INDEPENDENT AUDITORS' REPORT

The Board of Directors
Haas Financial Products, Inc.
Southfield, Michigan

We have audited the accompanying balance sheet of Haas Financial Products, Inc., as of December 31, 2006, and the related statements of changes in stockholders' equity, income and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on my audit.

We conducted my audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Haas Financial Products, Inc., as of December 31, 2006, and the results of its operations and cash flows for the year then ended in conformity with generally accepted accounting principles.

Nature of Business:

Haas Financial Products, Inc. is a registered broker-dealer of securities and a member of the National Association of Securities Dealers, Inc. (NASD).

Haas Financial Products, Inc. sells mutual funds, variable life insurance policies, variable annuities, and some direct participation programs. SEC Rule 15c3-1 details the net capital requirements the Company must meet. Haas Financial Products, Inc. has adopted the \$5,000 minimum net capital requirement contained in that rule. Revenue Recognition:

The Company records commissions revenue when earned. Generally the earnings process is not complete until investments, placed on behalf of its customers, are accepted by the investment sponsor.

Property and Equipment:

Property and equipment are stated at cost and are being depreciated using accelerated methods for book purposes based upon their estimated useful lives.

Income Taxes:

Income taxes are provided at the applicable rates on the basis of items included in the determination of income for financial reporting purposes.
