Report of Independent Auditors

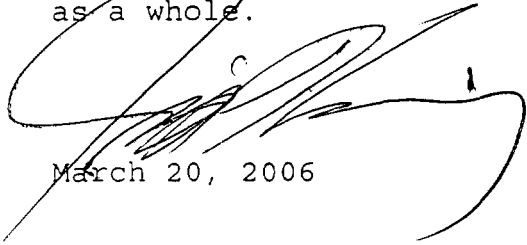

Board of Directors and Stockholder
Wm. H. Murphy & Co., Inc.

We have audited the accompanying statement of financial condition of Wm. H. Murphy & Co., Inc. as of December 31, 2005 and 2004, and the related statement of operations, changes in stockholder's equity and cash flows for the years then ended. The financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wm. H. Murphy & Co., Inc. at December 31, 2005 and 2004, and the results of its operations, changes in stockholder's equity and cash flow for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our examination was made for the purpose of forming an opinion on the basic financial statements, taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17A-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the examination of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

WM. H. MURPHY & CO., INC.

NOTES TO FINANCIAL STATEMENTS

For the year ended December 31, 2005 and 2004

1. Organization and significant accounting policies

Wm. H. Murphy & Co., Inc. was incorporated under the laws of the State of Texas on August 14, 1990 and commenced operations as a broker/dealer effective January 1, 1991.

Customer securities transactions are handled through a clearing broker dealer under an agreement dated December 7, 1990. The Company does not hold customer funds or securities and operates pursuant to the exemptive provisions of paragraph k(2)(ii) of SEC Rule 15c3-3 (the "Customer Protection Rule"). Commission income and expenses are recorded on a settlement date basis as reported by the clearing broker dealer. Investment banking revenue is recorded at the time the settlement is made.

Effective January 1, 1993, the Company adopted Statement of Financial Accounting Standards No. 109 "Accounting for Income Taxes" (SFAS 109). Under SFAS 109, the deferred tax provision is determined under the liability method. Under this method, deferred tax assets and liabilities are recognized based on differences between the financial statements and the tax bases of assets and liabilities using presently enacted tax rates. As a result of operating losses incurred by the Company since its inception, the deferred tax benefit of operating loss carryforwards has not been recognized as the realization of the deferred asset is not reasonably assured.

Marketable securities are valued at market value. The resulting difference between cost and market is included in income.

Depreciation is provided on a straight line basis using estimated useful lives of seven years.

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

For purposes of the Statement of Cash Flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than ninety days that are not held for sale in the ordinary course of business.

2. Net capital requirements

The Company is subject to the net capital requirements under Rule 15c3-1 of the Securities and Exchange Act of 1934, which requires the maintenance of minimum net capital, as defined. At December 31, 2005, the Company had net capital, as defined, of \$62,791 which was in excess of its required net capital of \$6,000. At December 31, 2004, the net capital, as defined was \$86,611 in excess of the required net capital.

3. Fair value of financial investments

The estimated fair value of the Company's financial instruments at December 31, 2005 and 2004 are as follows:

	<u>2005</u>		<u>2004</u>	
	<u>Carrying amount</u>	<u>Fair Value</u>	<u>Carrying amount</u>	<u>Fair Value</u>
Cash in banks and in transit	\$19,687	\$19,687	\$50,064	\$50,064
Investments for which it is:				
Practical to estimate fair value	91,844	91,844	68,995	68,995
Not practical to estimate fair value	-	-	-	-

The following methods and assumptions were used to estimate fair value of each class of financial instruments:

Cash in banks - The carrying amount approximates fair value because of the short maturity of those investments.

Investments - Fair value of investments are estimated based upon quoted market prices at the balance sheet date, less in the case of warrants the cost to acquire the underlying security.

4. Commitments

The Company leases its office facilities under a forty (40) month lease, which lease became effective on September 1, 2003.

At December 31, 2005, future minimum rental payments under the lease are as follows:

<u>Year ending December 31,</u>	
2006	<u>37,134</u>
Total minimum rental payments	<u>\$ 37,134</u>

Rent expense for all operating leases totaled \$37,190 and \$35,742, respectively, in the years ended December 31, 2005 and 2004.

