Independent Auditors' Report

Board of Directors
Wright Investors' Service Distributors, Inc.
Milford, Connecticut

We have audited the accompanying statement of financial condition of Wright Investors' Service Distributors, Inc., a subsidiary of The Winthrop Corporation, (the Company), as of December 31, 2005, and the related statements of operations, shareholder's equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2005, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying information on pages 8-10 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplemental information required by Rule 17a-5(A) of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

WRIGHT INVESTORS' SERVICE DISTRIBUTORS, INC.

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2005

1. **Summary of significant accounting policies:**

Description of Company:

The Company is a wholly-owned subsidiary of The Winthrop Corporation ("TWC") and is a member of the National Association of Securities Dealers. The Company does not maintain customer accounts and neither receives nor holds customer securities or funds. The Company acts solely as the principal underwriter and distributor for mutual funds sponsored by TWC and other companies.

The Company is registered as a broker-dealer in every state except Alaska, Hawaii, and Puerto Rico.

Estimates and assumptions:

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates used.

Cash:

The Company maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash.

Accounts receivable:

The Company continuously monitors the creditworthiness of customers and establishes an allowance for amounts that may become uncollectible in the future based on current economic trends, historical payment and bad debt write-off experience, and any specific customer related collection issues.

Income taxes:

The Company files a consolidated tax return with its parent. Income taxes are computed on an individual company basis taking into consideration available tax benefits and credits of other members of the consolidated group.

WRIGHT INVESTORS' SERVICE DISTRIBUTORS, INC.

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2005

2. Related party transactions:

The Company earned substantially all of its revenue by providing underwriting and distribution services to mutual funds. Several officers of the Company are also officers of the mutual funds.

The Company loans and borrows funds on an as needed basis with TWC. These advances are non-interest bearing and are payable on demand.

Substantially all general and administrative expenses of the Company are paid by TWC. Direct expenses of the Company and allocable common expenses shared with TWC are reimbursed by the Company to TWC.

3. Net capital requirements:

Under the net capital provisions of rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum amount of net capital. Net capital and the related net capital ratio may fluctuate on a daily basis.

At December 31, 2005, the Company had net capital and minimum net capital requirements of \$119,572 and \$11,863, respectively. The Company's net capital ratio was 1.50 to 1.

**Report of Independent Auditors' on
Internal Controls Required by SEC Rule 17a-5**

Board of Directors
Wright Investors' Service Distributors, Inc.
Milford, Connecticut

In planning and performing our audit of the financial statements and supplemental schedules of Wright Investors' Service Distributors, Inc. (the Company) for the year ended December 31, 2005, we considered its internal control. We did this to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13 or in complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls, and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the Company's internal control that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate as of December 31, 2005 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors and management of the Company, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than those specified parties.
