REPORT OF INDEPENDENT PUBLIC ACCOUNTANT

Board of Directors  
The Securities Center, Inc.  
Chula Vista, California

I have examined the Statement of Financial Condition of The Securities Center, Inc. as of June 30, 2006 and the related Statements of Income, Changes in Stockholders' Equity, Cash Flow, and changes in Liabilities Subordinated to Claims of General Creditors for the year then ended. These financial statements are the responsibility of the company management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion the financial statements referred to above present fairly, in all material respects, the financial position of The Securities Center, Inc. as of June 30, 2006 and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles.

THE SECURITIES CENTER, INC.  
NOTES TO FINANCIAL STATEMENTS  
This report covers the year ending June 30, 2006

1. GENERAL

The company is a securities broker-dealer, which was incorporated on July 6, 1983 under the laws of the State of California. The company is a member of the National Association of Securities Dealers and the Securities Investor Protection Corporation.

2. SIGNIFICANT ACCOUNTING POLICIES

The company records revenue on a settlement day basis, generally the third business day following the transaction date. Securities transactions of the company are on a trade date basis. Marketable securities are valued at market, and the difference between cost and market is included in income.

3. ORGANIZATION COSTS

Organization costs were amortized over five years on a straight-line basis. Amortization has been completed.

4. RESERVE REQUIREMENTS

The company is exempt from the provisions of Rule 15c3-3. It does not maintain physical custody of securities. Because of the exemption, the company is not required to prepare a determination of Reserve Requirement for brokers and dealers.

5. NET CAPITAL REQUIREMENTS

The company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital shall not exceed 15 to 1. At June 30, 2006 the Company had net capital of \$122,753, which was \$117,753 in excess of its required amount of \$5,000. The aggregate indebtedness to net capital ratio was .597 to 1.

6. DEPRECIATION

The company purchased office equipment in 2004 for \$2,085. This equipment has been expenses for financial reporting and for income tax reporting in 2004.

REPORT OF INTERNAL ACCOUNTING CONTROL

Board of Directors  
The Securities Center, Inc.  
Chula Vista, California  
August 3, 2006

I have examined the financial statements of The Securities Center, Inc. for the year ended June 30, 2006 and has issued my report thereon dated August 8, 2006. As part of my examination, I made a study and evaluation of the Company's system of internal accounting control to the extent I considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of my study and evaluation, which included obtaining an understanding of the accounting system, was to determine the nature, timing, and extent of the auditing procedures necessary for expressing an opinion on the financial statements. This study and evaluation included the practices and procedures followed by the company in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a) (11).

Since the company does not carry customers account, I did not review the requirement for prompt payment for securities, the possession or control practices, or the procedures regarding quarterly securities examinations, counts, verifications and comparisons and the recordation of differences.

The management of the company is responsible for establishing and maintaining a system of internal control. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of the system and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the company has responsibility are safeguarding against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles

Because of inherent limitations in any internal accounting, control system or the practices and procedures referred to above, errors and irregularities may nevertheless occur and not be detected. In addition, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the degree of compliance with them may deteriorate.

-9-

REPORT ON INTERNAL ACCOUNTING CONTROL

My study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, I do not express an opinion on the system in internal accounting control of The Securities Center, Inc. taken as a whole. However, my study and evaluation disclosed no condition that I believe to be a material weakness.
