Independent Accountants' Report

The EDP Audit Committee of Affiliated Computer Services, Inc.:

We have examined the effectiveness of internal control of ACS HR Solutions LLC, including the appropriate segregation of responsibilities and duties, over the transfer agent functions as of December 31, 2005, as defined by Rule 17Ad-13(a)(3) of the Securities Exchange Act of 1934. ACS HR Solutions LLC is an indirect wholly-owned subsidiary of Affiliated Computer Services, Inc. ACS HR Solutions LLC's management is responsible for maintaining effective internal control, including the appropriate segregation of responsibilities and duties, over the transfer agent functions. Our responsibility is to express an opinion on the effectiveness of internal control based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included obtaining an understanding of the internal control over the transfer agent functions performed by ACS HR Solutions LLC, testing and evaluating the design and operating effectiveness of the internal control, and performing such other procedures as we considered necessary in the circumstances, using the objectives set forth in Rule 17Ad-13(a)(3) of the Securities Exchange Act of 1934. Those objectives are to provide reasonable, but not absolute, assurance that securities records are safeguarded against loss from unauthorized use or disposition and that transfer agent activities are performed promptly and accurately. We believe that our examination provides a reasonable basis for our opinion.

Because of inherent limitations in any internal control, misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal control over the transfer agent functions performed by ACS HR Solutions LLC to future periods are subject to the risk that the internal control may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, ACS HR Solutions LLC maintained, in all material respects, effective internal control, including the appropriate segregation of responsibilities and duties, over the transfer agent functions as of December 31, 2005, based on the criteria established by Rule 17Ad-13(a)(3) of the Securities Exchange Act of 1934.

This report is intended solely for the information and use of management and the Board of Directors of Affiliated Computer Services, Inc., ACS HR Solutions LLC, and the Securities and Exchange Commission and is not intended to be and should not be used by anyone other than these specified parties.
