March 16, 2005

To Whom It May Concern:

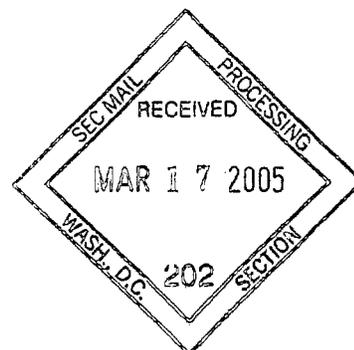

Kyson & Co. issued its December 31, 2004 annual filing of audited financial statements prior to the due date of March 1, 2005. Subsequently it was brought to our attention that NOTE 1 to the financial statements contained an error in referencing that the firm operated pursuant to the (K)(2)(A) exemption of the Customer Protection Rule. The attached NOTE 1 to the financial statements has been corrected to read that the firm operates pursuant to the (k)(2)(ii) exemption.

Please be kind enough to replace page 6 in your copy of the Kyson & Co. December 31, 2004 audited financial statements.

Sincerely,

Chuen Jen Eric Su

KYSON & CO.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2004

NOTE 1 - ORGANIZATION

Kyson & Co., Inc. (the Company) is a registered broker-dealer incorporated under the laws of the State of California maintaining its principal office in Arcadia, California. The Company operates pursuant to the (k)(2)(ii) exemptive provision of the SEC Rule 15c3-3, pursuant to SEC Rule 17a-5(d)(3) and does not hold customer funds or securities. The Company was incorporated in July 27, 1994, and became a member of the NASD February 22, 1996.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICY

Customers' rebates are offset against commission and fee revenue.

NOTE 3 - NET CAPITAL REQUIREMENT

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital as defined under such provisions. At December 31, 2004 the Company had complied with the requirement. The computation of net capital requirements pursuant to Rule 15c3-1 appears on page 7.

NOTE 4 - INCOME TAXES

The Company elected to be taxed as an "S" Corporation whereby the Company's income or loss passes directly to the stockholders. There is an \$800 minimum state income tax.

NOTE 5 - CONCENTRATION OF CREDIT RISK

The customers' securities transactions are introduced on a fully-disclosed basis with its clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers of the Company and is responsible for execution, collection and payment of funds, and receipt and delivery of securities relative to customers' transactions. Due to the possibility that the customers may charge any losses it incurs to the Company the Company seeks to minimize this risk through procedures designed to monitor the credit worthiness of its customers and to ensure that customer transactions are executed properly by the clearing broker/dealer.

NOTE 6 - USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
