INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
The Buttles Corporation
Remsenberg, NY

We have audited the accompanying statement of financial condition of The Buttles Corporation (a New York Corporation) as of December 31, 2005 and the related statements of income and retained earnings, changes in stockholder's equity and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Buttles Corporation at December 31, 2005, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule 1 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities and Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements, and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

-1-

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 3 and Note 5, the Company's ability to continue as a going concern is dependent on attaining future revenues from a small number of customers. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.
