INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Stockholders
of Jobel Financial, Incorporated

We have audited the accompanying statement of financial condition of Jobel Financial, Incorporated (a Nevada corporation) as of June 30, 2006. This financial statement is the responsibility of the company's management. Our responsibility is to express an opinion on this financial statement based on our audit. The statement of financial condition of Jobel Financial, Incorporated as of June 30, 2005, was audited by another auditor whose report dated August 23, 2005, expressed an unqualified opinion on that statement.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Jobel Financial, Incorporated as of June 30, 2006, in conformity with accounting principles generally accepted in the United States of America.
