INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
Mutual Securities, Inc.

We have audited the accompanying statement of financial condition of Mutual Securities, Inc. as of December 31, 2005 and the related statements of operations, changes in shareholders' equity and cash flows for the period from January 1, 2005 to December 31, 2005. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above present fairly, in all material respects, the financial position of Mutual Securities, Inc. as of December 31, 2005 and the results of its operations and its cash flows for the period from January 1, 2005 to December 31, 2005 in conformity with generally accepted accounting principles.

Our examination was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained on Schedules I-IV are presented for purposes of additional analysis and is not required as part of the basic financial statements, but as supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the examination of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole and in conformity with the rules of the Securities and Exchange Commission.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Business

Mutual Securities, Inc. ("the Company") was incorporated under the laws of the State of California on January 31, 1983. The Company has been organized to engage in the stock brokerage business. The Company is registered as a broker-dealer in securities with the Securities Exchange Commission. The Company does not carry customer accounts.

Revenue recognition

Commission income is recorded at the time the transaction is settled and the income can be reasonably determined. Interest income is recognized when earned.

Depreciation

Depreciation is provided using the straight-line method over the estimated useful life of the asset.

Cash equivalents

The Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Income Taxes

The Company has elected to be taxed as an S Corporation under Section 1362(a) of the Internal Revenue Code. The effect of this election is that taxable results of operations and tax credits generated are reported on the individual income tax returns of the shareholders. Accordingly, it has made no provision for federal income taxes.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL ACCOUNTING  
CONTROL REQUIRED BY S.E.C. RULE 17A-5**

To the Board of Directors  
Mutual Securities, Inc.

We have examined the financial statements of Mutual Securities, Inc. for the period ended December 31, 2005 and have issued our report thereon dated February 18, 2006. As part of our examination, we made a study and evaluation of the Company's system of internal accounting control (which includes the procedures for safeguarding securities) to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of our study and evaluation, which included obtaining an understanding of the accounting system, was to determine the nature, timing and extent of the auditing procedures necessary for expressing an opinion on the financial statements.

Also as required by Rule 17a-5(g)(i) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and the reserve required by Rule 15c3-3(e). We did not review the practices and procedures followed by the Company (i) in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13, or (ii) in complying with the requirements for prompt payment for securities of Section 4(c) of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining a system of internal accounting control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to access the expected benefits and related costs of control procedures and of the practices and procedures referred to in the preceding paragraph and to access whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. The objectives of a system and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and the transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal accounting control procedures or the practices and procedures referred to above, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become of compliance with them may deteriorate.

To the Board of Directors  
Mutual Securities, Inc.  
Page Two

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of Mutual Securities, Incorporated taken as a whole. However, our study and evaluation disclosed no condition that we believed to be a material weakness.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2005 to meet the Commission's objectives.

This report is intended solely for the use of management and the Securities and Exchange Commission and should not be used for any other purpose.
