 and \$4,212 in excess of its required net capital of \$5,000. The Company's net capital ratio was .27 to 1 and .31 to 1 at December 31, 2004 and 2003.

No material differences exist between the net capital calculated above and the net capital computed and reported in the Company's December 31, 2004 amended FOCUS filing. Per Rule 15c3-3 of the Securities and Exchange Commission Uniform Net Capital Rule, the Company is exempt under the (k)(1) exemption.

**INDEPENDENT AUDITORS' SUPPLEMENTARY REPORT  
ON INTERNAL ACCOUNTING CONTROL**

Board of Directors and Stockholder  
Pinnacle Brokerage Service, Inc.  
Middletown, Ohio

In planning and performing our audit of the financial statements and supplemental schedule of Pinnacle Brokerage Service, Inc. (the Company) for the year ended December 31, 2004, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2004, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Governors, management, the SEC, and other regulatory agencies which rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
