## INDEPENDENT AUDITOR'S REPORT

To the Stockholder  
Anthem Securities, Inc.

We have audited the accompanying statements of financial condition of Anthem Securities, Inc. (the "Company") as of September 30, 2005 and 2004, and the related statements of income, changes in stockholder's equity, and cash flows for the years then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Anthem Securities, Inc. as of September 30, 2005 and 2004, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**ANTHEM SECURITIES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**September 30, 2005 and 2004**

**NOTE A - ORGANIZATION AND NATURE OF BUSINESS**

Anthem Securities, Inc. (the "Company") is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of various exchanges and the National Association of Securities Dealers, Inc.

Anthem Securities, Inc. is a wholly owned subsidiary of AIC, Inc., which is a wholly owned subsidiary of Atlas America, Inc. (Parent Company). The Company was organized as a broker-dealer to sell direct participation interests in oil and gas, equipment leases limited or general partnerships, and limited partnership interests in multi-family residential rental properties in which a subsidiary of Atlas America, Inc. or Resource America, Inc. (a related company) is the managing general partner. Substantially all of the Company's revenues are derived from the commissions on the sale of partnership units in partnerships sponsored by a subsidiary of Atlas America, Inc. or Resource America, Inc. (a related company).

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Cash and Cash Equivalents** - For purposes of the Statement of Cash Flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than 90 days, that are not held for sale in the ordinary course of business.

**Securities Transactions** - The Company sells direct participation interests in oil and gas, equipment leases limited or general partnerships, and limited partnership interests in multi-family residential rental properties on a commission basis. The Company does not collect any cash from customers; rather, cash is paid by customers directly to the issuing partnerships. The issuing managing general partner pays the commission directly to the Company.

Generally accepted accounting principles require that customers' and proprietary securities transactions and the related commission income and expense be recorded on a trade date basis. In keeping with industry practices, the Company records such transactions on a settlement date basis. The difference between the two methods was not significant to the financial statements at September 30, 2005 and 2004.

**Income Taxes** - Anthem Securities, Inc. joins with AIC, Inc. in filing a consolidated federal income tax return with Atlas America, Inc. Generally, the consolidated current federal income tax liability is settled between the Company and its parent as if the Company had filed separate returns.

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes. Deferred taxes are recognized for differences between the basis of assets and liabilities for financial statement and income tax purposes. The deferred tax assets and liabilities represent the future tax return consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled.

**Use of Estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**ANTHEM SECURITIES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**September 30, 2005 and 2004**

**NOTE C - RELATED PARTY TRANSACTIONS**

**Commissions Received and Paid**

All of the Company's commission income is derived from the commissions on the sale of partnership units sponsored by a subsidiary of Atlas America, Inc. or Resource America, Inc. (a related company). Commission rates vary between 10.5% and 13.5% on the gross proceeds of the sale. Under agreements with the managing general partners, the Company may retain .5% of the gross proceeds from Reg D offerings of oil and gas partnerships and 2% of the gross proceeds from the equipment lease and real estate partnerships.

During the years ended September 30, 2005 and 2004, the Company waived its right to the commission retainage.

**Operating and Administrative Costs**

The Company entered into an agreement with its parent company, AIC, Inc. and Leaf Asset Management, Inc., establishing that they are responsible for contributing capital to cover all operating and overhead expenses, as well as certain administrative expenses of the Company. The agreement also states that the Company is in no way obligated to repay them for such contributions. During the years ended September 30, 2005 and 2004, Anthem Securities did not contribute towards the payment of its operating and administrative expenses.

In August of 2004 the Company started recording certain administrative expenses incurred by them. Previously, these expenses were paid directly by the parent company.

**NOTE D - INCOME TAXES**

Income tax expense for the years ended September 30, 2005 and 2004 is summarized as follows:

	2005	2004
Federal:		
Current income tax expense (benefit)	\$ (118)	\$ 419
Deferred income tax expense	-	-
State:		
Current income tax expense	-	-
Deferred income tax expense	-	-
Total	\$ (118)	\$ 419

**NOTE E - CONCENTRATION OF CREDIT RISK**

At various times during the years ended September 30, 2005 and 2004, the Company maintained bank accounts with statement balances in excess of the FDIC insured amount of \$ 100,000.

**ANTHEM SECURITIES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**September 30, 2005 and 2004**

**NOTE F - NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital of \$5,000 and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). The following summarizes the Company's compliance with these regulations.

	<u>2005</u>	<u>2004</u>
Net capital	<u>\$87,122</u>	<u>\$85,303</u>
Excess net capital	<u>\$82,122</u>	<u>\$80,303</u>
Net capital ratio	<u>.001 to 1</u>	<u>.04 to 1</u>

**NOTE G - REGULATORY EXEMPTIONS**

The Company is a broker-dealer exempt from Securities and Exchange Commission Rule 15c3-3 and therefore has not included the schedules entitled "Computation for Determination of Reserve Requirements Under Rule 15c3-3" and "Information for Possession or Control Requirements Under Rule 15c3-3" in the supplementary information of this report. The Company has been designated as an exempt broker-dealer under exemption (k)(2)(i).

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5 FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM SEC RULE 15c3-3

To the Stockholder  
Anthem Securities, Inc.

In planning and performing our audit of the financial statements and the supplemental schedule of Anthem Securities, Inc. (the "Company") for the year ended September 30, 2005, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities Exchange Commission (the "Commission"), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulations T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at September 30, 2005, to meet the Commission's objectives.

This report is intended solely for the information and use of management, the Securities and Exchange Commission, the National Association of Securities Dealers, Inc., and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
