Independent Auditor's Report

Board of Directors  
Growthink Securities, Inc.

We have audited the accompanying statement of financial condition of Growthink Securities, Inc. as of December 31, 2005, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Growthink Securities, Inc. as of December 31, 2005, and the results of their operations and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our examination was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained on Schedules I-III are presented for purposes of additional analysis and is not required as part of the basic financial statements, but as supplementary information required by rule 17a-5 of the Securities and Exchange Commission. Such information has been subject to the auditing procedures applied in the examination of the basic financial statements and, in my opinion, is fairly stated in all material respect in relating to the basic financial statements taken as a whole and in conformity with the rules of the Securities and Exchange Commission.

**Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*General*

Growththink Securities, Inc. (the "Company") is a California Corporation organized on December 6, 2001, and operates as a registered broker/dealer in securities under the provisions of the Securities Exchange Act of 1934. The Company operates in private placements of securities and market research for venture capital. The Company is a member of the National Association of Securities Dealers, Inc. ("NASD") and the Securities Investor Protection Corporation ("SIPC").

The Company conducts business on a fully disclosed basis whereby the execution and clearance of trades are handled by another Broker/Dealer. The Company does not hold customer funds and/or securities.

*Summary of Significant Accounting Principles*

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Advertising costs are expensed as incurred.

Consulting fees are recognized when earned.

The Company, with the consent of its stockholders, has elected to be an S Corporation and accordingly has its income taxed under Section 1372 of the Internal Revenue Code, which provides that in lieu of corporate income taxes, the stockholders are taxed on the Company's taxable income. Therefore, no provisions or liability for Federal income taxes are included in these financial statements. The State of California has similar regulations, although there exists a provision for a minimum Franchise tax and a tax rate of 1.5% over the minimum Franchise fee of \$800.

The Company has elected to report the statement of changes in stockholder's equity without disclosing the accumulated adjustment account and other equity accounts pertinent to an S Corporation. There is no financial impact to these financial statements.

**Notes to Financial Statements**  
**December 31, 2005**

**Note 2: INCOME TAX PROVISION**

As discussed in the Summary of Significant Accounting Policies (Note 1), the Company has elected the S Corporation tax status, therefore no federal income tax provision is provided. The tax provision for \$800 represents the California minimum tax provision on income. Similar to the Federal Rules, the net income passes through to the stockholder so that both federal & state taxes are primarily paid on the individual level.

**Note 3: RELATED PARTY TRANSACTIONS**

Shareholders in the Company are also shareholders in a related entity - Growththink, Inc. The Company has an expense sharing agreement with the related entity. As outlined in the agreement, one-third (1/3) of all operating expenses will be shared. For the year ending December 31, 2005, \$6,750 of operating costs were allocated from the related entity to the Company.

**Note 4: RECENTLY ISSUED ACCOUNTING STANDARDS**

In December 2004, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards No. 123 (revised 2004), "Share-Based Payment" ("FAS 123R"), which requires the measurement and recognition of compensation expense for all stock-based compensation payments including grants of employee stock options. Stock options are a valuable and important tool used by many companies as a means to motivate employees and promote business growth. This statement eliminates the ability to account for such share-based compensation transactions using the intrinsic value method as prescribed by Accounting Principles Board, or APB, Opinion No. 25, "Accounting for Stock Issued to Employees," and requires that such transactions be reflected in the financial statements based upon the estimated fair value of the awards. In addition, there are a number of other requirements under the new standard that will result in differing accounting treatment than currently required. These differences include, but are not limited to, the accounting treatment for the tax benefit on employee stock options and for stock issued under an employee stock purchase plan. FASB 123R becomes effective for all reports issued after June 15, 2005. Adoption of the new standard has not had a material effect upon the financial statements of the company.

**Growthink Securities, Inc.**  
**Notes to Financial Statements**  
**December 31, 2005**

**Note 5: NET CAPITAL**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2005, the Company had net capital of \$10,505 which was \$5,505 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness (\$6,750) to net capital was 0.64 to 1 which is less than the 15 to 1 maximum ratio allowed for a broker/dealer.

**Growthink Securities, Inc.**  
**Schedule I - Computation of Net Capital Requirements**  
**Pursuant to Rule 15c3-1**  
**As of December 31, 2005**

**Computation of net capital**

Stockholders' equity		
Common stock	\$ 20,000	
Additional paid-in capital	2,000	
Accumulated deficit	<u>(11,495)</u>	
 Total stockholders' equity		 \$ 10,505
 <b>Less: Non allowable assets</b>		 <u>          -</u>
 <b>Net Capital</b>		 <b>10,505</b>

**Computation of net capital requirements**

Minimum net capital requirements		
6 2/3 percent of net aggregate indebtedness	\$ 450	
Minimum dollar net capital required	5,000	
Net capital required (greater of above)		<u>(5,000)</u>
 <b>Excess net capital</b>		 <b><u>5,505</u></b>
 Percentage of aggregate indebtedness to net capital	 0.64:1	

There was no difference in net capital computation shown here and the net capital computation shown on the Company's unaudited Form X-17A-5 report dated December 31, 2005.

Board of Directors  
Growththink Securities, Inc.

In planning and performing our audit of the financial statements of Growththink Securities, Inc. for the year ended December 31, 2005, we considered its internal control structure, for the purpose for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission, we have made a study of the practices and procedures followed by Growththink Securities, Inc. including tests of such practices and procedures that we considered relevant to objectives stated in rule 17a-5(g), in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making the quarterly securities examinations, counts, verifications and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure, including procedures for safeguarding securities, that we considered to be material weakness as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purpose in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate material inadequacy for such purposes. Based on this understanding on our study, we believe that the Company's practices and procedures were adequate at December 31, 2005 to meet the Commission's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, and other regulatory agencies which rely on rule 17a-5(g) under the Securities Exchange Act of 1934 and should not be used for any other purpose.
