Released: 12/09/2006

12 SEPTEMBER 2006
FOR IMMEDIATE RELEASE

MISYS plc

ANNOUNCEMENT FROM THE INDEPENDENT COMMITTEE OF THE BOARD

On 25 July 2006, the Independent Committee of the Board of Misys plc ('Misys' or 'The Company') announced that it had received indicative offers for the Company and had concluded that it was in the best interests of shareholders to allow certain parties access to specific non-public information in order to carry out due diligence.

The Independent Committee has not yet received any proposals, which it considers should be put to shareholders, although discussions with various of these parties are continuing. There can be no guarantee that a formal offer for the Company will be made on terms that the Independent Committee would be prepared to recommend to shareholders.

The Independent Committee's primary objectives remain the maximisation of value for all shareholders and the minimisation of disruption to the business and employees, and it intends to assess all options for achieving these objectives. A further announcement will be made in due course, as appropriate.
