## **Renewal of In-orbit Insurance Policy for Communications Satellites**

JSAT Corporation (Head Office: Chiyoda-ku, Tokyo; President and CEO: Kiyoshi Isozaki; "JSAT") today announced that it has renewed its in-orbit insurance policy for company-owned communications satellites. The new policy is effective from April 1, 2006 to March 31, 2007.

As a result, JSAT communications satellites JCSAT-R, JCSAT-4A, JCSAT-2A and JCSAT-110 will be covered by in-orbit insurance. Meanwhile, other communications satellites with marginal book values, due to being near by their end of life or an application of asset-impairment accounting, will remain uninsured.

Horizons-1 communications satellite is separately covered by an in-orbit insurance policy effective from October 1, 2005 to September 30, 2006 that has been taken out by Horizons-1 Satellite LLC.

**Final Agreement on the Transfer of All Shares of JSAT Subsidiary  
Japan CableCast and Equipment Used in the JC-HITS Business**

JSAT Corporation (Head Office: Chiyoda-ku, Tokyo; President and CEO: Kiyoshi Isozaki; "JSAT") announced that today it concluded a final agreement with SOZOkobo, Inc. (Head Office: Chiyoda-ku, Tokyo; President and Partner: Shozo Ishibashi; "SOZO") on the transfer of all shares of wholly owned subsidiary Japan CableCast Inc. (Head Office: Chuo-ku, Tokyo; President: Norikazu Yabushita; "CableCast"), the provider of the JC-HITS digital solutions service for cable television operators, and the transfer of equipment used in the JC-HITS business. A basic agreement was concluded between JSAT and SOZO on February 21, 2006. Details are as follows.

**1. Impact of the Transfer of Shares and Equipment on Operating Results**

In the press release "Transfer of All Shares of JSAT Subsidiary Japan CableCast and Equipment Used in the JC-HITS Business," issued on February 21, 2006, JSAT reported that the transfer would be made at a total sale price of roughly ¥1.8 billion. However, the final sale price is scheduled to be determined after March. Therefore, the impact of the transfer on JSAT's consolidated and non-consolidated operating results will be announced once the details are finalized.

<b>JSAT Announces Launch Schedule for Communications Satellite JCSAT-9</b>
--

JSAT Corporation ("JSAT"; Head office: Chiyoda-ku, Tokyo; President and CEO: Kiyoshi Isozaki) today announced the launch schedule for its JCSAT-9 Communications satellite, as follows:

As the successor to the N-STARa satellite in orbit at 132° East, JCSAT-9 is equipped with Ku-band transponders for domestic communications and an S-band transponder for mobile communications. In addition, JCSAT-9 is fitted with C-band transponders for international communications. Besides serving domestic and mobile communications customer bases, JCSAT-9 will offer coverage over an extensive area ranging from Hawaii and Oceania to countries across Southeast Asia. Looking ahead, JSAT plans to further expand its global services using this large, state-of-the-art satellite, targeting the widespread fusion and digitalization of broadcasting and communications.

#### Launch Details

I. Scheduled launch date and time	April 12, 2006 (Wed.) 08:30 (JST)
II. Launch site	Off Hawaiian coast (in vicinity of 154° West Longitude)
III. Launch vehicle	Zenit-3SL (Sea Launch Company, LLC)
IV. Satellite specifications	<p>(1) Satellite Bus: A2100AX (manufactured by Lockheed Martin)</p> <p>(2) No. of transponders:</p> <p style="padding-left: 40px;">20 x Ku-band</p> <p style="padding-left: 40px;">20 x C-band</p> <p style="padding-left: 40px;">1 x S-band</p> <p>(3) Area of coverage: Japan, SE Asia, Hawaii, Oceania</p> <p>(4) Orbital position: 132° East (planned)</p>
