Announcement to Shareholders on restriction of NABI Rt's business activity

The Board of Directors of NABI Bus Industries Rt. (NABI Rt's name change to EX-BUS Rt. is pending registration) hereby informs its shareholders of the following.

The new Board of Directors of the Company found that the agreement for the sale of NABI Rt's business dated February 8, 2006 includes a restrictive covenant which provides that the Company may not conduct any business or other activity which will or potentially can result in any kind of liability in excess of USD 200,000 until a shareholder acquires the majority of the Company's shares.

As the Company's shareholders did not support the Board of Director's recommendation for the winding-up of the Company at the Annual General Meeting, the Board of Directors have decided to use their best efforts in order to enable the Company to pursue new business ventures without any limitations.
