Nature of Operations

Parker Global Investments, LLC (the "Company") is a broker-dealer registered with the Securities and Exchange Commission and a member of the National Association of Securities ("NASD"). The Company is a wholly owned subsidiary of Parker Global Strategies, LLC ("Parent"). The Company's revenue is primarily derived from providing investment banking services through its participation in private placement offerings and commissions earned on the sale of private placement products.

The Company operates under the provisions of Paragraph (k)(2)(i) of rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of Paragraph (k)(2)(i) provide that a broker/dealer who carries no margin accounts promptly transmits all customer funds and delivers all securities received in connection with his activities as a broker or dealer, does not otherwise hold funds securities for or owe money or securities to customers and effectuates all financial transactions between the broker or dealer and his customers through one or more bank accounts, each to be designated as Special Account for the Exclusive Benefit of Customers of the Company. Broker/dealers operating under the provisions of (k)(2)(i) are also exempted from the remaining provisions of rule 15c3-3, including the requirement to make the reserve computations under rule 15c3-3.

Revenue

The Company recognizes revenue from placement fees and commissions upon completion of the private placement offering or the sale of the private placement product.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimated.

December 31, 2005

2. Related Party Transactions

The Company receives specific administrative services from its Parent at no cost. Under a written expense agreement between the Company and its Parent, the Parent has agreed to assume responsibility for these expenses and has indicated the Company is not directly or indirectly liable to the Parent for those expenses. The Parent has demonstrated it has adequate resources to pay these expenses. In addition, the Parent has separately agreed to provide additional capital, as required, for the Company to meet its minimum net capital requirements under Rule 15c3-1 of the Securities and Exchange Commission.
