MANAGEMENT INFORMATION CIRCULAR

containing information as at July 24, 2006 unless otherwise noted

SOLICITATION OF PROXIES

Solicitation of Proxies by Management

This Management Information Circular ("Circular") is being furnished in connection with the solicitation of proxies by the management of Gtech International Resources Limited (the "Company") for use at the Annual Meeting of the shareholders of the Company to be held on Thursday, August 31, 2006 (the "Meeting") at the time and place and for the purposes set forth in the accompanying Notice of Meeting and any adjournment thereof.

Cost and Manner of Solicitation

While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone, facsimile or electronically by the directors and regular employees of the Company or other proxy solicitation services. In accordance with National Instrument 54-101, Communication with Beneficial Owners of Securities of a Reporting Issuer, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of Common shares of the Company. All costs of solicitation will be born by the Company.

APPOINTMENT AND REVOCATION OF PROXIES

Appointment of Proxy

A shareholder entitled to vote at the Meeting may, by means of a properly executed and deposited proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be shareholders of the Company to attend and act at the Meeting for the shareholder and on the shareholder's behalf.

The individuals named in the enclosed form of proxy are the Chairman and CEO and the President and CFO of the Company (the "Management Designees"). **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO BY INSERTING SUCH PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE NAMES OF THE MANAGEMENT DESIGNEES OR BY COMPLETING ANOTHER FORM OF PROXY.** A proxy will not be valid unless the completed, dated and signed form of proxy is deposited with Computershare Investor Services Inc., not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof, or is delivered to the chair of the Meeting prior to the commencement of the Meeting or an adjourned meeting. **Proxies may be deposited with Computershare Investor Services Inc. using one of the following methods:**

BY MAIL: Computershare Investor Services Inc.
9th Floor, 100 University Avenue
Toronto, Ontario M5J 2Y1

**OR IF YOU HAVE A CONTROL NUMBER, A HOLDER ACCOUNT NUMBER AND
AN ACCESS NUMBER ON THE FACE OF THE PROXY, YOU ARE
ALTERNATIVELY ABLE TO VOTE:**

BY TELEPHONE: 1-866-732-8683, or

BY INTERNET: www.computershare.com/proxy

Revocation of Proxy

A shareholder who has given a proxy may revoke it by an instrument in writing duly executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, #200 – 304 Jarvis Street, Whitehorse, Yukon Territory, Y1A 2H2, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

In addition, a proxy may be revoked by a shareholder properly executing another form of proxy bearing a later date and depositing the same at the offices of Computershare Investor Services Inc. within the time period and in the manner set out under the heading “**Appointment of Proxy**” above or by the shareholder personally attending the Meeting, withdrawing his or her proxy and voting the shares.

Voting of Proxies and Exercise of Discretion by Proxyholders

Unless a ballot is called for or required by law, voting at the Meeting will be by way of show of hands. Common shares represented by a properly completed, executed and deposited proxy may be voted by the proxyholder on a show of hands, except where the proxyholder has conflicting instructions from more than one shareholder, in which case such proxyholder will not be entitled to vote on a show of hands. In addition, shares represented by proxies will be voted on any ballot. In either case, where a choice with respect to any matter to be acted upon has been specified in the proxy, the shares will be voted or withheld from voting in accordance with the specification so made.

IF A CHOICE WITH RESPECT TO ANY MATTER IS NOT CLEARLY SPECIFIED IN THE PROXY, THE MANAGEMENT DESIGNEES WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY FOR EACH SUCH MATTER.

The enclosed form of proxy when properly executed and deposited and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the Management Designees to vote in accordance with their best judgment on such matters or business. At the date of this Circular, management knows of no such amendment, variation or other matter which may be presented to the Meeting.

Advice to Beneficial Holders of Common Shares

Only registered holders of Common shares of the Company or the persons they validly appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common shares beneficially owned by a person (a “**Non-Registered Holder**”) are registered either (i) in the name of an intermediary (an “**Intermediary**”) (including banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESP’s and similar plans) that the Non-Registered Holder deals with in respect of the shares, or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant. In accordance with the requirements of the Canadian Securities Administrators, the Company will have distributed copies of the Notice of Meeting, this Circular, and the enclosed form of proxy (collectively, the “**meeting materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders of Common shares.

