BROWN, LISLE/CUMMINGS, INC.

**NOTES TO FINANCIAL STATEMENTS
December 31, 2005 and 2004**

Note 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of business: The Company, located in Providence, Rhode Island, is a broker/dealer engaged in the sale of securities to customers located mainly on the East Coast.

The Company operates under the provisions of Paragraph (k)(2)(ii) of Rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is exempt from the remaining provisions of that Rule. Essentially, the requirements of Paragraph (k)(2)(ii) provide that the Company clear all transactions on behalf of customers on a fully disclosed basis with a clearing broker/dealer, and promptly transmit all customer funds and securities to the clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer.

A summary of the Company's significant accounting policies follows:

Cash equivalents: For purposes of reporting cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. Cash equivalents consist of a money market fund.

Income recognition: Securities transactions and the related commission revenues and expenses are recorded on a settlement date basis, which is generally the third business day following the date a transaction is executed. The effect of transactions executed but not yet settled is not significant.

Property, equipment and depreciation: Property and equipment are stated at cost. Depreciation is computed using both straight-line and accelerated methods for financial reporting purposes and is based on estimates of useful lives, ranging from 5 to 10 years. The depreciation expense and accumulated depreciation for the year ended December 31, 2005 are \$23,078 and \$109,962, respectively, and for the year ended December 31, 2004, \$22,378 and \$86,884, respectively.

Income taxes: The Company is an S Corporation within the meaning of Internal Revenue Code Section 1361. Under this provision, profits are, with certain exceptions, taxed directly to the stockholders in proportion to their percentage of ownership. During the years ended December 31, 2005 and 2004, the Company treated the distribution of \$554,532 and \$710,286 from profits as salaries to its respective stockholders, respectively.

Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Securities: Securities not readily marketable are valued at fair value as determined by management.

Advertising costs: The Company charges advertising costs to expense as incurred. Advertising costs for the years ended December 31, 2005 and 2004 were \$11,077 and \$10,223, respectively.

BROWN, LISLE/CUMMINGS, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2005 and 2004

Note 2. SIMPLIFIED EMPLOYEE PENSION PLAN

The Company has in effect a simplified employee pension plan covering substantially all employees who have been employed for more than one year. Contributions to the plan are at the discretion of the stockholders. Contributions to the plan for the years ended December 31, 2005 and 2004 were \$220,816 and \$225,981, respectively.

Note 3. OPERATING LEASES

The Company leases certain office space under a noncancelable agreement which expires in 2009 and requires minimum annual rentals. Rental expense for the years ended December 31, 2005 and 2004 was \$105,541 and 95,301, respectively.

The total minimum rental commitment as of December 31, 2005 is due in future years as follows:

<u>Years ending December 31</u>	
2006	\$ 95,642
2007	95,642
2008	95,642
2009	87,672
	<u>\$ 374,598</u>

Note 4. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission uniform net capital rule (Rule 15c3-1), which requires the maintenance of a minimum amount of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2005, the Company had net capital and net capital requirements of approximately \$152,849 and \$100,000, respectively. At December 31, 2004, the Company had net capital and net capital requirements of \$132,118 and \$100,000, respectively. The Company's net capital ratios (aggregate indebtedness to net capital) at December 31, 2005 and 2004 were 1.95 to 1 and 2.56 to 1, respectively.

Note 5. STATEMENT PURSUANT TO PARAGRAPH (d)(4) of RULE 17a-5

There are no material differences between the computation of aggregate indebtedness and net capital and that of the corresponding computation prepared by and included in the Company's unaudited Part IIA Focus Report filing as of December 31, 2005.

BROWN, LISLE/CUMMINGS, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2005 and 2004

Note 6. NFS AGREEMENT

The Company has an agreement with National Financial Services, LLC (NFS). Under this agreement, NFS clears transactions on a fully disclosed basis for accounts of the Company and of the Company's customers, which are introduced by the Company and accepted by NFS. NFS maintains stock records and other records on a basis consistent with generally accepted practices in the securities industry and maintains copies of such records in accordance with the NASD and SEC guidelines for record retention. NFS is responsible for the safeguarding of all funds and securities delivered to and accepted by it. NFS prepares and sends to customers monthly or quarterly statements of account. The Company does not generate and/or prepare any statements, billings or compilations regarding any account. The Company examines all monthly statements of account, monthly statements of clearing services and other reports provided by NFS and notifies NFS of any errors. NFS charges the Company for clearing services. NFS also collects all commissions on behalf of the Company and makes payments to the Company for commissions.

