INDEPENDENT AUDITOR'S REPORT

To the Members of
DELANO GROUP SECURITIES, L.L.C.
Chicago, Illinois

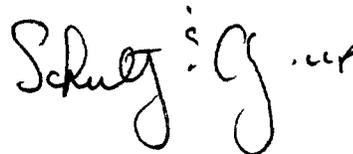

We have audited the accompanying statement of financial condition of DELANO GROUP SECURITIES, L.L.C. (A Delaware Limited Liability Company) as of December 31, 2005, and the related statements of income, changes in members' equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of DELANO GROUP SECURITIES, L.L.C. as of December 31, 2005, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained on pages 8 and 9 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required under Rule 17a-5 by the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2005

1. *NATURE OF BUSINESS*

DELANO GROUP SECURITIES, L.L.C. (the "Company") is a registered broker-dealer under the Securities Exchange Act of 1934. The Company provides investment banking, securities trading and brokerage services to select public and private companies, high net worth individuals and professional investors.

2. *SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES*

Securities Owned

Securities owned, held in firm trading and investment accounts, are carried at market value. Securities transactions are recorded on the trade date and, accordingly, gains and losses are recorded on unsettled transactions.

Use of Estimates

The accompanying financial statements are prepared in conformity with generally accepted accounting principles which necessarily requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Furniture and Equipment

Furniture and equipment are stated at cost. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets. At December 31, 2005, accumulated depreciation was \$39,713.

Revenues from Commissions/Placement Fees

Placement fees and commissions from securities transactions are recorded on a settlement date basis, which does not materially differ from a trade date basis.

Income Taxes

No provision has been made for income taxes as the taxable income or loss is included in the respective income tax returns of the Members.

Fair Value of Financial Instruments

Financial instruments recorded at fair value on the Company's statement of financial condition include securities owned and securities sold, not yet purchased. Other financial instruments are recorded by the Company at contract amounts and include receivables from and payables to clearing broker. Financial instruments carried at contract amounts, which approximate fair value, either have short-term maturities, are repriced frequently, or bear market interest rates and, accordingly, are carried at amounts approximating fair value.

Comprehensive Income

The Company has not presented a Statement of Comprehensive Income because it does not have any items of "other comprehensive income".

(A Delaware Limited Liability Company)

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2005

(Continued)

3. *REGULATORY REQUIREMENTS*

The Company is subject to minimum capital requirements of the Securities and Exchange Commission's Rule 15c3-1 (the "Rule"). Under the Rule, the Company is required to maintain "net capital" equal to the greater of \$100,000 or 6 2/3% of "aggregate indebtedness" (a maximum ratio of 15 to 1) as those terms are defined by the Rule. As of December 31, 2005, the Company's regulatory net capital of \$128,771 exceeded required net capital by \$28,771. The ratio of "aggregate indebtedness" to "net capital" was less than 1 to 1.

The Company is exempt from the provisions of the Securities and Exchange Commission's Rule 15c3-3 under paragraph (k)(2)(ii) thereof.

4. *PENSION PLAN*

The Company has established a 401(k) profit sharing plan. Under the plan, each employee meeting the minimum age requirement with at least one year of service with a minimum of 1,000 hours is eligible to participate in the plan. The Company can make a matching contribution at the discretion of management. There were no matching contributions made during the year.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL

To the Members of
DELANO GROUP SECURITIES, L.L.C.
Chicago, Illinois

In planning and performing our audit of the financial statements of DELANO GROUP SECURITIES, L.L.C. for the year ended December 31, 2005, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission, we have made a study of the practices and procedures followed by DELANO GROUP SECURITIES, L.L.C. that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) in complying with the conditions of exemption from Rule 15c3-3. We did not review the practices and procedures followed by the Company in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers.

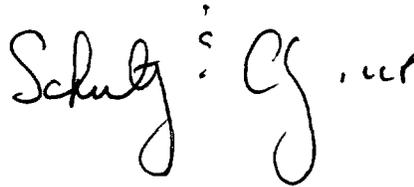

The management of the Company is responsible for establishing and maintaining an internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of an internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with U.S. generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control, including procedures for safeguarding securities, that we consider to be material weaknesses as defined above. In addition, the Company was in compliance with the conditions of the exemptive provisions of Rule 15c3-3 at December 31, 2005 and, further, no facts came to our attention indicating that the Company was not in compliance with such conditions during the year ended December 31, 2005.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2005, to meet the Commission's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, the National Association of Securities Dealers, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