Intermediaries are required to forward the meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived their right to receive them. Intermediaries often use service companies to forward the meeting materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive meeting materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder, but which is otherwise uncompleted. This form of proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a proxy should properly complete the form of proxy and submit it to Computershare Investor Services Inc. with respect to the Common shares beneficially owned by such Non-Registered Holder, in accordance with the instructions above in this Circular; **OR**
- (b) more typically, be given a voting registration form which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute authority and instructions (often called a “**proxy authorization form**”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code or other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit the Non-Registered Holder to direct the voting of the shares he or she beneficially owns.

Should a Non-Registered Holder who receives either form of proxy wish to vote at the Meeting in person, the Non-Registered Holder should strike out the persons named in the proxy and insert the Non-Registered Holder’s name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITORS

Multilateral Instrument 52-110, Audit Committees, of the Canadian Securities Administrators (“MI 52-110”) requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditors, as set forth in the following.

The Company’s audit committee is governed by an audit committee charter, the text of which is attached as Schedule A to the Company’s Management Information Circular dated August 5, 2004, a copy of which is available online at www.sedar.com.

The Company’s audit committee is presently comprised of three directors, Fred Bart, Chair, Thomas G. Howitt and Elizabeth Sy. As defined in MI 52-110, Thomas G. Howitt and Fred Bart are not “**independent**” and Elizabeth Sy is “**independent**”. Each Audit Committee member possesses education or experience that is relevant to the performance of their responsibilities as Audit Committee members of the Company. Fred Bart is an experienced director of listed companies and numerous private companies. Fred’s financial expertise relates mainly to capital equity financings for listed companies, arranging bank finance facilities and providing investor relations services. Thomas G. He is the Chief Financial Officer of the Company’s parent company, Genetic Technologies Limited. He has served as CFO and Company Secretary for a number of public companies listed on both the Australian Stock Exchange and foreign stock exchanges, including the former Vancouver Stock Exchange. His experience covers all facets of financial management and control across a variety of industries including resources and technology and has played key roles in the successful raising of both bank debt and equity capital and the management of complex due diligence programs. Since the commencement of the Company’s most recently completed financial year, the Company’s Board of Directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

Since the effective date of MI 52-110, the Company has not relied on the exemptions contained in sections 2.4 or 8 of MI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditors, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditors in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of MI 52-110, in whole or in part.

The audit committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of MI 52-110, the engagement of non-audit services is considered by the Company's Board of Directors, and where applicable the audit committee, on a case-by-case basis.

"All other fees" are fees billed by the auditors for products and services not included in the foregoing categories.

The fees paid by the Company to its auditors in each of the last two fiscal years, by category, are as follows:

<u>Financial Year Ending</u>	<u>Audit Fees</u>	<u>Audit Related Fees</u>	<u>Tax Fees⁽¹⁾</u>	<u>All Other Fees</u>
April 30, 2006	\$5,000	Nil	\$500	Nil

The Company is relying on the exemption provided by section 6.1 of MI 52-110 which provides that the Company, as a Venture Issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of MI 52-110.

STOCK OPTION PLAN

The policies of the TSX Venture Exchange ("**Exchange**") require that listed companies adopt either a "**rolling**" stock option plan or a "**fixed number**" stock option plan. On August 7, 2003, the directors of the Company established the Company's Stock Option Plan (the "**Plan**"). The maximum number of Common shares of the Company reserved for issuance under the Plan is 10% of the issued and outstanding common shares of the Company on a "**rolling**" basis. Since that date, the shares of the Company have been moved to the NEX Board of the Exchange and companies so listed are not required to adopt a stock option plan. However, the Company wishes to maintain the Plan because the Exchange requires stock option plans for Tier 1 and 2 listed companies. Accordingly, the Company is seeking annual approval of the Plan by the shareholders at the Meeting.

