The Plan Administration Committee
Harley-Davidson Retirement Savings
Plan for York Hourly
Bargaining Unit Employees

We have audited the accompanying statements of assets available for benefits of Harley-Davidson Retirement Savings Plan for York Hourly Bargaining Unit Employees as of December 31, 2004 and 2003, and the related statement of changes in assets available for benefits for the years ended December 31, 2004 and 2003. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan's internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets available for benefits of the Plan at December 31, 2004 and 2003, and the changes in its assets available for benefits for the years ended December 31, 2004 and 2003, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2004, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Harley-Davidson Retirement Savings Plan for York Hourly Bargaining Unit Employees

Notes to Financial Statements

December 31, 2004

1. Description of the Plan

The following brief description of the Harley-Davidson Retirement Savings Plan for York Hourly Bargaining Unit Employees (the Plan) is provided for general information purposes only. Participants should refer to the *Summary Plan Description* for more complete information.

General

The Plan is a defined-contribution plan that covers hourly employees of the Harley-Davidson Motor Company Operations, Inc. (the Company) York plants, subject to a union bargaining agreement and meeting minimum eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may defer a portion of their compensation on a pretax basis through contributions to the Plan. The maximum amount that participants may defer is determined from time to time by the plan administrator and is subject to limitations under the Internal Revenue Code (the Code). The Plan allows for Company matching contributions, which range from \$0 to \$0.25 per dollar of participant contributions. Company matching contributions vary according to the Company's financial performance and apply only to participant contributions up to 6% of a participant's eligible pay.

Participants' Accounts

A separate account is maintained for each participant. The account balances are adjusted on a daily basis for participants' contributions, Company contributions, net investment income, loan fees, and distributions of participants' benefits or withdrawals.

Participants have the option of investing their contributions in one or any combination of 19 investment funds.

The Plan is intended to satisfy the requirements under Section 404(c) of ERISA and, therefore, provides that participants may choose to direct their contributions and/or all or part of their account balances among any of the Plan's investment alternatives daily.

1. Description of the Plan (continued)

Vesting

Participants are immediately vested in 100% of their contributions and earnings thereon. Participants vest 100% in Company contributions after completing three years of vesting service. Participants who terminate due to death, disability, or retirement immediately become 100% vested in their entire account.

Forfeitures

Forfeitures are used to fund future Company matching contributions.

Payments of Benefits

Benefit and withdrawal payments consist of the following:

Upon retirement, death, disability, or termination of employment, the balance in a participant's account is paid to the participant or beneficiary in a lump sum, periodic payments (permitted only in event of retirement), or other form of payment as allowed under the Plan.

Participants may not withdraw prior to retirement, death, disability, or termination of employment any portion of their account pertaining to contributions made under provisions of Section 401(k) of the Code, except for financial hardships, as defined in the Code, or after the participant attains age 59½.

Master Trust Investment

The Plan's investments consist of its interest in the commingled investments of the Harley-Davidson Retirement Savings Plan Master Trust (Master Trust) and notes receivable from participants. The Master Trust is a common trust arrangement under which investments of the Plan and four other Harley-Davidson defined-contribution plans are commingled (see *Note 3*). The Plan's investment in the Master Trust is based on its equity share of the Master Trust's investments.

1. Description of the Plan (continued)

Participant Loans

Participants may borrow up to 50% of their vested account balances, excluding Company matching account, not to exceed \$50,000. Loans bear interest commensurate with the rate which would be charged by commercial lenders for similar loans. The term of the loan cannot exceed five years (ten years in the case of a home purchase).

Administrative Expenses

Administrative expenses generally are paid by the Company. Loan application and service fees are paid by participants.

2. Summary of Significant Accounting Policies

Valuation of Investments

The Master Trust investments in mutual funds and common trust funds are stated at fair value and are based on the quoted market or redemption values on the last business day of the Plan year. Securities traded on a national securities exchange are valued at the closing market price on the last business day of the Plan year. The money market fund is stated at cost, which approximates fair value.

The Harley-Davidson Stock Fund (the Fund) is tracked on a unitized basis. The Fund consists of Harley-Davidson, Inc. common stock and funds held in the Fidelity Cash Reserves Fund sufficient to meet the Fund's daily cash needs. Unitizing the Fund allows for daily trades. The value of a unit reflects the combined market value of Harley-Davidson, Inc. common stock and the cash investments held by the Fund.

Notes receivable from participants are stated at their unpaid principal balances, which approximate fair value.

2. Summary of Significant Accounting Policies (continued)

Risks and Uncertainties

The Master Trust investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the financial statements and accompanying notes.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. Investments

As indicated in Note 1, the assets of the Master Trust include commingled investments held for the Plan, the Harley-Davidson Retirement Savings Plan for Milwaukee and Tomahawk Hourly Bargaining Unit Employees, the Harley-Davidson Retirement Savings Plan for Salaried Employees, the Harley-Davidson Retirement Savings Plan for Kansas City Hourly Bargaining Unit Employees, and the Buell Motorcycle Company Retirement Savings Plan (collectively, the Plans). The assets have been allocated among the Plans based on the respective participants' interest, adjusted for other allocable assets and liabilities.

Notes to Financial Statements (continued)

5. Transactions With Parties-in-Interest

The Master Trust holds investments in Harley-Davidson, Inc. common stock.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA and the union bargaining agreement.

7. Income Tax Status

The Plan received a determination letter from the Internal Revenue Service dated April 5, 2001, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of the determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax-exempt.