5. Federal Income Taxes

As of December 31, 2005 and 2004, the Company had net operating loss carryforwards totaling approximately \$483,000 and \$ 467,000, respectively. These net operating loss carryforwards will expire, if not otherwise utilized, in years 2006 - 2024.

6. Related party transactions

During the year ended December 31, 2005, the Company advanced funds amounting to \$8,323 to certain partnerships and corporations in which the sole shareholder of the Company is a controlling partner or shareholder. During the year, \$6,250 of such advances were repaid to the Company.

As of December 31, 2005, the Company had a receivable from its sole shareholder in the amount of \$1,158 representing personal expenses paid by the Company on behalf of such shareholder in prior years.

Schedule II

WM. H. MURPHY & CO., INC.
Supplementary Information
Form X-17a-5
Part III

Part (h) Computation for Determination of Reserve Requirements pursuant to Rule 15c3-3.

The Company is not subject to the Reserve Requirements pursuant to Rule 15c3-3 because the Company operates under the exemptive provisions and paragraph k(2)(ii) of SEC Rule 15c3-3.

Part (i) Information relating to the Possession or Control Requirements under Rule 15c3-3.

The Company is not subject to the Possession and Control Requirements under Rule 15c3-3. The Company does not possess nor control any customer funds or securities that would require disclosure under said rule. The Company operates under the exemptive provisions of paragraph K(2)(ii) of Rule 15c3-3.

Part (j) A reconciliation of the computation on the net capital under Rule 15c3-1 and the computation for determination of Reserve Requirements under Exhibit A of Rule 15c3-3.

There were no material differences between the computation of net capital pursuant to Rule 15c3-1 and the corresponding net capital amount prepared by Wm. H. Murphy & Co., Inc. and included in the Company's Part IIA (unaudited) FOCUS report as of December 31, 2005.

The computation for Determination of Reserve Requirements pursuant to Rule 15c3-3 and the Information Relating to Possession or Control Requirements under Rule 15c3-3 have been omitted because the firm is exempt under paragraph K(2)(ii) of SEC Rule 15c3-3.

Part (k) Reconciliation between the audited and unaudited statements of financial condition with respect to methods of consolidation.

The Company does not prepare consolidated accounts as it has no subsidiaries to consolidate.

Independent Auditor's Report on Internal Accounting Control Required by SEC Rule 17a-5

March 20, 2006

Board of Directors
Wm. H. Murphy & Co., Inc.
Houston, Texas

I have examined the financial statements of Wm. H. Murphy & Co., Inc. for the year ended December 31, 2005, and have issued my report thereon dated March 20, 2006. As part of my examination, I made a study and evaluation of the Company's system of internal accounting control to the extent I considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of my study and evaluation, which included obtaining an understanding of the accounting system, was to determine the nature, timing, and extent of the auditing procedures necessary for expressing an opinion on the financial statements.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission, I have made a study of the practices and procedures (including test of compliance with such practice and procedures) followed by Wm. H. Murphy & Co., Inc. that I considered relevant to the objectives stated in rule 17a-5(g)(1) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(II) and the procedures for determining compliance with the exemptive provisions of rule 15c3-3, I determined that the company was in compliance with the conditions of the exemption and that no facts came to my attention that such conditions had not been complied with during the period.

I also made a study for the practices and procedures followed by the Company in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(II) and the procedures for determining compliance with the exemptive provisions of rule 15c3-3. I did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by rule 17a-12 or in complying with the requirements for prompt payment for securities under section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining a system of internal accounting control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures and of the practices and procedures can be expected to achieve the Commission's above-mentioned objectives. The objectives of a system and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal accounting control procedures or the practices and procedures referred to above, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the degree of compliance with them may deteriorate.

My study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, I do not express an opinion on the system of internal accounting control of Wm. H. Murphy & Co., Inc. taken as a whole, however, my study and evaluation disclosed no condition that I believe to be a material weakness.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objective in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the Company's practices and procedures were adequate at December 31, 2005 to meet the Commission's objectives.

This report is intended solely for the use of management and the Securities and Exchange Commission and should not be used for any other purpose.

Jim Herring, CPA

Houston, Texas