Purpose of the Plan

The purpose of the Plan is to provide an incentive to the Company's directors, senior officers, employees and consultants and to management company employees to continue their involvement with the Company, to increase their efforts on the Company's behalf and to attract qualified new personnel. The Company decided to implement the Plan to provide additional incentive for any persons who become new directors, officers or employees as a result of the acquisition of a new business opportunity.

General Description/Exchange Policies

The Plan is administered by the Board of Directors of the Company (the "**Board**") or, where applicable, by a Compensation Committee (the "**Committee**") appointed for such purpose by the Board. A copy of the Plan is available online at www.sedar.com.

The following is a brief description of the principal terms of the Plan, which description is qualified in its entirety by the terms of the Plan:

1. The maximum number of Common shares of the Company that may be reserved for issuance of stock options granted under the Plan shall not exceed 10% of the issued capital of the Company as at the date of the grant of any stock option under the Plan.

2. The exercise price of the stock options, as determined by the Board or the Committee in its sole discretion, shall not be less than the minimum price permitted by the policies of the Exchange. The current policies of the Exchange provide that the exercise price for stock options must not be less than the greater of \$0.10 and the last closing price of the Company's shares before the date of grant, less a maximum discount of 25% where the closing price was up to \$0.50, 20% where the closing price was \$0.51 to \$2.00 and 15% where the closing price was above \$2.00, subject to adjustment in the event of a recent share consolidation or announcement of material information.
3. The granting of stock options under the Plan is restricted as follows:
 - (a) the aggregate number of Common shares that may be reserved for issuance for a stock option to any one individual in a 12 month period may not exceed 5% of the issued common shares of the Company at the time of grant of the stock option;
 - (b) the number of options granted to a consultant in a 12 month period must not exceed 2% of the issued common shares of the Company at the time of grant of the stock option; and
 - (c) the aggregate number of options granted to employees involved in investor relations activities must not exceed 2% of the issued common shares of the Company in any 12 month period, at the time of grant of the stock option. Options issued to consultants performing investor relations activities must vest in stages over 12 months with no more than ¼ of the options vesting in any three month period.
4. The term for exercise of stock options for listed companies designated as Tier 2 issuers on the Exchange is a maximum of five years from the date of grant provided that in the event of the optionee's death, the exercise period shall not exceed the lesser of one year from the date of the optionee's death and the expiry date of the stock option. Stock options may only be exercised until the earlier of the expiry date and a period of not more than 90 days after the optionee ceases to be a qualified optionee, except in the case of persons providing investor relations activities to the Company where it is limited to the earlier of the expiry date and a period of not more than 30 days after such optionee ceases to be a qualified optionee.
5. All options shall be non-assignable and non-transferable except as between an optionee and a wholly owned personal corporation, with the consent of the Exchange.
6. A "disinterested shareholder vote" is required to approve the decrease in the exercise price of stock options previously granted to insiders prior to the exercise of such repriced stock options, or to approve the grant to insiders, within 12 month period, of a number of options exceeding 10% of the issued Common shares of the Company.

Shareholder Approval

Accordingly, the shareholders of the Company will be asked at the Meeting to pass an ordinary resolution to give annual approval to the Plan and the granting of stock options to insiders under the Plan in substantially the following form:

2. the Company's directors be and they are hereby authorized until the date of the next annual meeting to grant stock options pursuant to the terms and conditions of the Stock Option Plan entitling the holders to purchase up to a maximum of 10% of the issued and outstanding Common shares of the Company determined at the time of each grant of stock options on a "rolling" basis;

3. the granting of stock options to insiders of the Company under the Stock Option Plan be and it is hereby approved; and
4. any director or officer of the Company be and is hereby authorized, for or on behalf of the Company, to execute and deliver all documents and instruments and to take such other actions as such director or officer may determine to be necessary or desirable to implement this ordinary resolution and the matters authorized hereby, such determination to be conclusively evidenced by the execution and delivery of any such documents or instruments and the taking of any such actions.”

Unless otherwise directed, it is the intention of the Management Designees, if named as proxy, to vote in favour of this ordinary resolution. If the Plan is not approved by the shareholders, the Company will not be in a position to offer increased incentives to its present or future directors, officers, employees, consultants and/or management company employees.
