BRISA Auto-Estradas de Portugal, S.A., public company with head-office in Quinta da Torre da Aguilha - Edifício BRISA, parish of São Domingos de Rana, council of Cascais, holder of corporate tax number 500 048 177, registered at the Commercial Registry Office of Cascais under no. 10 583, with a share capital of € 600 000 000

Following the press release issued on April 7, 2006, BRISA – Auto-Estradas de Portugal, S.A. (“Brisa”) hereby informs that, in line with decision announced today by the office of his Excellency the Ministry for the Economy and Innovation, the Government accepted Brisa's appeal submitted on May 8, 2006, approving subject to certain complementary measures, the purchase by BRISA (through Via Oeste, SGPS, S.A.) of a stake corresponding to 40% of the share capital of Auto-Estradas do Atlântico – Concessões Rodoviárias de Portugal, S.A. (“AEA”), concessionaire of motorways A8 (Lisboa/Leiria) and A15 (Caldas da Rainha/Santarém), an operation which had been notified to the Competition Authority in March 2005.

According to the decision announced today, the said operation is of crucial importance for the Portuguese economy on account of the development of the sector concerned, which is a strategic sector at domestic level but also because of the resizing of the companies concerned that will provide added innovation capacity and increased competitiveness at international level, with inevitable benefits for the domestic economy.

This decision and the rapidity with which it was taken will allow BRISA to strengthen its current holding in AEA, corresponding to 10% of this company's share capital.
