Independent Auditor's Report

Board of Directors
Pittsburgh Financial Planners, Inc.
Pittsburgh, PA 15317

I have audited the accompanying statement of financial condition of Pittsburgh Financial Planners, Inc. as of June 30, 2006 and the related statements of income, changes in stockholder's equity, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pittsburgh Financial Planners, Inc. as of June 30, 2006, and the results of their operations and their cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

My audit was conducted for the purpose of forming an opinion on the basic financial statements, taken as a whole. The information contained in Schedules I and II is presented for the purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2006

Formation of Company

The Company was formed on July 14, 1983. The principal activity of the Company is to be a broker/dealer of securities and also a registered investment advisor. The majority of the customers are located in western Pennsylvania.

Significant Accounting Policies

Commission revenue is recognized when rendered and related expenses are recorded when incurred. Commission income and expense from customers' security transactions on introduced accounts are recorded on a trade date basis.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

The current year income tax was immaterial and therefore not shown on the accompanying financial statement. The Company has loss carryforwards totaling \$10,100 that may be offset against future taxable income. If not used, the carryforwards will begin to expire in 2014.

Related Party Transactions

The Company paid commissions and due diligence fees of \$ 425,032 to James Helba, Jr., the sole shareholder's husband during the fiscal year ending June 30, 2006 and has a payable of \$ 81,329 due him at June 30, 2006.

Marketable Securities

Marketable securities at June 30, 2006 consist of one mutual fund (available for sale) and the cost and fair value is as follows:

Fair value	\$ 23,353
Total accumulated gains included in retained earnings	\$ 2,771
Net unrealized gains included in other income	\$ 662

PITTSBURGH FINANCIAL PLANNERS, INC.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2006

Pension Plan

The Company maintains a Simplified Employee Pension Plan (SEP). All Contributions were discretionary. The Company contributed \$10,000 during the year ended June 30, 2006 for the prior year.

Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (see rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At June 30, 2006, the Company had net capital of \$48,529, which was \$40,615 in excess of its required net capital of \$7,914. The Company's net capital ratio was 2.45 to 1.

The Company is exempt from the Customer Protection Reserves and Custody of Securities Requirement Rule 15c3-3, under the exemptive provision provided by section (k)(2)(i).

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL ACCOUNTING CONTROL
REQUIRED BY SEC RULE 17a-5**

Board of Directors
Pittsburgh Financial Planners, Inc.

In planning and performing my audit of the financial statements and supplemental schedules of Pittsburgh Financial Planners, Inc. for the year ended June 30, 2006, I considered its internal control, including control activities for safeguarding securities, in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), I made a study of the practices and procedures followed by the Company including tests of such practices and procedures as I considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital rule 17a-3(a)11 and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities. I did not review the practices and procedures followed by the Company in making any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13.
2. Complying with the requirements for prompt payment for securities under section 8 of the Federal Reserve Regulation T of The Board of Governors of the Federal Reserve System.
3. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customer as required by rule 15c3-3.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the

Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

My consideration of internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, I noted no matters involving internal control, including control activities for safeguarding securities that I consider to be material weaknesses as defined above. In addition, no facts came to my attention which indicated that the exemptive provisions of the rule 15c3-3(k)(2)(i) were not complied with during the year ended June 30, 2006.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, we believe that the Company's practices and procedures were adequate at June 30, 2006 to meet the SEC's objectives.

This report is intended solely for the information and use of the board of directors, management, the SEC, the New York Stock Exchange and the National Association of Securities Dealers and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than those specified parties.
