February 22, 2006

To the Board of Directors
Certigroup, Inc.
Marathon, Florida

We have audited the accompanying balance sheets of Certigroup, Inc. as of December 31, 2005 and 2004. These balance sheets are the responsibility of the Company's management. Our responsibility is to express an opinion on these balance sheets based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for opinion.

In our opinion, the balance sheets referred to above present fairly, in all material respects, the financial position of Certigroup, Inc. as of December 31, 2005 and 2004 in conformity with the accounting principles generally accepted in the United States of America.

The Company changed names effective January 13, 1998 from Norman Werbner Investments, Inc. The Company is based in Marathon, Florida and operates throughout the United States.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the classified balance sheet and the statements of cash flows, the Company considers all highly liquid investments, with a maturity of three months or less, to be cash equivalents.

Note 2 – Election Under Subchapter S

The absence of a provision for income taxes at December 31, 2005 and 2004 is due to the election by the Company, and consent by its stockholders, to include their respective shares of taxable income of the Company in their individual tax returns. As a result, no federal income tax is imposed on the Company. This election under Subchapter S of the Internal Revenue Code was effective March 1, 2002.

Note 3 – Stockholder Equity

In accordance with Rule 15c3-1 of the 1934 SEC Act, the Company is required to maintain net capital, as defined, such that the Company's aggregate indebtedness, as defined, shall not exceed fifteen times its net capital. The Company must also maintain net capital, as defined, of at least \$250,000 for 2005 and \$250,000 for 2004. The Company was in compliance with both requirements at December 31, 2005 and 2004, and for the years then ended.
