## Mobistar passes milestone of 3 million customers

Brussels, 23 June 2006 – Mobistar is satisfied about the continuing increase in its active customer base as a result of its successful commercial tactics. More than 3 million customers are now using the services of the mobile phone operator. Mobistar confirms its financial outlook for 2006 and expects that both turnover and net profit will grow with 3% to 5%.

Mobistar has more than 3 million customers today, confirming the mobile operator's commercial leadership in the market. It expects a further increase of its customer base.

Mobistar continues to confirm its financial guidance for 2006. For both turnover and net profit, Mobistar expects growth to be between 3% and 5%. "We are very happy about our strong commercial growth. We can reconfirm our perspectives. Passing the milestone of three million Mobistar customers is a stimulus to keep striving to provide the best service for our customers," states Bernard Moschène, CEO of Mobistar.