The Company carries its receivable from NFS at cost. If a customer of the Company did not pay NFS a commission, the assets of that customer's account would be liquidated to cover any amount owed for the commission. Any shortfall between the value of the assets and the amount owed for the commission would have to be absorbed by the Company as bad debt. The Company has deemed an allowance for such a loss is unnecessary, since historically these losses have been minimal and immaterial.

Note 7. OFF-BALANCE-SHEET RISK AND CONCENTRATION OF CREDIT RISK

As discussed in Note 1, the Company's customer securities transactions are introduced on a fully-disclosed basis with a clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers of the Company and is responsible for collection and payment of funds and receipt and delivery of securities relative to customer transactions. The clearing broker/dealer will also execute trades when requested by the Company. Off-balance-sheet risk exists with respect to these transactions due to the possibility that customers may be unable to fulfill their contractual commitments wherein the clearing broker/dealer may charge any losses it incurs to the Company. The Company seeks to minimize this risk through procedures designed to monitor the credit worthiness of its customers and that insure customer transactions are executed properly.

The Company maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash. The amount on deposit at December 31, 2005 exceeded the insurance limits by approximately \$270,000.

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

To the Stockholders
Brown, Lisle/Cummings, Inc.
Providence, Rhode Island

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III and IV is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

SCHEDULE II

**COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENT
UNDER RULE 15c3-3 OF THE SECURITIES AND EXCHANGE COMMISSION
December 31, 2005 and 2004**

The Company has been exempt from Rule 15c3-3 because all customer transactions are cleared through another broker/dealer, National Financial Services, LLC, on a fully disclosed basis.

BROWN, LISLE/CUMMINGS, INC.

SCHEDULE III

**INFORMATION RELATING TO POSSESSION OR CONTROL REQUIREMENTS UNDER
RULE 15c3-3 OF THE SECURITIES AND EXCHANGE COMMISSION**

December 31, 2005 and 2004

All customer transactions are cleared through National Financial Services, LLC on a fully disclosed basis. Thus, testing of the system and procedures to comply with the requirement to maintain physical possession or control of customers' fully paid and excess margin securities was not applicable.

CERTIFIED PUBLIC ACCOUNTANTS
BUSINESS CONSULTANTS

To the Stockholders
Brown, Lisle/Cummings, Inc.
Providence, Rhode Island

In planning and performing our audit of the financial statements of Brown, Lisle/Cummings, Inc. for the year ended December 31, 2005, we considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by Rule 17a-5(g)(1) and (2) of the Securities and Exchange Commission, we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by Brown, Lisle/Cummings, Inc. that we considered relevant to the objectives stated in Rule 17a-5(g), (1) in making the periodic computation of aggregate indebtedness and net capital under Rule 17a-3(11); and (2) in complying with the exemptive provisions of Rule 15c3-3. We did not review the practices and procedures followed by the Company (1) in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13; (2) in complying with the requirements for prompt payment for securities under section 8 of Regulation T of the Board of Governors of the Federal Reserve System; and (3) in obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure, including procedures for determining compliance with the exemption provisions of Rule 15c3-3, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulation, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2005, to meet the Commission's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission and the National Association of Securities Dealers, Inc., and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 and should not be used for any other purposes.

INDEPENDENT AUDITORS' REPORT

To the Stockholders
Brown, Lisle/Cummings, Inc.
Providence, Rhode Island

We have audited the accompanying statements of financial condition of Brown, Lisle/Cummings, Inc. as of December 31, 2005 and 2004 and the related statements of income, changes in stockholders' equity and cash flows for the years then ended, that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Brown, Lisle/Cummings, Inc. as of December 31, 2005 and 2004 and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.
