## INDEPENDENT AUDITORS' REPORT

The Board of Directors of  
Impact Financial Network, Inc.

We have audited the accompanying statement of financial condition of Impact Financial Network, Inc. as of December 31, 2005, and the related statements of operations, changes in shareholder's equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Impact Financial Network, Inc. as of December 31, 2005, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the financial statements taken as a whole. The information contained in the supplemental schedule listed in the accompanying index is presented for purposes of additional analysis and is not required for a fair presentation of the financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in our audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

## NOTES TO FINANCIAL STATEMENTS

### *NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES*

#### *Organization and business*

Impact Financial Network, Inc. (the "Company") was incorporated in Florida on March 7, 1986 and is registered as a broker-dealer in securities with the Securities and Exchange Commission. The Company is a wholly-owned subsidiary of Gundaker Jordan, Inc. ("GJI"). Equity Assets Management, Inc. ("EAM"), another subsidiary of GJI, provides investment advisory and portfolio management services to individual investors and pooled accounts. Commissions earned from EAM's customer transactions are the primary source of the Company's revenues.

#### *Clearing Agreement*

The Company, under Rule 15c3-3(k)(2)(ii), is exempt from the reserve and possession or control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts. Accordingly, all customer transactions are executed and cleared on behalf of the Company by its clearing broker on a fully disclosed basis. The Company's agreement with its clearing broker provides that as clearing broker, that firm will make and keep such records of the transactions effected and cleared in the customer accounts as are customarily made and kept by a clearing broker pursuant to the requirements of Rules 17a-3 and 17a-4 of the Securities and Exchange Act of 1934, as amended (the "Act"). It also performs all services customarily incident thereon, including the preparation and distribution of customer's confirmations and statements and maintenance margin requirements under the Act and the rules of the Self Regulatory Organizations of which the Company is a member.

#### *Securities Transactions*

The Company records securities transactions and related revenue and expenses on a settlement date basis, which does not differ materially from trade date.

#### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the accounting period. Actual results could differ from those estimates.

#### *Income Taxes*

The Company files a consolidated income tax return with its parent and provides for income taxes as if the Company filed separately.

IMPACT FINANCIAL NETWORK, INC.

NOTES TO FINANCIAL STATEMENTS

(Continued)

**NOTE 2 - NET CAPITAL REQUIREMENTS**

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. At December 31, 2005, the Company had net capital and net capital requirements of \$15,448 and \$5,000, respectively. The Company's net capital ratio (aggregate indebtedness to net capital) was 0.66 to 1. According to Rule 15c3-1, the Company's net capital ratio shall not exceed 15 to 1.

**NOTE 3 - RELATED PARTY TRANSACTIONS**

During the year ended December 31, 2005, the Company has receivables from related parties in the amount of \$34,505.

**NOTE 4 - INCOME TAXES**

As of December 31, 2005, the Company has a total net operating loss carryover of approximately \$5,000 expiring through 2025, which may be used to offset future taxable income. Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and them amounts used for income tax purposes.

Significant components of the Company's deferred tax liabilities and assets as of December 31, 2005 are as follows:

Deferred tax liabilities	\$	<u>          -</u>
Deferred tax assets:		
Net operating loss carryover	\$	945
Valuation allowance for deferred tax assets		<u>      (945)</u>
	\$	<u>          -</u>

The valuation allowance increased by \$945 for the year ending December 31, 2005.

**NOTE 5 - STOCK PURCHASE WARRANTS**

The Company acquired, at no cost, warrants to subscribe for and purchase from Boston Restaurant Associates, Inc. ("BRAI"), up to 500,000, fully-paid and nonassessable shares of BRAI's common stock. The purchase rights represented by the warrants are exercisable by the Company, in whole or in part, at any time through December 31, 2006, at an exercise price of \$3.00 per share.

IMPACT FINANCIAL NETWORK, INC.

NOTES TO FINANCIAL STATEMENTS

(Continued)

**NOTE 5 - STOCK PURCHASE WARRANTS (continued)**

The Company's management has estimated the Stock Purchase Warrants to have no value at December 31, 2005. This determination was made considering primarily the current value of the underlying common stock and the current illiquidity of the Stock Purchase Warrants.

**NOTE 6 - FINANCIAL INSTRUMENTS WITH OFF-BALANCE SHEET RISK AND CONTINGENCIES**

In the normal course of business, the Company's client activities ("clients") through its clearing broker involve the execution, settlement, and financing of various client securities transactions. These activities may expose the Company to off-balance sheet risk. In the event the client fails to satisfy its obligations, the Company may be required to purchase or sell financial instruments at prevailing market prices in order to fulfill the client's obligations.

The Company bears the risk of financial failure by its clearing broker. If the clearing broker should cease doing business, the Company's receivable from this clearing broker could be subject to forfeiture.

The Company's financial instruments, including cash, receivables and accounts payable are carried at amounts that approximate fair value due to the short term nature of those instruments.

## INDEPENDENT AUDITORS' REPORT ON INTERNAL ACCOUNTING CONTROL REQUIRED BY SEC RULE 17a-5

The Board of Directors of  
Impact Financial Network, Inc.

In planning and performing our audit of the financial statements and supplementary information of Impact Financial Network, Inc. (the "Company") for the year ended December 31, 2005, we considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by Rule 17a5(g)(1) of the Securities and Exchange Commission ("SEC"), we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by Impact Financial Network, Inc. that we considered relevant to the objectives stated in Rule 17a-5(g), (i) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and the procedures for determining compliance with the exemptive provisions of Rule 15c3-3; and (ii) for safeguarding the occasional receipt of securities and cash until promptly transmitted to the Company's clearing brokers. We did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13 or complying with the requirements for prompt payment for securities under section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate. This report recognizes that it is not practicable in an organization the size of Impact Financial Network, Inc. to achieve all the divisions of duties and cross-checks generally included in a system of internal accounting control and that alternatively greater reliance must be placed on surveillance by management.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure, including procedures for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2005, to meet the SEC's objectives.

In addition, our review indicated that Impact Financial Network, Inc. was in compliance with the conditions of exemption from Rule 15c3-3 pursuant to paragraph k(2)(ii) as of December 31, 2005, and no facts came to our attention to indicate that such conditions had not been complied with during the year.

This report is intended solely for the use of management, the Securities and Exchange Commission, the New York Stock Exchange, Inc. and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 and should not be used for any other purpose.
