REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Board of Directors
Semaphore Corporate Finance, Inc.

We have audited the accompanying statement of financial condition of SEMAPHORE CORPORATE FINANCE, INC. as of May 31, 2006, and the related statements of income, changes in stockholders' equity and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined financial position of Semaphore Corporate Finance, Inc. as of May 31, 2006, and its results of operations and cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic combined financial statements taken as a whole.

SEMAPHORE CORPORATE FINANCE, INC.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Organization and summary of significant accounting policies:

Organization:

Semaphore Corporate Finance, Inc. (the "Company"), a Connecticut corporation is a broker-dealer registered with the Securities and Exchange Commission (the "SEC") and a member of the National Association of Securities Dealers, Inc. (the "NASD").

From time to time, the Company provides consulting services and assists in the consumation of transactions for which a broker dealer license is required. The Company operates under the exemptive provisions of SEC rule 15c3-3(k)(2)(i). The Company does not carry customer accounts, take custody of securities or extend margin credit to any customers.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income taxes:

The Company accounts for income taxes pursuant to the asset and liability method which requires deferred income tax assets and liabilities to be computed for temporary differences between the financial statement and tax bases of assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and rates applicable to the periods in which the temporary differences are expected to affect taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. The income tax provision or credit is the tax payable or refundable for the period plus or minus the change during the period in deferred tax assets and liabilities.

Note 2 - Income taxes:

There was no provision for income taxes in 2006 as the company has a net operating loss carry forward of \$31,089. The deferred tax asset related to the net operating loss carry forward is not material.

SEMAPHORE CORPORATE FINANCE, INC.

NOTES TO FINANCIAL STATEMENTS

Note 3 - Net capital requirement:

The Company is subject to the SEC Uniform Net Capital Rule (rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At May 31, 2006, the Company had net capital of \$8,993, which was \$3,993 in excess of its required net capital of \$5,000. The Company's net capital ratio was .97 to 1.

Note 4 - Related party transactions:

The Company's consulting fees totaled \$80,000 for the year ended May 31, 2006 and were comprised of fees charged by its stockholders.

**REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS
ON INTERNAL CONTROL**

To the Board of Directors
Semaphore Corporate Finance, Inc.

In planning and performing our audit of the financial statements and supplemental schedules of Semaphore Corporate Finance, Inc. (the "Company") for the year ended May 31, 2006, we considered its internal control, including activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (the "SEC"), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC'S above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with

management's authorization and recorded properly to permit preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projections of any evaluation of them to future periods are subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, which we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and the practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at May 31, 2006 to meet the SEC's objectives.

This report is intended solely for the use of the Board of Directors, management, the SEC, the National Association of Securities Dealers, Inc. and the other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers and is not intended to be and should not be used by anyone other than these specified parties.
