Footnotes

Footnote 1

Pursuant to an agency agreement (“Members’ Agent Agreement”), Hampden Agencies Limited (the “Members’ Agent”) represents individual members of Lloyd’s (“Names”), and advises them and manages their affairs with respect to their insurance underwriting business at Lloyd’s. The Members’ Agent helps each Name to secure the right to participate in insurance underwriting syndicates in the Lloyd’s market (through acquisitions by auction of the right to participate, or otherwise), and enters into agency agreements on the Name’s behalf with insurance underwriting agents at Lloyd’s (the “Managing Agents”) who manage the Name’s participation on insurance underwriting syndicates at Lloyd’s. In the view of Lloyd’s, as regulator of the Lloyd’s market, and the filing Members’ Agent, such activities and agreements relate to the direct underwriting of insurance in the Lloyd’s market, and neither their initiation nor their continuation on an ongoing basis involve the offer, sale, or issuance of a security. The Members’ Agent, on behalf of itself, Lloyd’s and other participants in the Lloyd’s market, expressly reserves its right to maintain this position notwithstanding the making of this filing or the use of the words “issuer”, “security” and like terms in this filing. However, these activities are reported on this Form D solely for purposes of asserting that, in any case, these activities are exempt from registration under Regulation D.

For administrative convenience and to facilitate a wider spread of insurance risk, some Names for whom the Members’ Agent acts are grouped together in a members’ agent pooling arrangement in which all participating members underwrite in the same insurance syndicates with shared premium limits which they agree. Each Name is individually identified on syndicate lists and underwrites directly, with full unlimited liability. While accounting and certain other administrative tasks are handled in the first instance on a group basis, the interests of the participating Names are accounted for individually and no legal entity is created.

Footnote B-2

Since each individual Name in the Lloyd’s insurance market pledges his or her entire personal wealth to satisfy claims on policies he or she underwrites, this amount cannot be determined. In order to underwrite, a Name must place monies in the minimum amount of 25,000 pounds sterling (approximately \$47500, computed at the exchange rate of £1 = \$1.90) in trust in the form of cash, letters of credit, or other assets as security for such Name’s underwriting.

The Name’s deposit, taken together with the Name’s qualifying net worth, is determinative of the amount of insurance business he may undertake. Under certain circumstances a Name’s losses in excess of a certain amount may be covered by an excess stop loss insurance plan or by other insurance but any such insurance does not release the Name from unlimited liability.

Footnote C-1

As indicated in Footnote 1 above, the Members’ Agent does not consider the relationships described in Footnote 1 to constitute any kind of security, including, without limitation, an investment contract. Because of the Name’s unlimited liability as described in Footnote B-2, an aggregate offering price is not calculable.

Footnote C-2

The Number of Investors shown to the left of the slash-mark is the number of Names who, insofar as the Members' Agent is aware, are U.S. Persons (as defined in Regulation S) and have initiated relationships with the filing Members' Agent in respect of the year of account recently commenced. The Number of Investors shown to the right of the slash-mark is the total number of U.S. Names represented by the filing Members' Agent (including both newly-initiated relationships and relationships that were initiated in prior years of account). The inclusion of this additional information with respect to continuing relationships is without prejudice to the Members' Agent position that, even if a security were involved here, the continuation of a relationship with the Members' Agent from year to year does not constitute the offer, sale or issuance of a security.

Footnote C-4(a)

Fees incurred by the Members' Agent in connection with the execution of the Members' Agent's Agreement are minor and in any case do not exceed \$5,000.

Footnote C-4(b)

See Footnote B-2. Although each Name must deposit funds with the Lloyd's market, such funds serve only to satisfy liabilities of the Names under certain conditions. Accordingly, there are no proceeds in the usual sense. Moreover, since each individual Name pledges the Name's entire net worth, the "aggregate" amount cannot be calculated.

Footnote C-5

Any deposit furnished by the Name in connection with his business of insurance underwriting at Lloyd's is placed on deposit and, together with revenues generated by his insurance underwriting business and the Name's aggregate net worth, is available to meet the expenses of the insurance underwriting business, including insurance claims.

Fees paid by the Name to the Members' Agent for the services rendered by the Members' Agent are as follows: See schedule marked 'A' attached.

Fees are also paid by the Name to the Managing Agents for insurance underwriting services. These are determined on a similar basis as the fees paid to Members' Agents but vary (in amount and method of calculation) from Managing Agent to Managing Agent.

Footnote APP 1

As indicated, the Members Agent does not consider the underwriting agency relationship under the Members Agent's Agreement to be a security and is filing this notice as a matter of prudence. Because of the nature of Lloyd's underwriting membership, an offering price is not calculable as all Names have unlimited personal liability. For the purposes of this filing, the aggregate offering price is the amount of funds deposited in support of their underwriting.
