INDEPENDENT AUDITOR'S REPORT

Board of Directors
Advisory Financial Consultants, Inc.
Fremont, California

We have audited the accompanying statement of financial condition of **ADVISORY FINANCIAL CONSULTANTS, INC.** as of March 31, 2005, and the related statements of changes in stockholders' equity, income and retained earnings, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **ADVISORY FINANCIAL CONSULTANTS, INC.** as of March 31, 2005, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III and IV is presented for the purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

ADVISORY FINANCIAL CONSULTANTS, INC.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2005

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business - The Company is a securities broker dealer which, through registered representatives and the Company principal, sells investments to the general public. All of the Company's commission revenues were earned through customer investments in various mutual funds.

Accounting Method - The Company utilizes the accrual method of accounting for financial statement reporting. Under this method, revenue is recognized when earned and expenses are recognized when incurred.

Allowance for Doubtful Accounts - The Company considers commissions receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. There were no commissions written off during the year.

Marketable Securities - Marketable securities are valued at market value. The resulting difference between cost and market is included in operating income.

Depreciation - Depreciation is computed on the straight-line method over periods of five to forty years, the useful lives of the furniture, equipment and leasehold improvements.

Income Taxes - The company uses an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed annually for differences between the financial statement and tax basis of amounts in the future based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Deferred tax benefits are provided for net operating loss and credit carryforwards net of unrealized gain on investments. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense is the tax payable or refundable for the period plus or minus the change during the period in deferred tax assets and liabilities.

Advertising - The Company expenses advertising costs as incurred.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - The Company is exempt from the computation for determination of reserve requirements for brokers-dealers under rule 15c3-3 because customer accounts are not maintained.

ADVISORY FINANCIAL CONSULTANTS, INC.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2005

- NOTE 3 - The Company has no liabilities subordinate to the claims of general creditors at March 31, 2005.
- NOTE 4 - No changes occurred during the year in the ownership or composition of the capital stock of the corporation.
- NOTE 5 - The Company has established a simplified employee pension plan and a money purchase pension plan. At the discretion of the Company up to twenty-five percent of all employees annual compensation may be contributed to the plan each year. Pension plan expense for the year totaled \$29,959
- NOTE 6 - The Company rents its premises from the controlling stockholder on a month to month basis. The monthly rent is \$2,000. All rent due was paid as of March 31, 2005. Total rent expense for the year was \$24,000.
- NOTE 7 - Marketable securities valued at market have a cost of \$6,306 resulting in unrealized gains of \$1,626, an increase of \$279 for the year ended March 31, 2005.
- NOTE 8 - The components of the income tax expense (benefit) for the year ended March 31, 2005 are as follows:

	FEDERAL	STATE	TOTAL
Current	\$ 2,739	\$ 800	\$ 3,539
Deferred	(42)	1,745	1,703
	\$ <u>2,697</u>	\$ <u>2,545</u>	\$ <u>5,242</u>

A deferred income tax benefit asset totaling \$903 results from recognizing state net operating losses for financial statement purposes net of federal and state deferred taxes on unrealized gain on marketable securities. This asset is included on the balance sheet under other assets. The state carryover period expires March 31, 2010.

HANSEN & COMPANY
CERTIFIED PUBLIC ACCOUNTANTS
22320 FOOTHILL BLVD., SUITE 430
HAYWARD, CALIFORNIA 94541-2744
(510) 582-8400

Board of Directors
Advisory Financial Consultants, Inc.
Fremont, California

In planning and performing our audit of the financial statements and supplemental schedules of Advisory Financial Consultants, Inc. for the year ended March 31, 2005, we considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the consolidated financial statements and not to provide assurance on the internal control structure.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons.
2. Recordation of differences required by rule 17a-13.
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of a specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at March 31, 2005, to meet the SEC's objectives.

This report is intended solely for the use of the Board of Directors, management, the SEC, National Association of Securities Dealers, Inc. (NASD), and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and should not be used for any other purpose.

Hansen + Company
